

MICHIGAN FORUM CABINET REPORT June Cabinet Report

The Forum for 2020 was a great success.

The committee has completed their report and wrap up, and have started planning next year's forum event.

They have indicated it will again be at the **Holiday Inn Gateway Centre in Grand Blanc. The dates are Friday February 26 (Entertainment or service event) and Saturday February 27 for the main event.**

They have identified a likely keynote speaker and just have to work out the arrangements. He is **Daniel Marney Elkins**, who lives in Delaware.

He is a Lions and a presenter at regional Lions events. He has also presented at the District Governor Elect training in St. Charles. He is a drug prevention specialist and motivational speaker

They are starting to plan for featuring our newest state project next year: The "All State Band".

We were instructed to be thinking about theme ideas, topic concentrations, session ideas, speakers ,etc.

The first official meeting will be in late summer.

This was an outstanding productive team to work with and everyone was totally dedicated to the event. Those in the Cabinet who attended the event understand why I believe it was outstanding.

Respectfully,

PDG Roberta Sexton, Co- Chair District 11-B1
