A Message From
District Governor
Robert (Bob) Coluci

I would like to start by saying thank you to everybody that has supported me. It is truly an honor to serve as your District Governor. It is all about serving those in need and giving back as a team. This is your District and I am working for you as the District leader. I respect every Lion as we are all in this together. I am excited about working with our new Cabinet which I think is awesome. 1st VDG Deb Horner and 2nd VDG Michael Middleton will be working with me to accomplish my goals and I will support them moving forward. The Global Action Team (GAT) team is there for you, so please use them. We will try to do orientation sessions and have a couple of ZOOM President's roundtable sessions. We hope to think out of the box and try new things. Covid has hurt our organization in many ways from membership to fundraising, but it is time to come together. We should all make an effort to move on and make our clubs successful to accomplish our goals and fulfill every lion's passion.

If you take my motto of "Compassion Thru Service" and International President Brian Sheehan's motto "Together We Can" it tells you a lot about the goals of the District for this coming year. We need to push membership to keep our District strong which will take every club's support and use of an action plan. We now have the Global Membership Approach

which is being chaired by PDG Kathy Salem. You will hear a lot about that this year.

LCICON2023 BOSTON CONVENTION we should all be supporting and promoting. This is a lot of work by the committees. We want to make sure all our Lions friends who will be attending in July come away with the fact that Boston had one of the best conventions ever.

I have some specialty goals and I need you to recommend them to your club to work on. We need to market and communicate to the public what Lionism is all about, what we do and how we help people thru all our causes. It is frustrating when you go out in the public and all a person may think Lions do is collect eyeglasses. Attached to this would be my request that you work on Service Projects relative to all our causes. Please promote service and use social media. These service projects will attract new members and promote member satisfaction. The Region Chairs, Zone Chairs and District Marketing Chair are there to help you with this.

Supporting our communities is critical in their needs, but at the same time Mass Lions Eye Research Fund and Lions Club International Fund also need our financial support.

Some clubs are struggling. I hope we all work together to make all the clubs be successful and function. Clubs need to work together and also work with non-Lion organizations.

I thank and applaud IPDG Martin Middleton for the great year that he had.

Please contact me should you have questions OR concerns. I'll try to answer my emails twice a day If it is urgent, you should text me. If I don't have an answer I will find someone in leadership who does. I look forward to seeing you during the year at your club or a function. Let's stay positive, motivated and work together this year. I am confident we will do great things this year and have fun doing them.

"We Serve"

Robert 'Bob' Coluci

Governor District 33S

A Message From
1st Vice District Governor
Deb Horner

I am grateful for the privilege to represent District 33S as your First Vice District Governor, and look forward to serving with District Governor Bob and his Cabinet.

Congratulations to IPDG Martin and District 33S for meeting his goal for LCIF. It was so successful Martin literally lost his hair!

Even though Covid is still with us and will most likely continue to be, we need to change our course of action and think outside of the box. Not many of us like changes, including myself! Yes, the world is changing at a fast pace, and it is sometimes extremely difficult to navigate. In my travels I have seen the following quote:

**"Life is changing all the time,
and if we fail to change with it
we get left behind."**

Some changes we would like to see are having more of our clubs reporting on MyLion with District Administrator (PCT) Nate Garran available to help if needed. Another change would be more marketing from clubs to increase public awareness of the services Lions provide in their communities. PDG Roland Grenier is available for assistance in this area. As you can see, the District Governor's team is ready to help clubs navigate through these changing times.

I am looking forward to visiting clubs to broaden my knowledge, meeting all of the amazing people who make up this Superior District, and to see if anyone is interested in taking a position on my future cabinet.

My passion is to grow membership through specialty clubs. If you have any ideas, or have a passion for a specialty club, please share it with me. K9 Lions Finn and Luna are trained Certified Therapy dogs who are with the Southeastern Massachusetts Paws of Comfort and we would love to meet with anyone interested.

Another Lions' year is upon us, and with it, the excitement and anticipation of the Lions International Convention and Parade coming to Boston in 2023. Join as a volunteer; you don't want to miss this opportunity. Let's have FUN while SERVING others and together we can help DG Bob achieve his goals.

Anything is Pawsible !

