Dedication

I would like to dedicate this year to so many people who have been my inspiration and to whom I owe a debt of gratitude.

- To PDG Wayne Smith who saw the Lion in me, sponsored me into Lions, and has been a mentor and friend,*
- To my home club, the Abington Lions, who have supported me in the club and beyond and encouraged me to take the next steps,*
- To the past International Directors and District Governors who are always there to lend a guiding hand, advice when needed, and always friendship and support,*
- To the great leadership team who have agreed to "take a chance and roll the dice with me" and work to make this a fantastic year,*
- To my fellow District Governors who are always there for me to give advice, problem-solve, and laugh!*
- To the Lions and Leos of District 33-S: you make this adventure such a joy! You are what makes "S" the Superior district, And finally,*
- To my family: my daughter Lara who has always been my sounding board and chief cheerleader, my son-in-law Daniel who pitches in to help without question, my sister Patty who has joined me in Lions because she has such a giving soul, and most of all, to my loving husband Ted who has been a source of inspiration, love, and even tough love on this journey we are taking together.*

District Governor Kathryn Salem

Dear Lions and Leos of District 33S,

What a wonderful district we have! I am continually amazed at the dedication and the work ethic of the Lions and Leos of District

33-S. I feel so privileged to be your governor for this Lionistic year. I am the coach and chief cheerleader of an extraordinary team. I can say that with ease because I have been able to see you in action; you don't just talk Lionism, you live it by your deeds while you are still able to have fun! Wouldn't it be terrific to share that enthusiasm with another person and give them the joy of being a Lion? If you think about it like that, we can grow our membership to new heights and serve even more people.

International President Gudren Yngvadottir has asked us to *Reach Beyond the Horizon* as we epitomize the "We Serve" theme of Lions around the world. Now we need to share our stories so our communities know about us and can reach out to us when in need. My major goal is to increase our service presence by adding a new project or by reaching out to more people with those projects we already do. How about using the Spot cameras to screen preschool aged children in your communities? We can help discover eye problems at an early age when they may be correctable.

If you are interested in knowing more about the activities and committees in our fantastic district, look to the great leadership team we have! First Vice District Governor John Babb, Second Vice District Governor Sandy Fife and Cabinet Secretary-Treasurer Lorraine Thompson each have a wealth of information to share with you. We have many additional great leaders including IPDG Deb Grassi heading the global leadership team, Deb Horner heading the global membership team and Jane Puccio heading the global service team. With leaders like them, we can't go wrong.

Our fundraising all helps to support LCIF, MLERF and those in need in our communities. With the dedication of each of you, we will be able to accomplish amazing things. I am so excited to be working alongside you!

Yours in Service,
Kathryn Salem

Serving Every Generation

Some people wonder if they will ever be remembered for what they did during their life on earth. The rest of us are LIONS.

John Babb, 1st Vice District Governor

Welcome to a new year of Lionism, and
District 33S Superior Service

I have been elected to be your 1st Vice District Governor for the 2018-2019 Lions' Year, and am excited to support District Governor Kathy Salem. DG Kathy brings a new level of enthusiasm and Lions spirit. DG Kathy's slogan is "Serving Every Generation", and I'm all onboard and request your participation and support. Individually, Lions are shining stars (service stars) in their community. And together, groups of Lions do tremendous projects supporting needy citizens and families across the District, and even the State.

DG Kathy has assigned her Cabinet positions to some very special and talented Lions. I am excited to be part of another great year of Lions projects, fundraising, community service, and membership recruiting. We'll have fun, we'll support Lions causes, we'll improve the District, the communities, and along the way we'll raise some money to support our causes.

My role is to support DG Kathy Salem in her plans and endeavors, and to support the growth of 2VDG Sandy Fife and CST Lorraine Thompson. I have served in these positions, and look to continue the success that District 33S has had with identifying, mentoring, and planning for succession for every District position. There are excellent opportunities for Lions to step up into the District, and I welcome more Lions to explore their opportunities.

