

29I DISTRICT NEWSLETTER NOVEMBER 2023

When confronted by a serious issue do you hear yourself saying?
" They should do something about that!"
Haven't you realized that "they" is actually you?

November:

Well, we did it! The 2023-2024 District 29-I Conference is part of history. A lot of fun and work made it worthwhile. It was a good time with great music from our Lion Friends, Danny Miller & Connie Taylor as the "DC DUO" from the Tunnelton Lions Club and Lion Dennis Filler from the Parsons Club.

International Director, Marie Cunning and travel companion, Rosemarie Gabriel, were well received and blended into the activities seamlessly. The Newsletter will have scenes of the conference. You can also view scenes on Lion Steve Glass' Facebook. I wish to thank the Members of the Valley District Lions Club: Lions Rick Thorn & wife, Midge, Lorrie Nielsen, Carrie Long-Cress, and Don Kenyon. Mountain Lions Club Members: John & Jeanette Adams and Jerry & Barbara Hauser. Fort Ashby Lions Club: Doug & Sue Long, Rob & Mary Jane Bright, and Renee Douthitt. Also, a BIG "Thank You" to PID Steve & PCC Cindy Glass for transportation of our International Director Marie & friend, Rosemarie.

Most of all, I want to Thank PCC Sue Long for her untiring effort in pulling the events together. We could not have done it without her. Many "Thanks" to Doug Long who filled in as an Alternate District Treasurer and Mary Jane Bright served as Alternate Secretary for the conference. Last, but not least, I want to thank my wife, Judy, for all the time, effort, and gifts she put into making the conference different than most. For those of you who did not attend, you missed a great opportunity to socialize and increase your Lion Family.

One of the main goals of this year is to ensure that our club officers and club members have current and updated information tools available to allow their clubs to provide the best services to those we serve. However, we cannot do this if your participation is lacking. Training meetings where less than 30% of those who should attend and Zone meetings where presidents and or secretary do not attend. It is not an acceptable standard. Training for both new officers and those who have held positions for longer periods is critical to our being able to bring new members into our clubs, maintain current members and provide a service to those in need. Zone meetings are a critical part of our District set up. They are the

bridge between the Club and the District. Presidents and secretaries along with other invited club members are members of the Zone committee and are expected to attend the Zone Meetings.

If you are unable to attend a scheduled meeting/training, as a courtesy, please let those members know as they have spent time and effort organizing the event. Training/meetings are set up based upon the anticipated attendance. Yes, we all need to be updated on what is going on and changes being made. Training is not done just to say we have conducted training, it is for your benefit. Every Club has a Constitution and Bylaws. This information is your guiding light as to the duties and responsibilities of the Club Officers. One of the questions that the Zone Chairperson should ask, "is do you have a copy of the Club's Constitution and Bylaws?" I have been told, "yes, we have them somewhere." I have even been told "no, I have not read them." Please check out your Club's "Constitution and Bylaws."

Being District Governor has allowed me the great privilege of visiting Clubs. This is the best part of being a Governor. I have met so many great Lions and feel like I am a part of their Lion family. Most of you should be proud of your Club and the services you are providing. Willingness to accept change is hard for some, but willingness to change is HOPE!

We now have a First Vice District Governor, Lion Kim Mason, from the Berkeley Springs Lions Club, and a 2nd Vice District Governor, Lion Greg Greenwalt, of the Moorefield Lions Club. The 29-I Cabinet Directory will be updated to reflect the two new members of the District Cabinet.

Have a wonderful November. Remember to stay safe when removing snow and driving in it. Have a Happy Thanksgiving!

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." (Maya Angelou)

"Most of the important things in the world have been accomplished by people who have kept on trying when there seemed to be no hope" (Dale Carnegie)

Thanks to the generosity of several Lions Clubs, we collected almost \$1800 in gift cards during our 29I Fall Conference for the families whose children are cancer patients at WVU Children's Hospital. We have a nice variety of Visa Cards, restaurant gift cards, gas and grocery store cards. Thank you so much to all clubs and individuals who donated. The cards will be delivered during the last week of October.