1st Vice District Governor Deb Horner

A Message From 2nd Vice District Governor Michael Middleton

Hello Lions and LEOs,

It's another great year to be a Lion! I'm grateful and honored that our district has placed its faith in me to serve as its 2nd Vice District Governor for the 2022-2023 Lions year. From the exciting start in Montreal to what will no doubt be an unforgettable experience in helping host the International Convention in Boston in 2023, I'm looking forward to what this year will bring. If there's anything I have learned from past VDG (and DG)s, it's that one learns a lot while serving. Whether it's discovering who serves on committees one may have only heard of in passing or finding out who to go to for an answer to a very particular request, a Lion's service journey is chock-full of opportunities to grow and discovering new things about our amazing organization & ourselves. I'm excited to do my part in helping others take the next step in district leadership and eager to personally learn more as I work with DG Bob, 1VDG Deb, and the rest of the cabinet to make this year a successful and enjoyable one. I'm sure if we all work together, it will be just that, because – as our International President's theme says – Together, we can! If there are events, meetings, or even informal meet-ups that your club is putting together and would like an extra pair of hands (or even just a pair of ears to listen) in attendance, please contact me. I'd love to learn more!

Yours in Lionism and service,
Michael P. Middleton 2VDG

A heart-felt thank you to my husband Jim for all his support that he has given me and all the times he has been "voluntold" to help out at Lions events. Thank you to my fellow Lion, Andrew, who has shown me the true meaning of Lionism.

Let's all remember why we became Lions and work together to make DG Coluci's year very special and help him achieve his goals as well as the District's.

Debbie Howland, CT

A Message From
Cabinet Secretary
Nancy Sullivan

To all my fellow dedicated Lions
and Leos in District 33S.

First and foremost,

*“Thank You!” for all that you do every
day as Lions.*

By way of introduction:

I have been a Lion for 18 years, serving with the Easton Lions Club in many ways (e.g., President², Secretary³, and numerous Committee Chairs). At the District level, I have served as a Zone Chair and Regional Zone Chair. Attending the USA-Canada Leadership Forum in Portland, Oregon was a treat. I highly recommend, if you can, that you go to this Forum. In my career, I have had a number of leadership roles: Superintendent of Schools, Executive Director of the Rhode Island Center for School Leadership, among others.

Given my career leadership roles, District Leaders have asked me to serve at the District level in the past. Bob Coluci, whom I have known for many years, convinced me that I could do the job as Cabinet Secretary, and I am committed to doing the best job possible to support him, and through him to support all of the Clubs in District 33S and have some fun along the way.

Nancy Sullivan, CS

A Message From
Cabinet Treasurer
Debbie Howland

To my fellow Lions and Leos of District 33S:

I am honored and humbled to serve District 33S as your Cabinet Treasurer and supporting our District Governor Bob Coluci for year 2022-2023.

I was introduced to Lions when my 5-year-old son, Andrew, who had struggled for years with his hearing, needed hearing aids and the Dighton Lions were first in line to help. I am forever grateful as they continued to follow Andrew's progress over the next 13 years at which time, they welcomed us both as members of the Dighton Lions.

The past 2 years have made us stronger, and we continued serving our communities during the pandemic without missing a beat. We have learned to be more flexible and have adjusted to whatever came our way. We are getting better in managing our new and ever-changing environment and adjusting to what our motto says "We Serve" to the best of our abilities.

I am proud to represent our members and clubs who are dedicated to serving others. We champion kindness in our communities and work to improve the lives of others. I can't wait to get out there and visit other clubs and see what amazing projects each of you are doing.

INVOCATIONS

Dear Heavenly Father, thank you for the food and drink of thy servants, the hands that have prepared it and those that shall partake of it.

Multiply it for the poor and needy throughout the world.

Keep us ever mindful that we are here to do your work and guide our hands and hearts to that resolve. Amen

Where Lions meet be present Lord
Weld all our hearts in one accord,
To do thy will, Lord, make us strong
To aid the weak and right the wrong. **Amen.**

Oh, Heavenly Father, we thank thee for food and remember the hungry.
We thank thee for health and remember the sick. We thank thee for friends and remember the friendless.
We thank thee for freedom and remember the enslaved.
May these remembrances stir us to service, that these gifts to us may be used for others. Amen

Lord, bless the Lions and guests assembled here this day. Bless the food that we are about to receive and give us wisdom and understanding that we may uphold the principles of Lionism. Help us pursue with energy the objectives and ethics of our Association.