My service as GMT, Leo Advisor, CST, and 2VDG, have opened my eyes to the excellent work done throughout the District, in every Lions Club, and by many Lions who desire no more than a thank-you following a successful event. I'm excited to work with you for this coming Lions year, so please let me know where I can help. Just ask!

DG Kathy has a great year planned, and it will go quickly. I look forward to seeing all of you, working with you, celebrating with you, and growing with you. Thank-you for all that you do!

Yours in Lionism, Lion John Babb
1st Vice District Governor, Somerset Lions Club

1st Vice District Governor Sandy Fife

Dear Lions and Leos of District 33S,

This past year has been an exciting year serving as your CST. I have learned so much to help me prepare for the coming years serving our District. I enjoyed visiting Clubs with IPDG Deb and meeting so many Lions. You shared your ideas and plans, and your enthusiasm for Lions is contagious.

Attending the International Convention was so rewarding. I look forward to serving as your 2 VDG under DG Kathy and under our first woman President, Gudron Yngvadottir.

This year I hope to work closely with DG Kathy and assist her and her cabinet in any way I can. I plan on visiting Clubs, working their events and continue to learn how I can help our District. Please send us your reports. These reports and the calendar in the newsletter help us know what you are doing. Feel free to ask for help at any event. Another tool International is now focusing on is MyLion. MyLion will help us connect with other Lions and learn from them. I am willing to assist you with MyLion if you need assistance.

This year as I visit Clubs I will be hoping to find Lions who are willing to assume new roles in the District. If you are interested in any position or committee, please let me know. Our success is my success and I look forward to mentoring any Lion who wants to move up in the District.

My theme moving forward is "Pride in Service". Our District continues to work well as a team with great leadership. Our focus on service in our community keeps Lions on the forefront and will help us increase membership. Let's ask others to volunteer on our service projects.

Thank you again for all your help this year.

Yours in Lionism,

2 VDG Sandy Fife

Lorraine Thompson

Hello Lions and Leos of District 33S,

Ready, set, goooooooo!!

I am here to serve the district, work hard, play hard and have a great year, all while supporting our DG Kathy (and making her shine). I look forward to meeting many of you and finally putting a face to the name. As CST, I hope to attend many functions I have not in the past and learn the many ways our district's clubs make the money we donate to support so many different causes.

Ready to go get 'em,

I am your CST for Lionistic year 2018-19,

Yours in Lionism,

Lorraine Thompson

International President's Message

We can reach a new world of service that lies beyond the horizon.

Dear Lion,

Growing up in my home country of Iceland has helped shape who I am today. It is a small but beautiful country with tight-knit communities of people who rely on each other and work together to meet new challenges. Just like Lions. This spirit of unity is a cornerstone of our motto and my presidential theme, "We Serve."

We serve the world, our local communities, our neighbors and each other with unmatched kindness and pride. We are a global force for good with a century of experience and compassion. When we channel the power of more than 1.4 million Lions, we can reach new horizons of service together.

We can do it by finding creative solutions to the challenges facing our communities. We can achieve more when we embrace new technologies. We can go further than we've ever gone before when we invite caring men and women to join us in service. It's true, we have achieved so much in our first 100 years, but together we can unlock our true potential in our communities and around the world.

When we embrace our ambitious future together, we will serve in a way the world has never seen before. It will be my honor to stand side by side with you as we serve beyond the horizon.

In friendship,
Gudrun Yngvadottir
Your International President

(International President Yngvadottir's programs and initiatives will focus around four key elements of Lions International that are important to moving the association forward: 1) Moving membership forward; 2) Increasing leadership development; 3) Promoting the fellowship of Lions; 4) Sharing our stories.)

GLOBAL SERVICE - 33S

The **Global Service Team** (GST) supports the service framework of Lions Clubs International (LCI) and the Lions Clubs International Foundation (LCIF) by empowering Lions Clubs and Leo Clubs to maximize impactful service, action and growth. The Global Service Team works in a five-pronged model of programs, grants, partnerships, advocacy, and engaging youth to support the five service areas of Lions:

- Diabetes
- Environment
- Hunger
- Pediatric/Childhood Cancer
- Vision

Individual Lions Clubs and Leo Clubs volunteer to address local humanitarian needs by mobilizing people and resources to deliver hands-on service and improve the overall wellbeing of their communities. Lions have a shared identity and responsibility to serve their communities through **SERVICE**.

