Message from District Governor Sandy Fife January Newsletter

Dear Lions and Leos of District 33S,

Happy New Years to all of you! Hopefully we got to share much needed time with family and friends either in person or on zoom. Hope is here in the form of a vaccine but please don't let your guard down just yet. Continue to wear a mask, wash your hands and maintain the social distancing and group guidelines until all our Lions, family and friends have the opportunity to get the vaccine. We realize many Lions and friends still don't feel comfortable going out and may stay away from social gatherings. Please connect with your Lions and friends over the winter by sending a card, a phone call, or reach out on social media.

JANUARY ~ HUNGER AWARENESS MONTH! ~ January is hunger awareness month. With so many doing remote learning the need in our food pantries is so much greater. Kids no longer have access to hot meals at school. District 33S would like to do a "no contact" food drive in each club. Lions would collect food, and assign a Lion to take it to the local food pantry. If you cannot get out of your house and want us to do it for you please see the flyer in this newsletter from Hunger Relief Coordinator, PDG Bev Dillon. If you could let us know if you participate we can do a final report on the project and see

what impact we have made!

JANUARY 11TH ~ 7 pm Zoom Meeting with Presidents, Secretaries, Members with the Global Action Team, Zones and Cabinet ~ Informational Meeting to District goings on in our District, Multiple District and thoughts of Spring!! Please join us. Link has been sent to Presidents and Secretaries.

LEOS TO LION PROGRAM ~ If your Club has a Leo's Program or want to start a Leo's Club please make sure you tune into the Business Meeting at the Mid-Winter on January 23rd. Roxanne Stec from Lions International will be speaking on the Leo to Lion Program.

STRENGTHENING YOUR CLUB ~ It's no secret. The most effective Lions clubs regularly identify ways to expand their humanitarian service impact, develop leaders, and meet club members' needs and expectations. They want to continually bring value to the community and to club members. There are many tools on LCI that can help you do that. The BLUEPRINT FOR A STRONGER CLUB looks at club operations, service, leadership and membership and helps club leaders establish goals and a plan for success. CLUB QUALITY INITIATIVE, CLUB AND COMMUNITY NEEDS ASSESSMENT, MEMBER SATISFACTION GUIDE AND HOW ARE YOUR RATINGS are tools that LCI has developed to improve your members experience. All these are found on the LCI website and could be explored at a club work session with the Board of Directors and members.

CAMPAIGN 100 ~ WHY do we join Lions? To help, to lead, to plan and support our communities and global causes. Being a Lion is unique as we are local. supporting our communities and global. addressing the challenges that go beyond borders. Changing the world. It's why you became a Lion. It's also why Lions Clubs International Foundation – our foundation – is empowering your service through its most ambitious fundraising campaign in history. The need in the world is so great that LCIF empowers Lions to have a shared commitment to increase our service impact, fight diabetes and make meaningful progress in our global causes. How can we all help? Make LCIF your charity of choice and make a pledge. Contact donorassistance@lionsclubs.org, call 630-203-3836 for more information or ask IPDG John Babb, LCIF Coordinator to come and speak at your club meeting. We can make a difference and your Club gets credit for the donations.

TAX YEAR END DONATIONS ~ Do you often give to charity at year end when you file your taxes? Have you ever considered making LCIF your charity of choice? Please read the update from our LCIF Coordinator ~ IPDG John Babb on how this can help your own Club while giving you a personal tax deduction or call me 508-320-1654 for more details.

DUES RELIEF ~ these past 6 months have been very difficult for our members. Many have been furloughed or lost their jobs. IPDG John set aside some money to allow District 33S to help members impacted by COVID-19 financially to assist with their LCI dues. If you have a member who has reached out to you with a hardship please let CST Nadene or myself know. July-December Semi Annual LCI dues per member are \$21.50 (regular member) or \$10.75 (per family member). Unfortunately we cannot assist with Multiple District Dues (\$1.50 semi-annual) or District Dues (\$3.75 semi annual). All requests will be kept confidential.

ENVIRONMENTAL PHOTO CONTEST ~ Following Facebook of the Clubs I know many of you are amateur photographers! Each year our District hosts an Environmental Photo Contest with 4 categories ~ Animal Life ~ Plant Life ~ Landscape Life ~ Weather Phenomenon. These photos are judged at Mid-Winter and the winner goes to State Convention where they can win \$250!! Please see flyer in the newsletter for details. **DEADLINE January 15th!!!**

COOKBOOK DISTRICT 33S ~ The Cookbook is available by contacting Lion Gladie Hall, PDG Kathy Salem, CST Nadene Martin or myself. \$15 or \$20 to mail. Checks can now be made directly to MLERF but forwarded to CST Nadene to track sales.

MLERF SIGNATURE PROJECTS ~ PENNIES FOR SIGHT, JOURNEY FOR SIGHT AND MEMORIAL or IN HONOR

CONTRIBUTIONS ~ How does your Club motivate members to contribute to these important projects?

