## Eye Care For Those In Need

# LIONS EYE CARE PROGRAM IS NOT FOR JUST ANYONE!

Annually, the Lions are contacted by anywhere from 200-400 interior residents who are truly in need of eye exams and eyeglasses.

The Lions Eye Care Program conducts Eye Care Days in the Aurora Borealis Lions Eyeglass Recycling & Vision Center in North Pole. Local eye doctors donate their time to give free eye exams; after which the clients choose from the eyeglasses produced by the Lions, or when a matching prescription cannot be found a limited voucher is issued to a local eyeglass dispensing store.

The Lions wish they could help everyone needing eye exams and eyeglasses, but resources are very limited.

The Lions Eye Care Program is not for everyone! The program targets those **needy** residents who are **not** eligible for any other eye care assistant.
