

Leader Dog Report- Dave Hill June 2020

Mike Dengate of Leader Dog will conduct a Zoom powerpoint presentation for any club. DG Mike and I have arranged for the Chelsea Club to have a Leader Dog presentation at their Zoom meeting next week. I can arrange for a Zoom presentation for any club that would like to have one.

Leader Dog was able to place most of the dogs at Rochester Hills to private homes during the quarantine and reduced to minimal staffing at the headquarters. They have just re-opened the campus and will be bringing all the dogs back.

LD has cut back on the breeding program and is re-designing training programs to allow for more on-line and less time spent at the campus. They are not planning on hosting a 1VDG on-campus orientation this year.
