Message from 1VDG Sandy Fife

Hello Fellow Lions,

We are already more than halfway through the year! I just attended training in Chicago with my fellow Governors. Next year as I serve as your District Governor I will need and appreciate all your help. Your ideas are important to me. What we do right or what we do wrong! My success is your success! In order for our District to grow we need to give new Lions an opportunity to serve! Training is available online and by mentor. Training for many club positions will be held on June 2nd. The new positions within your own club will be discussed ~ Club LCIF Coordinator, Club Service Chairperson, Club Marketing Communications.

We have many Committees and positions that need to be filled. If you have any expertise or want to Co-Chair something, please let me know. If you are in a position and want to continue, *I want to hear from you.*

I can be reached by phone or text at 508-320-1654. By email at sbfife@comcast.net. Please feel free to contact me and we can get together to talk about your ideas and willingness to serve. Thank You

Yours in Lionism

Third Cabinet Advisory Meeting at Raynham Lions Hall

March 8, 2020, We had the honor of being visited by our Lions Clubs International President Dr Jung-You Choi and his wife Seung-BOK.

His message was for us to Serve with Membership Diversity. He Suggested we use the **(Just Ask)** Philosophy to expand our Club membership. He talked in length about we need to ask a person to join in your service projects because most likely they will not join without an invitation to do so.

Message from District Governor John Babb

NOTE: The Massachusetts Lions State Convention has been cancelled, originally scheduled 24-26 April. We will continue to monitor the opportunity to possibly hold a 1-day meeting at a later date. District elections (including our Council Secretary election) will be held on 26 April, using ElectionRunner software. Delegate nominations are due by 23 April.

This is my May newsletter. That means that I have 2 months left as your District Governor. I think that I would have written a better ending to my year, but the good Lord gives you what you can take, and how you manage the assignment is a reflection on yourself. Certainly, a sobering thought.

I hope that this newsletter finds you healthy and well. COVID-19 has changed the world, the way we live, the way we socialize, and the way we accomplish everyday chores. As I have said previously, the best that I can ask the District 33 Lions and Leos is to take care of yourselves, your families, your neighbors and communities, and your Lions and friends. We are a Service organization, and right now, that is what is required.

There are a lot of great ideas for serving your community out on the Web, Facebook, Twitter, and in the news. I will list a few below for your consideration. As of today (20 April), it has been reported that the South Attleboro Village Lions Club has made over 1000 cloth face masks. They have been donated to care facilities, hospitals, first responders, high risk family and friends. The fledgling Compassion Dogs Lions branch has been helping (and they are not even Lions yet). I know other Lions and Clubs are sewing also. Directions for face coverings are included in this newsletter – they may be with us for quite some time. (I am not looking forward to this year's tan lines.)

I have heard of food and medicine deliveries, food drives, social engagements, and fund-raising to benefit family aid services. One of the great ideas is to distribute green and red construction paper to your older or needy neighbors. Green gets posted in the window, and if you ever see red, then they need some assistance.

We have lost some Lions in the state, and I know of some who are suffering from COVID-

19. My heart breaks to hear of the sickness and passings. This is an event that those alive today, will never forget. Please lend help to those that you can help. Yes, mourn those that

pass, even if we don't get to say proper goodbyes. Cherish those around you, as tomorrow is another day, and we do not know what is around the corner.

We are nearing the close of this Lions year. In my previous (April) newsletter, I recommended using your fund-raising proceeds for your community. However, if you desire to donate for the end of the Lions year, the End-Year donations flyer is also in this newsletter. There are a lot of people hurting, so please think of them.

Paying your Lions dues may be a strain for those out of work. I ask the District 33S Lions Clubs to think of those challenges, and if you can offset some of the dues burden from your Administrative account, please do. If you know of those that you can not cover, please let CST Jane or myself (DG John) know. I will offer some of my Administrative account to benefit those that need relief, for Lions dues. As we pass into next year, in July, again, please consider those that may be out of work, and let's talk about what we can do to help.

Please don't drop your Lions if they can't pay their dues. Please communicate with me, and we'll see if we can help for a semester.