GST PROJECT: Lions MD33 (Massachusetts) Low Vision Rehabilitation Network (LOVRNET)

The **LOVRNET** program is an initiative of the Lions of Massachusetts (MD33), with Lions Club International Foundation (LCIF) “Sight First” funding, to effectively coordinate the resources available to provide rehabilitative support to individuals coping with low vision.

District 33 S is also promoting vision screening through the use of the Spot Cameras and Eyemobile in an effort to reach preschool and school-aged children in our communities.

WE SERVE!

ABOUT LEOS

Leo Club Objective

To provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international community.

Leo Club Motto

Leadership- Develop skills as a project organizer, time manager and team leader.

Experience- Learn how teamwork, cooperation and collaboration can bring exciting changes to your community and the world.

Opportunity- Make friends and feel the rewards of community service.

Leo Club History

Coach Jim Graver started the Leo ball rolling in 1957 and chances are that ball was a baseball. Graver was the baseball coach of the Abington High School in Pennsylvania, USA and an active member of the Glenside Lions Club. With the help from his fellow Lion, William Ernst, the first Leo club was chartered on December 5, 1957.

As the world's first Leo club, Abington High School Leo Club created the Leo acronym – **L**eadership, **E**quality and **O**ppportunity – and chose their school colors, maroon and gold to serve as the Leo club colors. Later, Equality was changed to **E**xperience.

“A BRIEF HISTORY OF LIONISM”

Lions Clubs International began as the dream of Chicago businessman Melvin Jones in 1917. He believed that local Clubs should expand their horizons to the betterment of their communities and the world at large.

L.C.I. is the world's largest service Club organization with approximately 1.45 million Lions members in more than 46,000 Clubs, in 206 countries and geographical locations worldwide.

Lions' causes have included Sight Conservation, Hearing Services, the Leo Club Program, Youth Exchange, and International Relations. Also, the Lions Clubs are involved in a variety of citizenship, educational, health, social, recreational, and community services.

In 1925, Helen Keller addressed the Lions Convention and challenged the Lions to become *“Knights of the Blind in the Crusade Against Darkness”*. From that time on, Lions have been actively involved in service to the blind and visually impaired.

The motto of Lionism is *“We Serve”* and the official colors of the organization are purple and gold. Purple stands for loyalty and integrity, and Gold symbolizes sincerity of purpose, liberality in judgement, purity in life, and generosity to those in need.

The Lions emblem includes a gold letter “L” on a circular purple (or blue) field, and two Lion profiles on each side, each facing away from the center. This symbolizes our glorious past and a promising future.

Lions Mission

"To empower volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote International understanding through Lions Clubs"

Lions Vision

"To be the global leader in community and humanitarian service"

Lions Causes

In addition to serving locally, Lions and Leos support five global service areas: vision, hunger, the environment, childhood cancer and diabetes.

LIONS CLUBS INTERNATIONAL PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions Clubs.

TO COORDINATE the activities and standardize the administration of Lions Clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and be true to myself.

WHENEVER a doubt arises as to the right of ethics of my position or actions towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not as a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise: to build up and not destroy.

INVOCATIONS

LIONS PRAYER

Where Lions meet be present Lord
Weld all our hearts in one accord,
To do thy will, Lord, make us strong
To aid the weak and right the wrong. **Amen**

Lord of Lions, teach us to care for others, not only for the needs of those in want, but for our fellow Lions as well. Guide us in paths so that we may reveal to all the caring heart of Lionism. Strengthen us that we may bless, and humble us that we may serve. **Amen**

Oh, Heavenly Father, we thank thee for food and remember the hungry. We thank thee for health and remember the sick. We thank thee for friends and remember the friendless. We thank thee for freedom and remember the enslaved. May these remembrances stir us to service, that thy gifts to us may be used for others. **Amen**.