~ The **Pennies for Sight Program** was created as another vehicle for Lion's clubs to generate funds for MLERF, literally one penny at a time. Lions clubs distribute penny canisters containing the MLERF logo at local businesses or other venues. Program motto: "Your change changes people's lives". Any Lions club that donates \$100.00 receives a Banner Patch. Once a club has received the banner patch, in any year in which they make another \$100.00 donation, they receive a rocker patch for that year. We have new canisters and labels for old canisters.

~ The **Journey to Sight Program** began after the 1982 Lions Clubs International Convention. It was an idea created by Lions Clubs International designed to enable Lions Clubs and Districts to raise funds for sight related activities and increase Club and District visibility and reputation in their communities. Massachusetts Lions Eye Research Fund, Inc. adopted "Journey to Sight" shortly after the 1982 International Convention and later changed the name to Journey for Sight. The first Journey for Sight Weekend was held in May of 1983. The initial idea was for all Clubs to hold a Journey for Sight project on the same weekend of May each year. The purpose of this project was to generate additional funds for MLERF over and above a Lions Club's usual annual donation. Today, Journey For Sight projects occur all year long throughout the five Lions Districts (Y-A-N-K-S).

~ **Memorial and In Honor of Contributions** ~ Envelopes are available for Clubs to give a memorial donation or in honor of an active member or organization. All donations are tax deductible as MLERF is a 501 © 3 organization. A donation to honor our first responders would mean so much to our communities.

Ideas for **Pennies Collections SPRING !!** ~ Canisters are available for members or for local business. Clubs can work with business such as Dunkin Donuts and do a Pennies for Sight Drive one morning a month in the Spring!!

. **COVID 15 LBS WEIGHT LOSS CHALLENGE** ~ to benefit MLERF!!! ~ After the holidays!!!! \$25 to join. Checks to MLERF. Contact CST Nadene and just \$5 per month if you don't take off at least 1 lb per month (self-tracking). On June 1st we will weigh in and pay up! Once we get a group we will do a monthly zoom support call ☺

PHOTOS WANTED ~ MID WINTER 2021 ~ Due to COVID 19 and the health of all our Lions the Surf's Up Mid-Winter will be virtual! It will be held January 23rd, 2021 from 9 am – 2 pm. Speech Contest ~ Business Meeting ~ Key Note Speaker ~ Awards ~ Candidate Introductions and Speeches!!! LCI has approved our guest speaker ~ PID Dr. Jose Marrero from Puerto Rico!!! To showcase our Clubs and Members during the break we would like to include a slide presentation of our Clubs service projects. I am asking each club to send me 2- 3 photos of their Club doing a service project. Please note the project in the email. Pictures will also be downloaded off of Facebook. Slide show will be shared before and after the event. Please also see flyer in this Newsletter for registration and details on the Mid-Winter. Registration will be needed for judging Environmental Photo Contest.

AMAZON SMILE ~ Shopping Online!!! Do you know you can earn money for MLERF just by shopping on Amazon BUT you must first log into **smile.amazon.com** and register your charity of choice. Smile Amazon is the same Amazon you know. Tell your family and friends! Register once and each time you order 0.5 percent is donated to MLERF or your charity of choice. Need help see PMLERF/PDG Roland or myself.

TRAINING ~ EMERGING LIONS LEADERS (ELLI) (March 12-14) AND REGIONAL LIONS LEADERS (RLLI) ~ (April 9-11) Times maybe shortened due to COVID and virtual training. Please see additional information in this newsletter.

AWARDS ~ if you are thinking of presenting an award at Mid-Winter we need to know asap. If you would like to present a Melvin Jones, Sight Award, Hoyle Award or Heller Keller Award please see more information or applications in the Newsletter. The Lions of the year, Sime Award, will also be awarded to the Club with the largest donation, per capita to MLERF for 2019-2020.

MID WINTER ~ MID WINTER WILL TAKE PLACE January 23rd, 2021 by Zoom. Times 9-2.

8:30 am ~ 10:30 am ~ Voting on Environmental Photo Contest (Registration Required)

9:00 am ~ 10:30 am ~ Business Meeting w/Candidate Speeches

10:30 am ~ 10:45 am ~ Break w/PowerPoint Donations

10:45 am ~ 11:45 am ~ Youth Speech Contest

11:45 am ~ 12:00 pm ~ Break w/PowerPoint Service Projects

12:00 pm ~ 1:00 pm Keynote Speaker ID Dr. Jose A Marrero ~ Questions & Answers

1:00 pm ~ 2:00 pm ~ Awards

The meeting will start with the Business Meeting, including Candidate Speeches, the Speech Contest, Our Key Note Speaker ID Jose Marrero, MD, and Awards. The Virtual link will be sent out in January. We ask you all tune in to make this year a success. Clubs are asked to send photos of members doing service projects asap to Governor Sandy. More information in the Newsletter!!!

GOALS UPDATE ~

MLERF and LCIF Financing Goals ~ Thank you to all who have given Mid Winter Donations. This year many Clubs have struggled with fundraising. I thank you for any amounts you could give. Totals will be given at the Mid Winter and in the February Newsletter. Mid Winter Donations are due to CST Nadene by mail January 15th!! LCIF donations for Melvin Jones and Humanitarian efforts will also be included. The District will announce a new fundraiser for Pediatric Cancer for February. February is Childhood Cancer Awareness Month. **THIS YEARS MLERF ANNUAL DIRECTORY IS ON OUR WEBSITE.** Historical Club giving is listed in Directory.

