Vol. 80 Issue 9

Lion Sharon Hammel, Editor

March 2014

A Great Time Was Had by All!

It was a wonderful time to renew friendships, make new ones and get Lions business done at the District 26-M3 Convention held this past weekend at the Hilton Garden Inn in Columbia, MO. Hospitality booths featured a variety of themes and delicious food. Mizzou's Truman the Tiger even made an appearance and did some fancy dancing. Break-out sessions brought members up to date and got the dialogue going. Nominations were placed and votes cast, bylaws updated and a very special 50th anniversary celebrated by IPID Joe Picone and his wife Merle.

HERE'S WHAT YOU MISSED...

SEE YOU AT STATE!!!

Missouri Lions Band

The Missouri Band committee meets quarterly to encourage Missouri Lions clubs to sponsor one or more High School students to perform in the Missouri Lion Band at various Lion functions, but primarily at the Lions International Conventions held in the U.S.A. and Lions All-Star Football game. This is a Youth project plus the Missouri delegation marches with the band at the International convention. Years that the International convention is out of the US they usually go to various locations across the United State. Missouri has placed within the top five bands for many years in the International Parade Contest.

The band consists of a balanced horn line, a fully instrumental drumline, and a color guard. The students gather at Southwest Mo State University for two days of camp before leaving on the trip to march in the parade. The cost covers camp, all meals, uniforms, lodging, transportation, and all planned recreation and sightseeing. \$100 non-refundable down payment with application to the Missouri Band needs to be returned by March 15th. The balance must be paid prior to May each year.

March Is National Eye Donor Month

46,000 Americans will need corneal transplants this year to treat eye diseases and injuries. The gift of sight is a transformative experience for recipients, often relieving pain and reviving personal independence. Accordingly, National Eye Donor Month is a helpful reminder of how important it is to sign up for the eye, organ, and tissue donor registry and to speak with family about your decision to donate.

Your club can help share the news about National Eye Donor Month this March by ordering free publicity materials and placing them in your community. Saving Sight offers posters and table tents for public display (see what they look like here: www.saving-sight.org/request-materials-national-eye-donor-month-march), and if you would like to host an eye, organ, and tissue donor registration drive in your community, we can send additional materials and instructions. Please contact the communications department at 800-283-1982 x115 or pr@saving-sight.org to place your request.

Take the opportunity this National Eye Donor Month to join us in saving sight:

1. Learn more about eye donation at www.saving-sight.org.
2. Pledge to be an eye, organ, and tissue donor on the donor registry at www.missouriorgandonor.com.
3. Speak with your family and friends about your choice to donate.
4. Share the message of donation with others in your community.
