Nestled among a tree-lined forest covering 650 acres, our *National Historic Landmark* built in 1728. The Resort & Conference Center continues to offer unequalled hospitality, elegant accommodations and distinctive Southern charm that combines history and tradition with a seemingly endless array of indoor and outdoor activities.

Berry Hill features over 92 tastefully appointed rooms adorned with antiques, sleigh beds, four posted beds, towel warmers, in-room coffee, continental breakfast and wireless internet. The conference center offers 5000 sq. ft. of meeting space, a complete European spa, both fine and casual dining, a tour of the historic grounds that offer the perfect back drop for relaxing strolls, hiking, horseback riding, indoor swimming, tennis, biking, fishing, or other outdoor leisure games like bocce, croquet, horseshoes and more.

Please Note: The LIONS have negotiated a rate of \$109.00 plus taxes that ends September 8, 2017. With only 92 rooms don't hesitate to call early for your reservation under the LIONS group rate. An upscale continental breakfast is available in the hotel complex during the week. A Berry Hill Sunday Brunch is available from 10-1 PM with a reservation, or 24B can arrange for an earlier *All American Buffet* for \$15 (including gratuities) if you would like to make a reservation for a Sunday Fellowship Breakfast before checking out (requires a minimum of 25 persons). There will be a selection box for the Buffet on the Registration Form that will be available at the State Convention in May.

In addition to the Conference Luncheon and Dinner events Berry Hill also offers dining venues at Darby's Tavern (with a pool table) and the formal Mansion Dining Room. There is a Library lounge in the mansion for quiet gatherings.
