District Governor Matt's Message

Hello fellow Lions and Leos!

Wow, can you believe that it is the end of 2023 already! I have no clue where 2023 went. Happy New Year and welcome to 2024.

I did not have much going on in December besides working my full-time job and part time job. As of December 28, 2023 at 3:38 pm my sister and brother-in-law had their baby. I am excited to be uncle to a little baby girl. I am asking all Lions, district governors and the international family to please keep them in your prayers. The baby was born early. only weighting 1 lb 11 oz. My niece will be in the hospital until at least March. So please pray for them.

I attended the Christmas party In December also.

Our District Spring Rally will be on Saturday, March 9, 2023. The flyer is included in this Newsletter.

My DG Club Visits are listed in this Newsletter. If your club is not listed yet, please bear with me I am working on it. Since my work schedule got changed. Attached below is the February Cabinet Meeting Flyer

Thank you. Yours in Service,

District Governor Matt

1st Vice Dist. Governor Grace's Message

Hello everyone.

The holidays are now over and time to buckle down. My year is half over. I attended a X-mas party in Pine Grove. Was on several zoom meetings. I attended board meeting at Beacon Lodge. I attended retreat weekend at Harrisburg. My flight arrangements are made for St. Charles.

Hope to see you all at the Cabinet Meeting in St. Clair.

Global Membership Team Coordinator Grace's Message

What an exciting time!

We have a new club in District 14 G. That should give us incentives to start a club in 14 U. Let's get our brains working and think about a place to start one. Our membership is growing. That is great but let's retain our now membership.

Global Leadership Team Coordinator Paula's Message

Happy New Year my fellow 14U Lions. This month's report will be short. I spent quality time with my family. I hope you were able to do so too. I found out my Niece and Nephew-in-Law will become parents in June!! I am so excited to become a great aunt!

I did promise dates for virtual training sessions in 2024. Sadly, due to the requirements of my "day" job I had to push the sessions back to February. Please hold Wednesdays open if you can. I like to do the training then, it does not interfere with club meetings. I will be sending letters with the information.

I hope some of you have updated your contact information in MyLCI. You may be missing important information. An update you may have missed is about our new Lions International program. Some work still needs to be done. We all know how these programs can just need those last little tweaks. Stay tuned.

I am excited about the Lions who will be attending RLLI. I mentioned this last month but it is worth repeating. This is a wonderful program. The benefits are worth the weekend.

I'm looking forward to visiting Jim Thorpe Lions and presenting the orientation program to them. Guess you folks get to see my debut!

Thank you all,

Lion Paula Hoffman, GLT

A message from Leader Dog's new President & CEO Melissa Weisse:

JANUARY 4TH WAS WORLD BRAILLE DAY

World Braille Day celebrates awareness of the importance of braille as a means of communication in the full realization of the human rights for blind and visually impaired people. The date for the event was chosen by the United Nations General Assembly via a proclamation in November 2018, and marks the birthday of Louis Braille, creator of this writing system. The first World Braille Day was celebrated on January 4, 2019

January is Glaucoma Awareness Month

Glaucoma is a leading cause of vision loss and blindness in the United States. But half of people with glaucoma don't know they have it.

Glaucoma has no early symptoms. The only way to check for it is to get a comprehensive dilated eye exam. There's no cure for glaucoma, but starting treatment as early as possible can help stop vision loss.

Anyone can get glaucoma, but some people are at higher risk, including people who:

- Are over age 60
- Are Black/African American and over age 40
- Are Asian American
- Are Hispanic/Latino
- Have a family history of glaucoma

This Glaucoma Awareness Month, join our National Eye Health Education Program (NEHEP) in encouraging everyone at higher risk for glaucoma to get a dilated eye exam. It's the best way to protect their vision!