Membership & More Service Goal ~ Plus One Membership ~ December is often a tough month for membership with more drops than usual. As of this writing we were down 16 members. Please call your members before you drop them to find out why they are not participating or have not paid their dues. Remember there is dues relief as previously stated. Looking forward to spring please reach out to GMT Kathy Salem or myself for help with Membership Drives. Please think about bringing in one new member this year to help us reach more people in our communities and around the world. One new Lion can provide 70 hours of service a year.

Reporting Goal ~ Increase Reporting to 50% ~ Thank you to Club Secretaries who tuned in to learn how to use MYLCI and MyLion. 19 Clubs attended the training. Now if you are having trouble reporting please contact myself, PCST Jane Puccio or Lion Sabrina Boulay for assistance. We also will be reaching out to you starting in January.

Thank you for all you've done in the first half of my Governor year. I appreciate all your help and support. You remain positive even through difficult times. Your passion for Lions continues to shine in your daily actions.

Stay warm, stay safe. Let us know if you need help in your club. If you need to contact me please feel free to call me at 508-320-1654 or email me at sbfife@comcast.net.

Respectfully Submitted,

Sandy Fife ~ District Governor 33S

North America Membership Initiative (NAMI)

NEWS from the Global Membership Team (GMT)

HAPPY NEW YEAR LIONS AND LEOS! Wow, what a year 2020 has been! It is time for us to come out of the shadows and ROAR again! Let's let all our community members know we are still there to serve and we would love to have them join us. Now is the time to **JUST ASK!**

Congratulations to the **Abington, Bridgewater, Bridgewater Community, and SE MA Paws of Comfort** who, in addition to those clubs mentioned the last two months, have all added new members this Lions year!!! Well done! Fourteen Clubs so far! Let's get all 48 of us into the positive by year's end!

How many more clubs can we add to this list next month?

Our "Pride" is only as strong as the individual Lions in it.

We have seen some "housekeeping of our members as usually happens in December when we have not receive the dues money from some members. Now is the time to reach out to those now former members and see if there is some way we can help them so they can reinstate as Lions! Let's not lose them forever. They joined because they wanted to serve; let's help them to do just that.

We added two new members to the ROAR list. Congratulations to Lions Laurie LeBeau and Sasha Horton from the Somerset Lions who submitted their paperwork last month. Well done! Congratulations also go to Lion Scott LeBeau for completing his first year of the Pride program. We are still awaiting the order of chevrons/rockers and PCST/ZC Lorraine Thompson and I will see to it that they are delivered to all who have earned them once we get them!

Your membership team remains committed to trying to help you grow your cubs, so please reach out to us! In the meantime, why not try one of those membership ideas you've seen in the newsletters?

Let's not do this alone! Let's ask more people to help us ROAR!

Want help? **JUST ASK!**

Wishing us all a Roaring New Year,

Kathy Salem
GMT Chair

COVID Weight Challenge

Let's get the COVID 15

15? Just about everyone has gained a few extra COVID pounds.

Lets' have some fun and raise money for our district

Here is the [Weight Loss Challenge](#)

Everyone that wishes to participate pays a \$25.00 entrance fee.

You follow whatever diet works best for you.

Everyone weighs in weekly on their honor.

If you lose weight, great if not or you gain, you \$5.00 to the district.

Not \$5 per pound, \$5.00 per week.

Lets' see how much we can donate during this time.

EYEMOBILE SCHEDULE 2020-2021

Due to the current situation with COVID 19, there are no bookings at this time.

Hope this finds everyone well. We continue to do our best to serve. Please contact me at
Katielilyp@gmail.com or 774-254-0006.

FEBRUARY 11, 2021 (WEEK 4)

- 
- General Knowledge Trivia ranging from history to movies
 - Open to anyone and everyone interested (not just Lions)
 - Teams play together using Zoom breakout rooms (so you do not have to be physically in the same room as your team)
 - Each week includes 4 regular, 3 bonus, and 1 final round
 - Points accrue over 4 weeks of play
 - First place prize to be split by the winning team is \$100.00!
 - Cost is \$50.00/team, which includes all four weeks of play
 - Teams can be up to 5 people (which would be \$10/person)

Contact Sam Reidy for questions or to join (samuel.reidy@gmail.com)

Lions Clubs Global Cause- Hunger Relief

Hello all,

Hope you all had wonderful holidays. Since January is Hunger Awareness month I am asking all clubs to participate in a campaign to donate food to local pantries. Start by assigning someone to oversee the drive. Have club members bring food donations to the chair's house. The chair would then donate the items to their local food pantry. Please don't forget your four legged friends. They are hungry too. If you prefer to take part in a more no contact way donations can be sent to me: PDG Bev Dillon, 30 Partridge Trail, Bridgewater, MA 02324. Please make checks payable to District 33-S. Don't forget to put HUNGER RELIEF PROJECT in the memo. Ten items will be purchased for every \$10.00 received. All of these donations will be distributed to local pantries as well. Let's make this 100% participation for Clubs in District 33-S. Please use the bottom of this notice to report your club's donations. We do make a difference.

