

## **District 33S Summers of Sunshine Event Fundraiser for Camp Scholarships**

On Saturday, June 15 the Lions Clubs of Southeastern Massachusetts are having a fundraising event to raise money to send children with Type 1 Diabetes to camp this summer. Called "Summers of Sunshine", the event will be held at the Promenade Room at the Raynham Dog Track from 6:30- 10:30 pm. Cost of admission will include an Italian dinner and music by the popular group, the BaHa Brothers. Admission is only \$25 per person. There will also be raffles and silent auction items available to help raise the funds to send children to camp.

Last year, the Lions were able to 18 children to camp and are hoping to once again raise the money needed to help enrich the lives of children with Type 1 Diabetes this summer.

"Camperships" are in memory of Past Cabinet Secretary-Treasurer Lion Theresa Dunford, a Bridgewater Academy Lions Club member. If you are a parent and are interested in more information about how you can obtain a campership for your child, please contact the event chair, Cheryl Germaine, at the address noted below. The Lions Clubs of Southeastern Massachusetts cover the area from Abington to the Attleboros to all of Cape Cod and the Islands!