Next year's Lions Club Officer training is now scheduled as a series of web-based meetings on Tuesday June 2nd. 1VDG Sandy will provide a Zoom link to those that have communicated their next year Officer positions. Make sure that she knows (i.e. PU 101).

Our final Cabinet Advisory Meeting is currently scheduled for Tuesday 16 June. Stay tuned, as that may also turn into a web-based meeting, including awards. I yearn for the social contact, but the dangers of a crowded meeting outweigh the desires to hold the event.

District 33S Lions and Leos are the best. Your efforts never fail to amaze me. Thanks for your service, your advice, your energies, your humor, and your patience. Stay healthy, make the best of isolation, but remember to have fun!

Respectfully, District Governor John Babb

Mass Lions Eye Research Appeal Leader

Dear Lions of MD33,

I know that this is a very scary time we are living in right now and a lot of meetings, events and fundraisers have been canceled. One thing that has not been canceled is our support to help eradicate reversible blindness. How do we do that? By donating to Mass Lions Eye Research Fund Inc. so that we can help our researchers continue their projects that we have been supporting over the years. These researchers depend on our support to keep those projects going and if we cannot help them then their projects may have to be halted and they could lose several years of important research.

I am pleading with all the MD33 Lions and all our clubs to please donate any funds that were raised for MLERF in this Lionistic year. I'm asking this for the thousands of people who depend on the research that is taking place in Boston right now. The children whose eyesight can be saved, the mothers, fathers, grandparents who only want to be able to see their children's face, these are the people I am pleading with you to donate for.

If you want to go one more step, how about putting aside all the money you aren't spending on your daily coffee, lunch, dinners or drinks out with friends, or even the gas or commuting costs that you aren't incurring right now? Put that money aside in a jar for MLERF and donate it at the end of June. It is one way we can still make a difference. Remember Lions Change Lives, Lions Perform Miracles, we are Helen Keller's Knights of the Blind so let's show the world that we are still here and We Serve through so many different avenues.

I pray that you all stay healthy and well during this pandemic and we will come back stronger than ever in the second half of 2020.

Yours In Lionism,

PDG Jeanne Farrow

President MLERF 2019-2020

Use of Cloth Face Coverings to Help Slow the Spread of COVID-19

How to Wear Cloth Face Coverings

Cloth face coverings should—

- fit snugly but comfortably against the side of the face
- be secured with ties or ear loops
- include multiple layers of fabric
- allow for breathing without restriction
- be able to be laundered and machine dried without damage or change to shape

CDC on Homemade Cloth Face Coverings

CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), **especially** in areas of significant community-based transmission.

CDC also advises the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others. Cloth face coverings fashioned from household items or made at home from common materials at low cost can be used as an additional, voluntary public health measure.

Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the cloth face covering without assistance.

The cloth face coverings recommended are not surgical masks or N-95 respirators. Those are critical supplies that must continue to be reserved for healthcare workers and other medical first responders, as recommended by current CDC guidance.

Should cloth face coverings be washed or otherwise cleaned regularly? How regularly?

Yes. They should be routinely washed depending on the frequency of use.

How does one safely sterilize/clean a cloth face covering?

A washing machine should suffice in properly washing a cloth face covering.

How does one safely remove a used cloth face covering?

Individuals should be careful not to touch their eyes, nose, and mouth when removing their cloth face covering and wash hands immediately after removing.

CLOTH SURGICAL FACE MASK PATTERN INSTRUCTIONS

Step 1: Cut 2 of pattern A fabric right sides together, out 2 of pattern B fabric right sides together. Cut 2, 6.5in pieces of 1/4in elastic.

Step 2: Fold pattern A fabric 1/4in from end (as shown on pattern) top stitch down.

Step 3: Fold pattern B fabric 1/2in from end (as shown on pattern) top stitch down.

Step 4: With pattern A fabric right sides together, sew curved seam to create the center of mask with 1/4in seam allowance with a straight stitch. Clip curved seam to allow seam to lay flat.

Step 5: With pattern B fabric right sides together, sew curved seam to create the center of the mask with 1/4in seam allowance. Clip curved seam to allow seam to lay flat.

Step 6: Match pattern A and B at middle seam (nest seams) and stitch with 1/4in seam allowance both layers together at top and bottom (leaving ends open). Pattern A WILL BE LONGER THAN pattern B!