Yours in Lionism,

PDG Bev Dillon

Hunger Relief Coordinator

FEEDING HUNGRY NEIGHBORS

When Lions see their community members struggling, they feel compelled to make a real difference. In Lowville, N.Y., Lions volunteer at a food pantry that serves up to 300 families each month. In this

remote area, many people live below the poverty line. And many do not have transportation to the nearest grocery store, 20 miles away. For these reasons, the town food pantry is a vital part of the community.

The pantry can
now serve as
many as 450
families each
month.

The lifeline of the pantry was a passenger van, which was breaking frequently, resulting in costly repairs. Lions need it to travel back and forth to a food bank 90 minutes away, pick up donations, and make deliveries.

Just as the van broke down for the final time, Lions received a nearly US\$20,700 Matching grant from Lions Clubs International Foundation (LCIF). With the funds, Lions purchased a cargo van and trailer and now can continue being a dependable part of their community.

Locals are thankful the pantry received this gift. "They help me out a lot when I need it," said one pantry patron. With the larger cargo space, the pantry can now serve as many as 450 families each month.

Hunger

lcif.org

**Lions Clubs International
FOUNDATION**

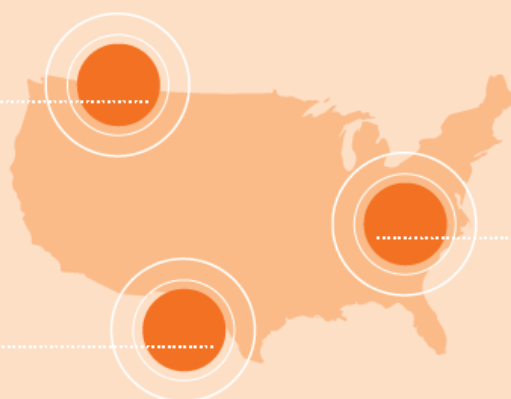

Hunger... a Complicated Challenge

Despite global production sufficient to feed the entire population, chronic hunger remains a chronic problem. Political and economic instability, rising food and energy prices, and climate change all contribute to this sad truth: Hunger-related challenges are urgent – even in this part of the world.

1 in 6

U.S. children is food-insecure
14.3M households suffer
food insecurity²

Nearly **5.5M** senior
citizens face hunger³

Annual cost of hunger/food insecurity:

- US\$130.5B in illness
- US\$19.2B in poor education outcomes,
lower lifetime earnings⁴

THAT'S HERE. GLOBALLY, THE PICTURE LOOKS LIKE THIS:

1 in 9

people is chronically hungry⁵

Chances of food insecurity ~10%
higher for women⁶

At least

50% of children
under age 5 have hidden
hunger

lack of essential nutrients⁷

2 billion

people lack regular access to nutritious
and sufficient food⁸

25% of children are stunted due to lack of
nutritious food⁹

33S Mid-Winter Trivia Night!!!

Who: District Governor Sandy Fife invites you to an evening of Questions and Answers. (aka Trivia)

What: 33S Mid-Winter Trivia Night

When: Friday, January 22, 2021 from 7:00pm - 8:30pm
(Doors open at 6:30pm)

Where: Virtually, of course!

<https://actblue.zoom.us/j/93584568499?pwd=Ml9MREhGOFdBUW5VWdUVHVtODBXZz09>

Meeting ID: 935 8456 8499

Passcode: iluvtrivia

How: To play, you'll need 3 things:

- 1) To attend the zoom meeting above;
- 2) Facebook Messenger; and
- 3) A team name

We will all be together in a big virtual game room to get the questions from the QuizMaster (1st Vice District Governor Martin).

You will be using Messenger to talk to your teammates (so you don't give away your answers).

Teams will consist of 4-5 people. If you don't have a team, the QuizMaster will pair you up with other folks who need teammates.

You can use either your computer or your phone, or both (though it will probably be easier on your computer).

So come on out (virtually) for some friendly competition and bragging rights! Do YOU have all the answers?

North America Membership Initiative (NoAMI)

Your NoAMI team has been working to try and improve our district by adding new clubs, adding new members, increasing our existing members' satisfaction with Lions and their clubs, and helping to support and train leaders.

Our teams are meeting virtually right now, so it is easy for you to join a group and add your ideas to the mix. There is a lot we can still do even if we aren't fully operational right now. Remember, ***this initiative is a “club up” initiative, not an “LCI or District down” one.*** The full team will be meeting again in mid to late January, so let me know if you'd like to be included!

If your club would like to do some re-orienting of members, contact me and we can help you with presentations to your members. Do you remember what all the acronyms mean or how you fit into the larger picture of Lions? Orientation is for ALL Lions!

