FALL CONFERENCE

Let's join together
to bring hope and dignity
to families in need.

At this year's Fall Conference,
we are collecting *All-in-One Twin
XL Bed Sets* called *Bed-in-a-Bag*
twin size XL (extra long)
in support of the Fredericksburg
region's oldest and largest
family homeless shelter.

Each family entering the shelter
receives fresh new bedding,
which they take with them
when they move into
permanent housing.

It's more than a bed!
It's a symbol of stability,
warmth, and a fresh start.

How You Can Help

Purchase and bring one or more *All-in-One
Twin XL Bed Sets* (pillow not required)
OR bring a check as a donation toward the
purchase of bedding.

All donations go directly to Loisann's Hope
House families.

Let's come together as Lions to give
not just a hand out but a hand up.
Let's brighten the future for families on
their journey home.