Let us all maintain our simple purpose and serve people by giving our aid to those in need. Amen

We thank thee for the opportunity to pledge our service to our community, our nation, our fellow lions and all those who need our assistance. Help us to continue to make a difference in our communities and continue with our dedication to others.

Lord hear our voice. Grant us strength and courage as we seek to serve mankind: Strengthen our foundation of International goodwill. Continually remind us that we are here for the betterment of others, and, in so doing, sustain us in sincerity and purpose. Help us work to be successful in our obligations and in our responsibility to Lionism. **Amen**

LEOs Information

LEOs Objective

To provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international community.

LEO Club Motto

Leadership—Develop skills as a project organizer, time manager and team leader.

Experience—Learn how teamwork, cooperation and collaboration can bring exciting changes to your community and world.

Opportunity—Make friends and feel the rewards of community service.

LEO History—Coach Jim Graver started the LEO ball rolling in 1957 and chances are that the ball was baseball. Graver was the baseball coach of the Abington High School in Pennsylvania, USA and an active member of the Glenside Lions. With the help from his fellow Lion William Ernst, the first LEO club was chartered on December 5, 1957.

As the world's first LEO club, Abington High School (PA) LEO club created the acronym—Leadership, Equality and Opportunity— and chose their school colors, maroon & gold, to serve as the LEO colors. Later Equality was changed to Experience.

LIONS INFORMATION & PROTOCOL

TO SEEK success and demand fair remuneration or profits as my just do, but to accept no profit or success at the price of my self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and be true to myself.

WHENEVER a doubt arises as to the right of ethics of my position or actions towards others, to resolve such doubt against myself.

TO HOLD friendship to an end and not as a means. To hold that true friendship exists not on account of service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it has grown.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, to my aid to the weak and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise: to build up and not destroy.

Introductions Continued

11. Lions Members

12. Guests

* Speaking order is the reverse order of introductions.

MEETING COURTESY HINTS

1. All Lions Clubs should provide flags, gong, gavel, and other paraphernalia as necessary. The Lion Tamer should have these articles in their proper place prior to the beginning of the meeting.
2. The President should start the meeting on time and follow the procedures recommended by Lions Clubs International to open the meeting and to maintain decorum during the meeting. Programs should be interesting, informative and well attended.
3. If a District Cabinet member is attending your meeting, your greeter should acknowledge their presence and properly introduce them to the members.
4. At the appropriate time, the President of the club should ask the Cabinet member to make a few remarks concerning Lionism.
5. If you invite the District Governor to a Club function, send a letter stating the type of function, and explain the duties you would like the District Governor to perform, as well as the date, time and meeting place. The Cabinet Secretary Treasurer should be included in the invitation.
6. If the spouse of the District Governor is invited, include the spouse of the Cabinet Secretary Treasurer.
7. Please DO NOT engage a speaker or have a program on the date of the District Governor's official visitation. It is advisable to check with the Vice District Governors if they require the whole meeting or if the regularly scheduled speaker or program should be planned. In any event, schedule some time for the Vice District Governor(s) and their message.

8. Always acknowledge visiting Lions and guests. A visiting Lion can be overlooked and made to feel like an unwanted stranger at a Lions Club meeting.

THE BORROWING GAME

The game of borrowing club equipment is a long standing tradition in Lions Clubs to encourage interclub visits and have a little fun. However, there are a few sometimes forgotten ground rules that go with this game.

The game begins when the meeting is called to order and ends when the meeting is officially adjourned.

Limit your taking to the gong, gavel or Tail Twister's bank. The Club banner is off limits at ALL times. It is just too valuable and too easily damaged.

Cabinet Members and Lions who are a part of the evening's agenda are not allowed to partake in the "Borrowing Game".

Special occasions such as Zone or Cabinet Advisory Meetings, or any public meetings and social functions, including Mid Winter and State Conventions are off limits.

When item(s) are borrowed, the borrowing Club must notify the visited Club within 48 hrs. as to what item(s) were taken and when the club meets again so the club may retrieve the items for a small donation to a Lions Charity.

Above all, act in good taste, have fun and enjoy the merits of the "Borrowing Game".
