"Thank You"

Dear Participant,

By participating in this benefit virtual walk/run, you will be supporting District 29I of the West Virginia Lions Club in their initiative with promoting diabetes awareness throughout their district.

Throughout district 29I, diabetes awareness comes through many forms such as PSA announcements, sponsoring diabetic children to attend the Diabetes Camp (Camp Kno-Koma), organizing community diabetes educational activities, and many other projects.

We would like to thank you for participating in this benefit. Without your help with this benefit, we would not be able to create such diabetic fundraisers and awareness initiative programs like this one. We appreciate your dedication in this effort and hope that you have a fun and safe time walking or running.

Regards,

The West Virginia District 29I Lions