Dear Heavenly Father, thank you for the food and drink of thy servants, the hands that have prepared it and those that shall partake of it. Multiply it for the poor and needy throughout the world. Keep us ever mindful that we are here to do Your work and guide our hands and hearts to that resolve. **Amen**.

Lord, bless the Lions and guests assembled here this day. Bless the food that we are about to receive and give us wisdom and understanding that we may uphold the principles of Lionism. Help us to pursue with energy the objectives and ethics of our Association. Let us all maintain our simple purpose and serve people by giving our aid to those in need. **Amen**

Lord, hear our voice. Grant us strength and courage as we seek to serve mankind.

Strengthen our foundation of international goodwill. Continually remind us that we are here for the betterment of others, and, in so doing, sustain us in sincerity of purpose. Help us work to be successful in our obligations and in our responsibility to Lionism. Amen.

Lord, as we Lions gather here, we pause to offer up this prayer.

Bless this food that we partake and every effort that we make to build the community in which we live and place in our hearts the passion for worthy causes.

Bless all who serve and all that we do to serve humanity. Be with us always and bless our hands, homes and those we serve. Amen.

With our friends beside us, and no person beneath us, with the bonds of Lionism between us, and our worries behind us,

with our goals before us, and no task beyond us, with a thirst for knowledge, and a dream of a world free of darkness, we are thankful for our Lions friends and the meal we are about to share. Amen.

In our communion, together may we open our minds to understanding, open our hearts to compassion and dedicate our hands to the service of humanity.

May we share the blessings of service with those we love and may we be worthy of the nobility of our cause.

Let us show gratitude for the ability to be a light in the world. By all that is Loving and Just. Amen

Thank you for the fellowship we have shared and for the renewal of our vision.

Protect us now, as we go our ways, and grant us strength for the days and works ahead.

Give us the means for meaningful service, and the words to comfort others. Amen.

LIONS MEETING COURTESY HINTS

1. All Lions Clubs should provide flags, gong, gavel and other paraphernalia as necessary. The Lion Tamer should have these articles in their proper place prior to the beginning of the meeting.
2. The President should start the meeting on time and follow the procedures recommended by Lions Clubs International to open the meeting and to maintain decorum during the meeting. Programs should be interesting, informative, and well attended.
3. If a District Cabinet member is attending your meeting, your greeter should acknowledge their presence and properly introduce them to the members.
4. At the appropriate time, the President of the Club should ask the Cabinet member to make a few remarks concerning Lionism.
5. If you invite the District Governor to a Club function, send a letter stating the type of function and explain the duties you would like the District Governor to perform, as well as the date, time and meeting place. The Cabinet Secretary-Treasurer should be included in the invitation.
6. If the spouse of the District Governor is invited to attend, include the spouse of the Cabinet Secretary-Treasurer.
7. Please do not engage a speaker or have a program on the date of the District Governor's official visitation. It is advisable to check with the Vice District Governors if they require the complete meeting or if a regular scheduled speaker or program should be planned. In any event, schedule some time for the Vice District Governor(s) and their message.
8. Always acknowledge visiting Lions and guests. A visiting Lion or guest can be overlooked and made to feel like an unwanted stranger at a Lions Club meeting.

THE "BORROWING" GAME

The game of borrowing club equipment is a long-standing tradition in Lions Clubs to encourage interclub visits and have a little fun. However, there are a few sometimes forgotten ground rules that go with this game.

The game starts when the meeting is called to order and ends when the meeting is officially adjourned.

Limit your taking to the gong, gavel or tail twister's bank. The Club Banner is off limits at all times. It is just too easily damaged.

Cabinet members and Lions who are part of the evening's agenda are not allowed to partake in the "Borrowing" Game.

Special occasions such as Zone or Cabinet Advisory Meetings, or any public meetings and social functions, are off limits, including Mid Winter and State Conventions.

When item(s) are borrowed, the borrowing Club must notify the visited Club within 48 hours as to what item(s) were taken and when the Club meets again so the Club may retrieve the item(s) for a small donation to a Lion's Charity.

Above all, act in good taste, have fun, and enjoy the merits of the "Borrowing" Game.
