Special Olympics April 2014

Local clubs once again answered the call and gathered food items, packed and distributed lunches to hungry and worthy athletes at Hickman High School in Columbia. Columbia 20/20 Lions Club, Host Lions Club, Community Lions Club, Rockbridge Lions Club and Hartsburg Lions Club pooled their resources to help make the day memorable and inspirational!

Do You Know What Lions Are All About?

Each month we will feature one of the major Lions service activities in the state of Missouri. Please contact your Club, District Chairman or the MO Lions State Office for more information: Missouri Lions State Office P.O. Box 104535 - 2415B Hyde Park Road Jefferson City MO 65110-4535 (573) 635-1773 Fax (573) 635-2383 missourilions@gmail.com

Lions Clubs International Foundation LCIF:

Lions Clubs International Foundation, the grant-making arm of Lions Clubs International, brings help, hope and healing to the world. This is the part of Lions that has the power to do what smaller groups cannot do. LCIF enables Lions to tackle global problems such as blindness and hearing loss and respond to major catastrophes such as earthquakes and floods. But LCIF also helps Lions serve their local communities by partnering with them to build schools, health clinics and vocational training centers for the disabled. LCIF helps people to lead healthier and more productive lives. It combats needless blindness through cataract surgeries, building and equipping eye hospitals and clinics, and raising awareness of eye disease. [SightFirst grants](#) target preventable and reversible blindness worldwide but particularly in developing countries. Other grant projects include Habitat for Humanity, Affordable Hearing Aid, Special Olympics and many more. The Melvin Jones Awards is an award presented when a person or club donation reaches \$1000 within 5 years. District 26-3 has district LCIF raffle for every \$1000 collected. This gives smaller clubs an opportunity to receive a Melvin Jones Award. (District 26-3 has chairman)

Missouri School for the Blind in St. Louis Salutes their Heroes with Heroes

On Sunday, April 2, MSB welcomed more than 100 Lions to "A Night of Superheroes—Lions Night 2014." Lions were greeted at the front door and given their superhero capes. Then they enjoyed tours of student learning labs and life skills training classes, demonstrations, a silent auction, and a special musical performance by MSB students. MSB students and staff enjoyed showing their appreciation for all that the Lions do.

Superman, Batman, Ironman, Wonder Woman, Spiderman and more super heroes made an appearance to thank their benefactors in the Lions Clubs. All enjoyed a delicious superhero dinner and went home inspired by their experiences and the quality of learning available at the school.

A fun time was had by all!

New MU Campus Club Chartered in Columbia, May 4, 2014

Welcome to our newest Lions club. We had a jungle celebration of the Lions and Tigers. The new members were inducted as "knights of the blind" employing swords as they were knighted.

Thank you everyone for your help and support of our newest club.

See the new member list for the names of the MU Campus Lions Club members.

It's Time to Elect Officers for the 2014-15 Term

My, how quickly time passes! It is once again the time for each Club to elect officers for the upcoming Lionistic Year of 2014-2015. Also, the District Governor-Elect will be designating someone to create the District Directory for our District of 26-M3. To see that the correct information is made available to the Chairperson creating the District Directory the information needs to be sent to Lions Clubs International. This is very easily done by the Club Secretary via the Internet at LCI's website.

Here are a few steps to help the Secretary do this:

- (1) Go to LCI's Website at <http://www.lionsclubs.org/EN/index.php>
- (2) Click on "MyLCI" at the top of the page
- (3) Log on using the appropriate user name and password
- (4) Once logged on click on "My Lions Club" just below the Lion emblem
- (5) Choose and click on "Officers"
- (6) Then select term by clicking on "Next Year"—(that is if the information is being entered prior to June 30, 2014).
- (7) Then under each named officer to the right click on "Add Officer"
- (8) At the next screen click on "select member"
- (9) From the list, click on the member elected for the respective office and then click on "save"
- (10) Then once that officer is shown as confirmed click on "Go Back to Officers" or "Go to Home Page"
- (11) Do the same for each club office.

It is that time of year when we elect our officers for next year. Please enter your information on the website. If you need assistance call PDG Chuck Elledge [314-749-9508](tel:314-749-9508) and let him know your officer information.

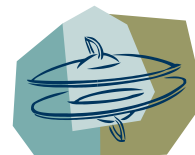

Student Band Update

We are still in need of your help. We are receiving applications almost everyday, which is a great thing!!! We are at 50 students for your Missouri Lions Band. We need 17 more to be able to get the second bus. **THAT IS ONLY 3 STUDENTS PER DISTRICT.** Right now the first bus is ready to bust at the seams. So we need some more and the way applications are coming in I am sure with your dedicated help we can fill the second bus as well.