Step 7: Before turning right sides out, zig-zag stitch pattern A and B edges together at the nose of the mask (2in down from top point on both sides, 4in total).

Step 8: Slide wire between 1/4in seam allowance and zig-zagged edge at nose point, bend slightly around the curve.

Step 9: Turn mask right side out using the side openings.

Step 10: Fold pattern A (folded edge) down to meet pattern B folded edge, top stitch pattern A 1/4in from fold to form a tube end for elastic.

Step 11: Slide 6.5in piece of elastic through tube opening on both ends of mask (pattern A side), bring both ends of elastic together and stitch 1/4in, stitch back and forth a few times to secure the ends together using a straight stitch to reinforce elastic.

Step 12: Tuck sewn ends of elastic through tube and YOU ARE FINISHED!!

South Attleboro Village Lions Mask Project

Below is an update from Deb Horner a/k/a our own Mr. Rogers. A separate email will be sent with photos.

Here is an update on the Masks Project, also affectionately known as Mr. Rogers Neighborhood since we are all in this together in the neighborhood. Mr. Rogers would always talk about feelings and things we never really wanted to talk about i.e. scary things, reality etc. . . This is a reality we can't hide from and we need to face head-on. There are a lot of mixed feelings and anxieties going on in each one of us worrying about our families, family members who work as first responders and in nursing homes or our elder parents..... I really would like to know what Mr Rogers would say today. Being Lions and serving others we felt lost and limited, and we needed to help in some way.

At the beginning we would line up at Joanne's after a group text went out since they were giving out free mask kits. We would plan in the parking lot how we could sew and mass produce within our limits ... the kits were not enough and then we bought our own material and supplies, it grew with the washers and cutters of materials and people dropping off to make the kits to make from 5 to 10 masks and then we added a pipe cleaner and interfacing for more protection after all our material was washed and ironed.

Then King Friday Pat A, Lady Elaine Sabrina, Henrietta Pussycat Gail C, Queen Sara Joan W, Daniel Tiger Lorraine M, Lady Aberlin Norma K and Mr. McFeely Pat R. and Mister Rogers turned free kits and purchased materials into 1000 masks in three short weeks and we supplied them to the following people in the neighborhood and we are still serving with a SMILE!!!

Donations of these masks have been made to:

3 Hospitals, our own Sturdy Memorial, Kent Hospital/Pulmonary, and RI Hospital Trauma.

Town/City Nurses in North Attleboro and Attleboro to give out to people calling in.

Lunch servers for the public and school children curbside along with bus drivers delivering... church food kitchen and our Lions in food kitchens and pantry.

VA Hospital in Providence and VA Dental clinic as they are medicine runners from the pharmacy to the Vets.

Visiting Nurses Association/CVNA for staff and when they visit patients in the community

12 Nursing homes and 2 Senior Living Places

Dept. Of Correction workers

Post Office Workers and a couple of local Mail-carriers

Veterinarian office and a Pet food store

Stop and Shop Workers in 2 stores

3 Banks

Several Lions in our own District and 2 other Districts A and K

We also took care of our own Village Lions and some members of the S. Attleboro Lions, and our friends and families as a lot of our family are 1st responders or essential personnel, An Infectious Disease Nurse

We will leave you with this from Mr. Rogers himself....."When I was a little boy and I would see scary things in the news, my mother would say to me.....look for the helpers. You will always find people who are helping." The So. Attleboro Village Lions are the extraordinary helpers Mr. Rogers was talking about in these unimaginable times. We should all be very proud of our club and all that we do, not only with the mask project, but with all of the other good things we do. I am sure Mr. Rogers would be proud of us!!

District 33S Hearing Foundation

District 33S Hearing Foundation is presently in need of a few Advisors. The Hearing Foundation is looking for Lion members that would like to serve on the BOD Directors as a Director or as Advisors. The Hearing Foundation meets on the second Tuesday of each month from 6:00PM to 7:00 PM in Somerset, at **Ascent Audiology and Hearing, 1122 Riverside Ave, Somerset, MA 02726** The committee meets to review and vote on Hearing Application submitted by Lions Clubs of District 33S. All interested Lions should contact Hearing Foundation **President Email** hearing.president@district33s.org

NEW UPDATED Applications and Guidelines are on Line

When submitting an application for hearing assistance please be sure to use the **MOST RESENT** application that is posted online at District33S.org . This will prevent delays in processing application.