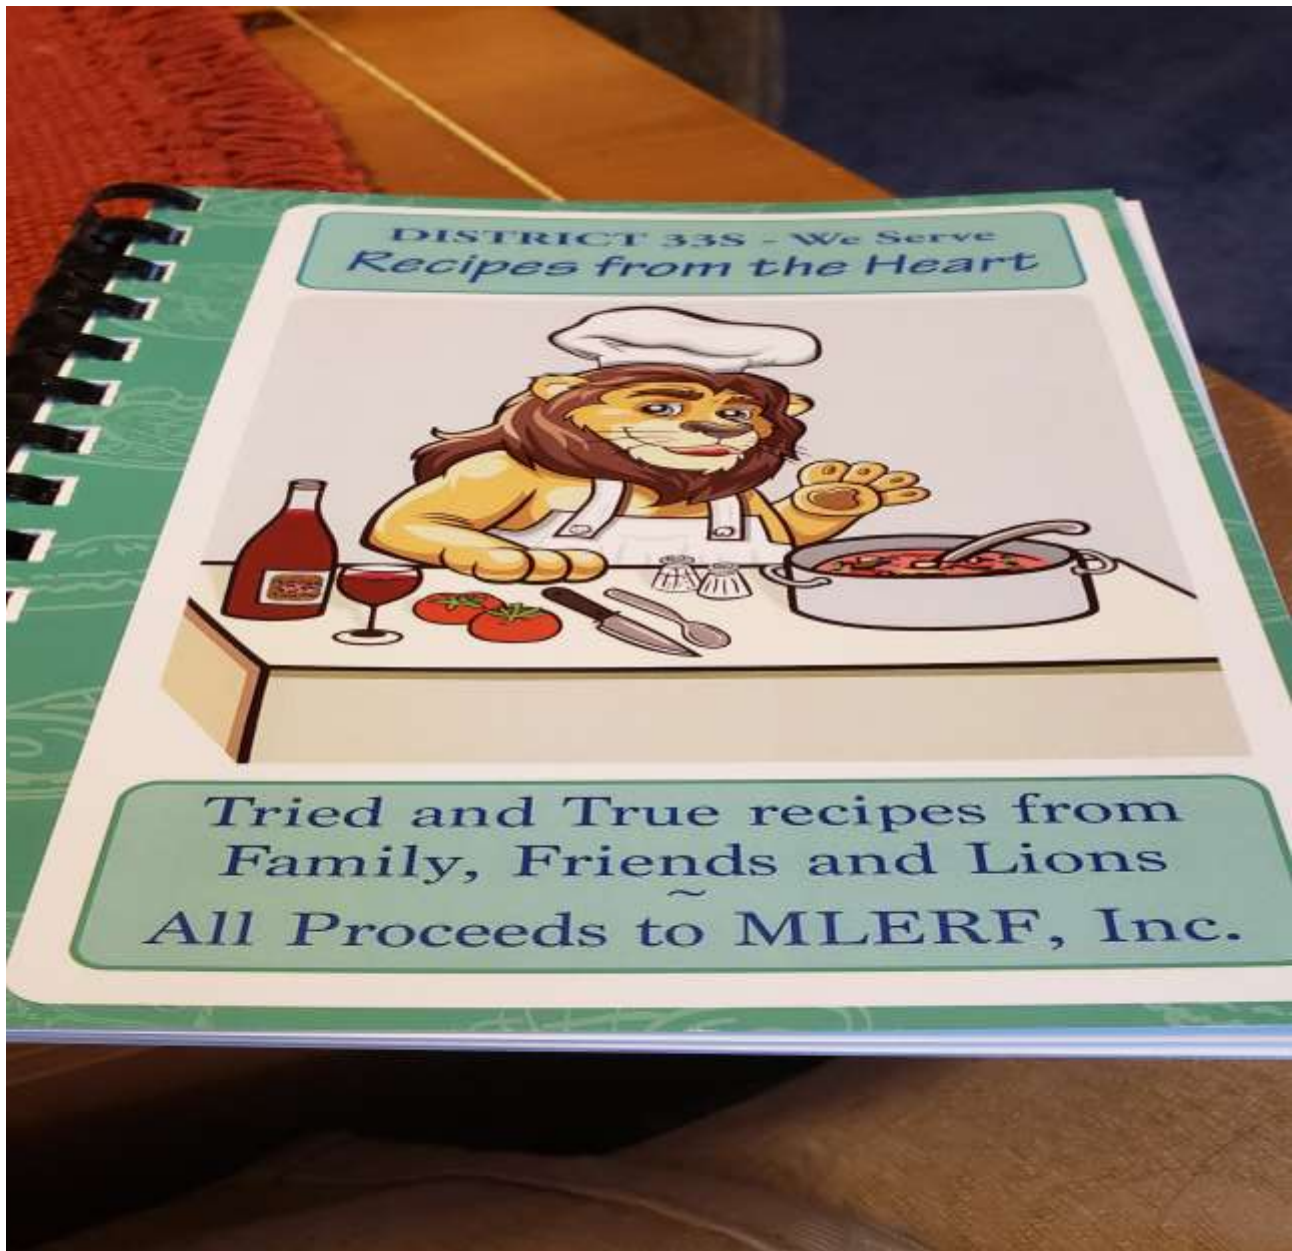

Keep your eyes open for some training being offered on conducting virtual meetings and improving our marketing. The members of the leadership support group are eager to help.

Don't forget to reach out to your fellow Lions through phone calls and regular snail-mail letters, not just by email and ZOOM meetings! People truly appreciate the personal touch. We can get on to being Lions again if we all stick together and help each other out.

WE can do this, but it will take ALL of us!

