

Lions of Virginia State Convention Delegate Registration

LCI has opened the Delegate portal on MYLCI for our state convention.

For the 2024 MD24 State Convention, FORM B will not be used. We will follow the protocol set last year for the 2023 convention.

Clubs may e-mail or USPS mail a list of Club Delegates to the state office. The delegates will be assigned in the order that they are submitted. For Clubs that regularly use MYCLI, the Club Secretary or Club Administrator can assign delegates online.

Open MYLCI

My Lions Club

Conventions - Choose MD24 101st State Convention

View Delegates – this page shows how many delegates each Club is allowed and how many are assigned.

Add Delegates – this will open the option to select your Club delegates. Lions not eligible to serve as your Club delegate will be indicated with red.

Once you have assigned your Club Delegates, you can then print the Delegate certificate to be presented to the Credentials Chair at the convention.
