

dining in the dark

Thursday, April 28, 2022

At 6:00 pm

\$35.00

The Lions of Virginia State Convention Committee will present “Dining in the Dark” on Thursday, April 28, 2022 at the Delta by Marriott Chesapeake Hotel.

Dining in the Dark is a unique event designed to raise awareness about vision loss. Guests will experience a sumptuous three-course meal served in complete darkness. Dinner will be preceded by a reception during which guests will gain insights on fully engaging all of their senses to talk, sit and eat in the dark.

“Dining in the Dark will expand attendees’ understanding of the challenges that individuals who are blind or visually impaired encounter on a daily basis,” said Dr. H. Hauser Weiler. “It offers an inspiring sensory experience and an imaginative learning opportunity.”

We invite you to enjoy a unique dining event that will expand your appreciation of taste, smell, touch, hearing, and vision.