I will look forward to hearing from you!

Kathy Salem

COMMITTEE NEWS !!

CONGRATULATIONS TO THE DISTRICT 33S COMMITTEES WHO ARE SO HARD AT WORK!!

PLEASE SEE DISTRICT 33S MID WINTER REPORTS ON OUR WEBSITE!!!

Diabetes Awareness- Cheryl Germaine Chairperson

Diabetes Bookmarks have been distributed to all Club to be given to local schools, libraries and members. If your Club needs more please let us know.

Lions from around the world fight for better diabetes relief. They run initiatives and programs to improve the lives of those living with diabetes and helping others from developing type two diabetes. Together with the World Diabetes Foundation they have created global and local partnerships that assist people with diabetes and those at risk for the disease. Learn more by visiting lionsclubs.org.

Global Statistics

Diabetes is a signature cause of Lions around the world. Massachusetts District 33S Lions are dedicated to improving the quality of life for people with diabetes through research and diabetes awareness by educating the world on the need for diabetes research, programs and initiatives. Our goal is to reduce the statistics below in the coming years through service, investment, and kindness.

422 million+ people are living with diabetes

5 million deaths each year are a result of Diabetes

8th leading cause of death in the world

1 in 3 low income regions say they have the technology to diagnose and manage diabetes

We are looking for help with Diabetes Awareness. If you are interested please let us know.

HEARING FOUNDATION AND HEARING ADVOCATE

Due to the Corvid-19 the Hearing Foundation continues to meet primarily thru emails and has approved 3 applications this Lion year with 3 more potential applicants to date. In recognition of the support the District 33S Lion Clubs has given to the Hearing Foundation and of the financial struggles the Corvid-19 has placed on the Lion Clubs, the Hearing Foundation Board voted to waive the Club's \$200 sponsor- application fee for the Lions year 2020-2021. Donated hearing aids can be mail to our Somerset address or to my home- 24 Buckley St., Fall River, MA 02723. As the Advocate and Secretary contact with Spaulding and Morton is maintained. Assistance/ clarification is provided to applicants and Lion Clubs as requested. Forward any questions or concerns to the President, Rena Jacobson, hearing.president@33s.org or myself tefsb@aol.com .

Respectively submitted,

Lion Terry Berard

Secretary

Hearing Advocate

Eye Washing Committee ~ Chair Lion Nate Helgerson

We are still in need of mission or medical groups going to foreign countries that would take eye glasses! PLEASE FORWARD ANY CHURCH OR MISSION INFO

The Eye Glass Recycling Committee is holding eyeglass washing and bagging events plus separating of glasses for missions at the

Raynham Lions Hall

DATES TBD

PLEASE CALL OR EMAIL

This event is open to all clubs. Masks are required and social distancing is required. This is an ongoing project to come and help with this program and great opportunity to meet and catch up with other Lions from the District.

For more information or a project please call me at 508-336-3637 or via email at nate@natehelge.com .

Hand sanitizer is supplied and we all need to be safe!

Nate Helgerson

Webmaster ~ Chair Michael Middleton

The MD33 State IT Committee is offering to help clubs update their website from HTTP to HTTPS. This is an important update that will make your website safe to use whenever people visit your site. Every popular website that you use is most likely using HTTPS. As Lions trying to spread our message of service and information about our clubs, we should be dedicated to ensuring people's data privacy by updating our websites to HTTPS.

If you have questions, please email your District IT Committee Chairperson (

lionmichaelmiddleton@gmail.com) or the State IT Committee

(INSERT_EMAIL_ADDRESS_HERE). If you are unfamiliar with HTTPS/SSL or would like a basic overview of how it works, please watch this video:

<https://www.youtube.com/watch?v=SJJmoDZ3il8> ~Michael Committee News and Pictures!

Michael Middleton

Please check out our Website for the MLERF Directory and Eye Catcher Report.

Newsletter ~ Chair Lorraine Thompson

All Newsletter articles and pictures are due by the 20th of the month to appear in the following month's newsletter. Events should be entered no more than 2 months in advance of the event. All entries may be sent to newsletter@district33S.org . The District encourages sharing stories and pictures in our newsletter.

Youth Speech Committee ~ Chair 2nd VDG Bob Coluci

Youth Speech Committee is working on Virtual Guidelines and has held many zoom meetings with Speech Zone Chairs and the Youth Speech Committee.

Topic: ~ "IS WINNING EVERYTHING?"

Please tune into the Mid Winter Convention to hear the District 33S Youth Speech Competition!!! January 23rd. Invite will be sent to Club Presidents.

Pride and Roar ~ Chair ZC Lorraine Thompson

Start Tracking Pride and Roar for next year!!!

Pride ~ the objective of the PRIDE program is to give those Lions who always go above and beyond what is necessary to be considered an active member the recognition that they deserve. At the same time the program is designed to lead long time members on a path that will continue and strengthen their commitment to both the District and their individual clubs. This program cannot be completed without being actively involved in your own club's functions as well as helping out at the District level. The PRIDE program for Lions is a tool that can be used to help focus members to become and remain involved with the club, district, and their community. A handsome lapel pin awaits the Lion who takes advantage of the PRIDE program.