If your club cannot sponsor a student by yourself get with another club and co-sponsor the student or have the parents help with the cost.

This year a student needs to get a passport or pass card—**it can take up to 6 weeks**. Another words, time is ticking away. We want to have a band that can bring home the gold for the Lions of Missouri. This year the band has a few honors to participate in when we go to the International Convention:

1. perform the parade with the Missouri Lions Delegation
2. perform a concert for the Missouri Lions Delegation
3. perform the parade for the incoming president of Lions International
4. participate in the International Convention Flags of Nations Ceremony.

This is something your band student will think is great especially when they become a LION. SO help us get the band we need to show all of the Lions of the world what the Missouri Lions is all about and what we can accomplish.

Today Is The Day to get that band student signed up.

Thank you for your continued support.

Yours in Lionism,
PDG Lion Ron Koppelman, Jr.
Missouri Lions All State Band Chair

More Volunteers Doing More Community Work in More Places than Any Service Club Organization

When it comes to meeting challenges, our response is simple: We serve. In over 200 countries, in hospitals and senior centers, in regions battered by natural disaster, in schools and eyeglass recycling centers, Lions are doing [community volunteer work](#), helping, leading, planning and supporting. Because we're local, we can serve the unique needs of the communities we live in. And because we're global, we can address challenges that go beyond borders.

We want everyone to see a better tomorrow. That's why we support [sight programs](#) and services including vision screenings, eye banks and eyeglass recycling. Provide eye care services to those at risk of losing their sight. And raise donations through campaigns like SightFirst and Campaign SightFirst II.

We believe everyone deserves a healthy life. From providing [health programs](#) that focus on [hearing](#) loss to supporting efforts to control and prevent [diabetes](#), Lions volunteers are working to improve the health of children and adults around the world.

We empower the next generation. Whether it's providing [youth volunteer opportunities](#) and leadership experiences in a Leo club or sharing a message of peace through our Peace Poster contest, our [youth programs](#) invest in the future by reaching out to young people.

We serve local communities – and protect the planet. From performing hands-on community work and service projects to providing emergency assistance, our [community and environment programs](#) improve our communities – and protect the environment.

There are many ways to get involved. Here are just a few of the many opportunities to do volunteer community work when you join the Lions:

[Community projects](#)

[Group volunteer opportunities](#)

[Become a host family](#)

[Community disaster preparedness](#)

[Diabetes awareness](#)

[Health Programs: Lions' Community Health Programs, Global Health Programs](#)

May Is Recycle for Sight Month

Usable Glasses Give New Life

Eyeglass recycling is one of the Lions most popular activities.

Refractive errors can be easily corrected with eyeglasses, yet millions in developing nations lack access to basic eye care services. Lions have recognized the urgent need for corrective lenses and continue to lend their support to the Lions Recycle for Sight Program.

Lions Recycle for Sight

Starting an eyeglass collection in your community can be an easy and rewarding activity that will raise your club's visibility and provide your fellow Lions with a great deal of satisfaction in serving others.

Contact local businesses, schools, libraries, places of worship, city administrative centers and eye care professionals. Invite them to assist with your collection efforts by [hosting collection boxes](#).

Use Lions Recycle for Sight [resources](#) for your collection campaign,

Send your collected eyeglasses, reading glasses, frames and sunglassess to one of the official [Lions Eyeglass Recycling Centers](#).

Report your club's eyeglass collection efforts via the online [Lions Club Service Activity Report](#).

Promote Your Club's Efforts

LCI provides a variety of tools to help you inform your community about your projects. Check out these resources and tailor them to your club's needs.

[A Club Guide for Collecting Used Eyeglasses](#)

[Public Relations Club Guide](#)

[Sample Press Release](#)

[Club Participation Form](#) allows you to promote your local eyeglass collection locations on the LCI website.

Lions and Walmart: USA Eyeglass Collection

In the United States, Walmart stores with Vision Centers have LCI/Walmart co-branded eyeglass collection boxes to facilitate the ease of eyeglass donations from the public. Glasses collected at these locations are sent by Walmart to designated official Lions Eyeglass Recycling Centers.

Building a Virtual Lions Club, Why and How

by [Gaute Holmin](#) | Apr 19, 2014 | [Cyber Lions](#), [Social Media](#) |

I've been a [Lions Clubs](#) member since 2010, and in February last year the general secretary of MD104 (*Norway*) asked me to look into the concept of "Cyber Clubs".

Our Cyber Club website.

What I found was that even though Lions International has written much about it, it's not really a concept, more listings of different tools you can use to build online communities.

