**District 24-C Fall Conference is fast approaching! We can't wait to be with all of our Lion friends!**

You are invited to come share in our Fall Conference as there are many exciting changes within Lionism and we will be offering up-dates. This will help your club to grow in membership and other ways to promote your club in your neighborhood and throughout District 24-C.

Lions International is sending us International Director Joanne Ogden. She is from Canada. She will be sharing her love of Lionism as she speaks to us during the Saturday luncheon. Her excitement for helping others, through her service, is very noticeable.

On Friday, starting at 2:00 – 5:00 pm, there will be a vision and hearing event showcasing the new OAE hearing screening device. The Friday evening buffet dinner will be followed by our traditional auction of items brought/sent to the conference. The auctioneer will be Lion Duke Yontz of the Wytheville Lions Club who is a professional auctioneer and we thank him for giving of his time to be with us! This will be followed by a time for socializing and drinks on “The Perch” at the Bolling Wilson Hotel on Main Street.

Saturday morning will begin with breakfast, from 7:30 – 8:30 am, followed by learning sessions and the Memorial Service. Following ID Joanne Ogden's message, there will be a presentation by Carillion Children's Pediatric Hematology/Oncology Clinic which serves all of District 24-C area and is one of the major focuses for our Lions Clubs.