Check to see if the applicant is Mass Health Eligible (**Mass Health will pay for their hearing aids no need for Clubs to submit application**) these two things will ensure that there is no delay in processing the referral.

District S - Eye Glass Washing & Sorting

There will be No WASHING

Barnstable House of corrections is in Lockdown mode no one into or out. We cannot bring Glasses in or out!

We are still in need of mission or medical groups going to foreign countries that would take eye glasses!

This is a District wide event and is open to all clubs. Mark your calendars and invite your members to come and help with this project. This is a great opportunity to meet and catch up with other Lions from the District..

For more information or a project please call me at 508-336-3637 or via email at nate@natehelge.com . Looking forward to your help on the next events.

If any clubs are looking to wash eye glasses as a club event, twinning or zone project we are willing to travel if you have the place for washing.

GREATER ATTLEBORO LEO CLUB

Greater Attleboro Leo Club for March 2020 District Newsletter

GREATER ATTLEBORO LEO CLUB

The Greater Attleboro Leo Club filled over 9,000 plastic colorful eggs for their annual Easter Egg Hunt at 2 recent Leo Club meetings. School and school activities have been cancelled at this time so the Leo Egg Hunt this year has been postponed.

Candy was donated by Leo members, Leo club advisors, and members of the Lions Clubs of South Attleboro.

Leo Club sponsored an eyeglass and hearing aid collection project for Attleboro High School. 7 Collection boxes were placed in various locations at the high school as well as at the Superintendent's office for 4 weeks. 236 pair of eyeglasses were collected.

Leo Club also donated 40 bags of non-chocolate candy to Operation Shoe box this month. This candy was from the Leo club sponsored Halloween Candy "take back" event.

NORTH ATTLEBORO LEO CLUB

So far this year North Attleboro High School Leos have 80 students signed up and have been meeting since September. The group has completed four projects with a few others underway. The completed projects include volunteering at the Falls Halloween Party, the Roosevelt Halloween Party, the Community Family Night, and the Clubs and Activities Fair at the High School

OLIVER AMES HIGH SCHOOL LEOS

Leos donated \$150 for Eye Research

December:

- Leos participated in a Bake sale fundraising in the Rockery on December 7th. This event was sponsored by Easton Lions club.
- Organized Winter clothing drive in Oliver Ames. along with the jackets and coats collected, we also collected and donated basic needs for Brockton Homeless shelter.

January

- With the raised funds, Leos made 50 bagged lunches for Brockton Homeless shelter and it was delivered.

March

- Made cuddly bears and lions to be delivered to the Children's Hospital in Boston.
- Leos were invited by Easton Lions to take part in Easton Lions club's Charity auction.

A poster for CPR classes. At the top, a dark red banner with white stitching contains the text "SAVE A LIFE" in white, bold, sans-serif capital letters. Below the banner, the words "L E A R N C P R" are spaced out in a dark red, sans-serif font. In the center is a dark red heart with a white ECG line. Below the heart, the words "CPR CLASSES" are in large, bold, black, sans-serif capital letters. Underneath, in smaller black, sans-serif capital letters, is "FIRST TUESDAY OF EACH MONTH", "THE LAKEVILLE LIONS CLUB", and "170 MAIN STREET, LAKEVILLE MA". Further down, in a smaller black, sans-serif font, is "FOR MORE INFORMATION VISIT WWW.LAKEVILLEMALIONS.ORG" and "ENROLLMENT IS LIMITED. REGISTER EARLY". At the bottom are three logos: on the left, a Lakeville Fire Department logo featuring a fire truck and the text "LAKEVILLE FIRE DEPARTMENT MASSACHUSETTS"; in the center, the American Heart Association logo featuring a red heart with a white torch and the text "American Heart Association® life is why™"; and on the right, a Lions Club logo featuring a blue circle with a yellow "L" and the text "LIONS CLUB INTERNATIONAL".