Roar ~ The Roar Program is designed to help new members become familiar and take new roles in Club Activities. The objective of the ROAR program is to build quality into our membership upfront by ensuring that potential members understand what is expected of them and for clubs to understand what new members expect from Lions. Club membership chairs and sponsors have an obligation to sit and discuss benefits and responsibilities of membership in a Lions club. They also have a responsibility to get the new members actively involved in club activities and to help them understand the great work Lions do at all levels. The ROAR program for New Members and their sponsors is one tool that clubs can use to help new members get and stay involved with the club and their community. A handsome lapel pin awaits the New Lion and Sponsor who take advantage. Roar forms are due August 1st to lionlorraine33S@ymail.com.

LODA ~ Lions Organ Donation

The District has accepted the resignation of Paula Doherty as our LODA Chairperson and thanks her for her dedicated service. If you are interested in organ donation and would like to chair this committee please let DG Sandy know.

Lions Organ Donor Awareness is tasked to raise awareness of the importance of registration as an organ and tissue donor.

Lions wishing to get involved in spreading this message, please e-mail us at Lionsorgandonation@gmail.com to learn more.

Literacy Program ~ Lion Bev Saccocia Chairperson

Hello I am Bev Saccocia, Chairperson of the Literacy project .While this is a difficult year in 2020 , the children need books more than ever. They are in school and at home. They have more alone time and I'm sure would love to obtain books to enrich their lives.

Because midwinter is virtual this year I'm not able to collect the books at this time. I am asking you either to email me with pictures of your book donations, and where they were donated or I will come and get them ,taking pictures there.

I have chosen January 14th to collect them. Please advise me where to pick them up. I live in Dennis Cape Cod so I need addresses and the time to meet you. I will deliver the books to schools ,community centers ,or homeless shelters whatever your choice is I will comply .

I appreciate your contributions and you will make a young ²⁵ child's life enriched. As of this time I would like to ask for preschool through middle school age books as that is the greatest need. THANKS to

Sandy Fife for appointing me to this project. Wish I could have done more. As the year progresses I hope to see you at the State convention if that is okay with Covid-19. Please continue your work that you have started.

Global Action Service Chairperson ~ Sharon Audette

The MD GST had a Zoom meeting with PID Gary Brown, from New York, who talked to us about their amazing diabetes partnership with Joslin-Syracuse. This meeting was put together so we could get some background on what they did for their partnership. Dr. Gabbay and Joslin-Boston are anxious to partner with the lions of MD33. Dr. Gabbay is familiar with the New York lions program.

At the end of August about 25 Lions of MD33 took part in Lions KidSight USA training. This training was done by PID Dr. Edward Cordes. After the training session there was a Certification Test. We now have Certified Screeners in our District.

On November 28th, Lions from 15 clubs in our district partnered with Outreachprogram.org in Pembroke to package 33,000 meals. Great job!

Thank you to the club Secretary's that have been sending me their monthly reports.

If anyone needs any help with their community service please reach out to me.

Yours in Lionism,
PDG Sharon Audette
District Global Service Chair

• LEHP COMMITTEE (Lions Eye Health Program)

January Newsletter

If you are visiting your eye doctor's office for routine eye care or for an urgent need, you may feel nervous about venturing out during the [coronavirus pandemic \(COVID-19\)](#). Rest assured that all medical professionals follow strict hygiene and disinfection guidelines.

New procedures for routine and urgent eye care during COVID-19

Limiting close physical contact is key to helping reduce the spread of the coronavirus. Symptoms such as fever, cough and shortness of breath can show up 2 to 14 days after a person is exposed. Although most eye care clinics are now scheduling in-person appointments, some may continue to offer "virtual" telemedicine visits over the phone or through video chat on a computer or smartphone.

For in-person appointments, staff will take several precautions to protect your health.

Expect changes to eye exams and procedures during the pandemic

- You should wear a mask to your appointment. If you do not have a mask, one may be provided for you.
- The clinic may ask you to wait outside, or in your car, instead of in the normal waiting room. This is to protect you, the other patients, and the office staff from possible virus exposure in crowded waiting areas.
- The clinic is likely restricting the number of people that enter. If you do not need someone to be there with you for the actual appointment, please do not bring anyone into the building with you.
- Your temperature may be checked on entry to the building.
- Your eye doctor may use a special plastic breath shield on the slit lamp machine they use to look into your eyes. They will also wear a mask, and may also wear gloves, goggles or a plastic shield over their eyes.
- Your doctor may ask you to wait to speak until after your eye exam is complete. Then they can talk with you and answer questions when they can be a safe distance from you.

You will be asked to follow certain precautions

- If you have a cough or a fever, or have been in close contact with someone who has these symptoms, you must call your doctor's office ahead of time and let them know. If your visit is not an emergency, you may need to stay home.
- If you arrive sick, your doctor may ask you to return home. If you have a problem that cannot wait to be seen, you will be asked to wait in a special room away from other patients. The clinic staff and your physician may wear additional protective equipment, such as gowns and gloves.
- If you need to cough or sneeze during your exam, move back from the slit lamp microscope machine. Bury your face in the crook of your arm or cover your face with a tissue. Wash your hands with soap and water right away.