So I gave up at first. But after the summer I started thinking about it again, and I decided to try and build a concept myself.

After talking to friends, both IRL and on social media, I found that selling Lions was more or less hopeless. Most people don't know what we do, and they lose interest when you try to explain.

So I decided that I needed to sell a cause. The cause I selected was bullying, especially [cyberbullying](#). Why? Because bullying is a big problem that Lions Quest can solve, and cyberbullying is the natural evolution of bullying with the introduction of social media.

This was very easy to "sell", and after recruiting my first five members, the rest was a walk in the park. After three months we had recruited 25 charter members and could start the club.

How did I recruit?

I mostly recruited members online through social media like Facebook and Twitter. I wrote a lot of [blog posts](#) about my idea and shared it.

A few members are my personal friends, some transferred from other clubs, and I recruited three people from a big network-meeting (*over 100 attendees*) where I held a presentation of the concept, but mostly the members were recruited through the use of social media combined with my blog.

I also spent about €35 on Facebook promotions.

Our goal is to end bullying.

That is of course impossible, but we need hairy goals! How? We have three main activities:

Build a website devoted to bullying and cyberbullying. The website is meant to be a resource for kids, youth, parents,

teachers, pretty much everyone. We will tell stories, share what Lions do against bullying, and what other great humanitarian organizations do.

Have a yearly youth-camp called "Camp #DigMob". This camp will be devoted to discussing bullying, having speakers talking about their experiences. Instructors from Lions Quest will (hopefully) be an important part of the camp.

Try to work together with other humanitarian organizations that also work against cyberbullying, find common ground and how we can help each other towards the goal of ending bullying.

How to the cyberclub work?

The website is based on WordPress.

We have a digital club house, based on bbPress.

Board meetings is done through Google Hangout.

Club decisions are made by having a poll in the digital club house.

No physical club meetings, but two yearly get together happenings.

How do we get funding?

The club was just chartered a few weeks ago, so we don't have any experience with this yet, but here are a few ideas we're working on:

Betternow.org - online micro-fundraising.

Getting companies as sponsors/advertisers.

Getting private supporters called "friends of Lions".

Training sessions in the use of social media to other Lions Clubs.

What's next?

As I said, we've just been chartered, so we need to find out what work-capacity our members have, what they want to contribute with, and what we need of funding.

In January 2015 we are planning to have an evening seminar about cyberbullying to test the interest of our Camp #DigMob idea.

And we already have two new members on their way in to the club :-)

IN REMEMBRANCE

June Kuklenski, the spouse of the late PDG Dr. Joe Kuklenski passed away April 12.

June was 85 years old. Lion PDG Joe served as district governor 1986-87 for MD -26H. DG Joe passed away in 1991.

PDG Alfred Marshall, II, of Charleston, died Wednesday, May 7, 2014 near East Prairie, from injuries sustained in an automobile accident. His wife **Nina Marie Marshall** died in the Emergency Room of the Missouri Delta Medical Center at Sikeston, from her injuries.

Our thoughts and prayers go out to all their families.

Health Programs that Focus on Hearing, Diabetes and More

Lions are known as "knights of the blind," focusing on programs and services for the blind and visually impaired – and aim to eliminate preventable and reversible blindness. But we also participate in other community health programs and projects.

Lions support local and large-scale global health programs to control and prevent [diabetes](#) and diabetic retinopathy, the leading cause of vision loss in adults of working age in industrialized countries.

Lions also focus on [hearing](#), with [screenings](#), [recreational camps for the deaf](#) and [hearing aid recycling programs](#) for children and adults.

And around the world, many Lions [service projects](#) have an impact on health. For example, Lions in the United Kingdom funded the first fully equipped ambulance for newborns in Bosnia and Herzegovina. And Lions in the Cayman Islands have worked to increase awareness and early detection of breast cancer.

Great Things Happen at Great Plains Lions Leadership Institute!

Have you thought about taking on a leadership position but didn't because of a lack of experience or knowledge? Have you thought it would be nice to broaden your leadership skills a little more before taking on any more responsibility? Have you been asked to attend leadership-type seminars in the past and after doing so, walked away with less than great results?

This is a three-day training curriculum that will teach you every aspect of leadership you can imagine, starting from the minute you arrive. The institute is filled with seminars, workshops, and lectures on subjects like time management, team building, delegation, change management, leadership styles, public speaking, communication and listening, project management, and conflict resolution, just to mention a few. The subjects are useful in every facet of leadership, not only as a Lion but also in your business and personal life. The institute will include dynamic presenters from across North America. They are well versed in the Lions organization as well as having the qualifications needed to facilitate the training to become a productive leader.
