

## 2019 District 24-I Fall Conference September 6<sup>th</sup> – 7<sup>th</sup>, 2019

District 24-I and the Tappahannock Lions Club welcomes you to the Historic City of Virginia Beach, Virginia for a time of fellowship, information, and fun. We have been working hard to make this event one you will remember.

The event kicks off on Friday, September 6<sup>th</sup> at 7:00 pm with dinner and dancing to the top 40 hits of the 1980's (see registration form for meal information). Our own PDG Donnie Johnson will be our DJ for the night's festivities. So dust off your dancing shoes and come dance the night away.

On Saturday, September 7<sup>th</sup>, we begin our day with a Fellowship Breakfast starting at 7:30 am. PDG Beth Stevens and District 24-I have a very exciting line up of training classes being offered. Since our goal is to provide the tools to serve your community, we are offering training on the My Lion App. Other classes include We serve through Diversity, Harnessing the Power of Leadership and Mentoring the next generation of Lions just to name a few. Just one more thing, District 24-I **does not charge** Lions, Lioness, or Leos any fees for attending the training classes. So, no excuses. Come on out and participate in this year's Fall Conference in beautiful Virginia Beach, VA.

After lunch we will be starting our District 24-I General Session beginning at 2:30 p.m. Everyone is encouraged to attend. Our International guest for the weekend will be International Director Gary Brown and his spouse Lion Barbara from Cape Vincent, New York. ID Gary will be hosting a Town Hall forum immediately following the District meeting. Make plans to attend and find out what your Association is doing. We finish up our day at 6:00 pm District Governor Patricia Jones will host our Social Hour and Dinner Banquet. International Director Gary Brown will be our guest speaker. We look forward to hearing his passion for service and his message.

Please join us as we celebrate all that is good in Lions and finding ways to offer more to our communities.
