

DISTRICT 24-C FALL CONFERENCE

2020

I am excited to invite all Lions, Leos and Guests to the District 24-C Fall Conference. It will be held August 28 – 30, 2020 at the unique Mountain Lake venue. This will be an opportunity to enjoy this historic lodge and relax in the beauty of mountainous surroundings.

For your enjoyment, hiking, swimming and lawn games will be available. Most people equate Mountain Lake with the filming of the Golden Globe and Grammy winning movie, “Dirty Dancing.” You will be able to view many of the milestones of the filming throughout the property as the spirit of the movie lives on here.

The Mountain Lake Lodge is preserving its history and is an unairconditioned facility. Guests may bring a fan for their comfort in their lodging room. The temperatures are usually found to be ten degrees below the valley. Also, televisions will only be found in the common areas.

Our guest will be ID Billy J. Blankenship of Lafayette, TN. He will be sharing his experiences and knowledge of Leadership and Membership Building at our Saturday evening banquet.

Friday night we will have fun with “Dirty Dancing” and actually have line dancing instruction in preparation for our DJ and dancing entertainment on Saturday night. On the back of your Registration Form, please indicate songs you would like played for your particular dancing or listening pleasure.

Clubs are requested to bring items or baskets to be placed in a raffle which will be drawn at the Saturday afternoon session.

Saturday morning and afternoon will find very important information sessions. They will be presented by knowledgeable and interesting presenters. Saturday night we will hear from ID Billy Blankenship to be followed by our DJ and dancing. This will give us an opportunity to show off what dancing skills we have learned and just have a good time with our Lion friends.

As you may have gathered, this conference will be very casual – NO ties or fancy dresses!!

Please come and join me in one of District 24-C’s picturesque settings and renew your enthusiasm to grow Lions in our District.

My theme is **“TOGETHER” we Serve, Grow, and Share!** This is exactly what I hope to do at this conference.

Looking forward to seeing you at Mountain Lake!