Eye doctors are always available for eye emergencies

27

Call your eye doctor as soon as possible in the following situations:

- You have macular degeneration or diabetic retinopathy and get regular eye injections;
- You notice changes in your vision (like blurry, wavy or blank spots in your field of vision);
- You have an eye injury, even if it seems minor;
- You notice new floaters or flashes in your vision;
- You suddenly lose some vision;
- You have a red eye or eye pain, especially if associated with headache, nausea or vomiting.

How can the coronavirus affect your eyes?

The coronavirus can spread through the eyes, just as it does through the mouth or nose. When someone who has coronavirus coughs, sneezes, or talks, virus particles can spray from their mouth or nose onto your face. You are likely to breathe these tiny droplets in through your mouth or nose. But the droplets can also enter your body through your eyes. You can also become infected by touching your eyes after touching something that has the virus on it.

It might be possible for [coronavirus to cause a pink eye infection \(conjunctivitis\)](#), but this is rare. Keep in mind that whether pink eye is caused by a virus or bacteria, it can spread if someone touches that sticky or runny discharge from the eyes, or touches objects contaminated by the discharge. Wash and sanitize your hands frequently, and do not share towels, cups or utensils with others.

How to protect your eyes and health during COVID-19

Guarding your eyes — as well as your hands, nose, and mouth — can slow the spread of coronavirus. Here are some ways to you can keep your eyes safe and healthy during this coronavirus outbreak.

1. If you wear contact lenses, consider switching to glasses for a while.

There's no evidence that wearing contact lenses increases your risk of coronavirus infection. Consider wearing glasses more often, especially if you tend to touch your eyes a lot when your contacts are in. Substituting glasses for lenses can decrease irritation and force you to pause before touching your eye.

2. Wearing glasses may add a layer of protection.

Corrective lenses or sunglasses can shield your eyes from infected respiratory droplets. But keep in mind that they don't provide 100% security. The virus can still reach your eyes from the exposed sides, tops and bottoms of your glasses. If you're caring for a sick patient or potentially exposed person, safety goggles may offer a stronger defense.

3. Stock up on eye medicine prescriptions if you can.

Experts advise patients to stock up on critical medications, so that you'll have enough to get by if you are quarantined or if supplies become limited during an outbreak. But this may not be possible for everyone. If your insurance allows you to get more than 1 month of essential eye medicine, such as glaucoma drops, you should do so. Don't wait until the last minute to contact your pharmacy.

4. Avoid rubbing your eyes.

It can be hard to break this natural habit, but doing so will lower your risk of infection. If you feel an urge to itch or rub your eye or even to adjust your glasses, use a tissue instead of your fingers. Dry eyes can lead to more rubbing, so consider adding moisturizing drops to your eye routine. If you must touch your eyes for any reason — even to administer eye medicine — wash your hands first with soap and water for at least 20 seconds. Then wash them again after touching your eyes.

5. Practice safe hygiene and social distancing.

Wash your hands a lot. Follow good contact lens hygiene. And avoid touching or rubbing your nose, mouth and eyes.

If you have any questions about your eyes or your vision, be sure to ask your Eye Doctor.

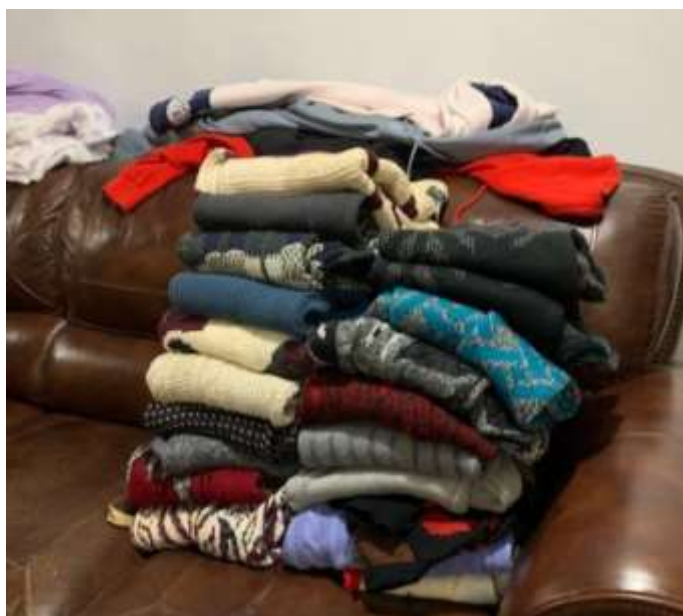

- **The Lions Eye Health Program** ~ (LEHP) is a community-based education program that allows Lions clubs, community organizations and individuals to promote healthy vision and raise awareness of the causes of preventable vision loss. The mission of the LEHP is to empower communities to save sight through early detection and timely treatment of diabetic eye disease, glaucoma and age related macular degeneration (AMD), and to encourage the appropriate treatment of low vision.
- Please visit www.lionsclubs.org to download and print materials locally.
- Respectfully Submitted,
-
- LEHP COMMITTEE (Lions Eye Health Program) District 33 S Committee Chair Lion Sharon Brown (Barnstable Yarmouth Lions)
