Colorado Lions
District 6C News

March 2020

Is anyone watching the television show Extreme Home Makeover? In case you aren't familiar with this show it brings together a community, local builders and other partners to build a new home for a deserving family in the community in less than a week!

Yes, the show is over the top; however it is a good example of what can be accomplished when a group of people work together to accomplish a goal. As far as I am concerned our Lions organization has a similar power. We know that Lions have virtually eliminated river blindness in Africa, provides needed service during disasters throughout the world, feeds the hungry, educates about diabetes and so much more.

Recently I have been receiving information from LCI about coronavirus. It is estimated that this illness is poised to become a pandemic. Lions Club International is monitoring the situation and in fact Lions Clubs in Malaysia have already delivered 41,000 surgical masks to meet a growing need for them in China. At this time LCI is not expecting any issues for those who plan to travel to Singapore at the end of June for the 2020 LCI International Convention however I will keep you posted should Lions Clubs International put out any information or need for assistance with this epidemic.

Closer to home I would like everyone to think about how we in District 6C can make an even bigger difference when we get together as multiple clubs, zones or as a district. The following events are coming up and I would love for all of you to join me:

March 14 - St. Patrick's Day Parade - A big crowd would be great to help us pass out candy and information on how to become a Lion.

April 25 - Lions Worldwide Induction Day

May 2 - District 6C Convention - The registration form can be found in this newsletter

May 15-16 - MD 6 State Convention - The registration form is also in this newsletter along with information about placing an ad in the program.

The Mane Lioner will be coming out in early March so please take a look at it for info on all district happenings as well as those in the multiple district.

Thank you so much for all of the wonderful work you are doing in your communities and throughout the Metro Denver area. ROAR!

Holly Rutherford-Allen
6C District Governor

March 2020

OFFICIAL DISTRICT GOVERNOR VISITATIONS

According to policy, district governors are required to make an official visit to each club in the district. In general, the governor will contact the club and arrange a mutually satisfactory date and time. After this is done, the club should write to the governor and confirm the arrangements to avoid any possible confusion.

The governor's official visit should not conflict with other programs. He or she should be the only, or at least the primary program for the meeting. Thirty minutes should be allotted for the presentation, although the governor may choose to make a shorter one. If you want the governor to make award presentations, provide full details and strive to keep this part of the program as short as possible. It is also permissible to have a brief business or board meeting, including committee reports. The governor will likely also want to meet separately with your club's leadership, either before or after, the regular meeting. Make sure the time is scheduled in advance and all club leaders are informed and available.

In many respects, the governor's visit is comparable to that of any Lion dignitary. The *Official Protocol* should be followed, and courtesy and respect should be shown at all times. Here are a few additional suggestions:

When you write to confirm the date and time of the Governor's visit, it is helpful to send copies of the Club's newsletter and other publications.

Even though it's likely the governor will be arriving by automobile from a nearby location, he or she should be met personally at an agreed-upon location, even if it's only the entrance to a local restaurant.

Ted Peterson

2nd Vice District Governor

Robert Storrs

Candidate for 2nd Vice District Governor

District 6C

Background

Lion Robert has a bachelor's degree from the University of Colorado as well as a master's in business administration also from CU. He worked for Western Electric for 30 years as a software engineer and production manager. On one assignment he managed a department of over 200 employees.

He was a member of the Westminster Jaycees where he served as president.

Robert is widowed and retired. He has two sons and three grandchildren.

Experience

Bob joined the Golden Lions Club (GLC) in September 2005 and has served as president, 2017-2018, director, 1st vice president, immediate past president and two terms as treasurer. During this time, he has sponsored several new Lion members who are still active today.

As chair for five years of the GLC KidSight program, Bob grew the program and instituted management processes to allow the club to annually screen at 105 schools with over 500 volunteer hours and with over 4800 kids screened. He also chairs the Finance committee for GLC.

Lion Robert is a member of the KidSight Board of Trustees and has over the years worked with KidSight Director Holly Rutherford-Allen in negotiation with the Jefferson County School District. He has recently recommended a new outreach KidSight program which Holly is currently finalizing.

Lion Robert has served as Zone C chair for two years and is on the Board of Directors for the Golden Backpack Program where he also serves a treasurer.

Leadership

As president of the Golden Lions Club, the club grew by 5 members to reach a membership level of 60. The club also started a new annual Arbor Day service project.

As treasurer a new software system was adopted that allowed for clearer tracking of the club's revenue and expenses.

As Zone C chair he conducted an online zone meeting for all clubs in the district which allowed district leaders to present information on their various programs. Reviews of the meeting were very positive.

Finally, Robert has chaired the steering committee that successfully re-started the Arvada Lions Club with ten members. He is the sponsor for four of those new members.

March 2020

Arvada Lions Club Re-Organization

By Zone C Chair Robert Storrs

In March of 1946 the Golden Lions Club, itself just a little over three years old, chartered the Arvada Lions. The club went on to be one of the very successful clubs in Colorado. Membership grew to over 80 people. The club ran many innovative service projects including hunter safety courses, provided eye exams and glasses for the needy, collected eyeglass for re-distribution, held KidSight vision screenings and sponsored special needs campers at the Colorado Lions Camp. The club obtained its own club building and also built a special building for the Colorado Lions Camp.

However, things change. The club membership dropped, and they were forced to sell their building. By January 2019 the club had only two members and decided to give up its charter.

District Governor Holly Rutherford-Allen asked that I form a committee to see if we could re-organize the club. This effort began in October of 2019, but we had a deadline. To re-instate the club without having to organize it as a completely new club we had to sign up ten members and have all the paperwork done by Jan 27.

PDG Roy Donaldson (GMT), PDG Steve Kinsky (Denver Lions), PDG Ted Peterson (2nd VDG) Lion Jon Berquist (Golden Lions) and I formed the committee. There was a whirlwind of activity. We reached out to community leaders with a Community Needs Assessment to identify issues the new club might want to address. We created and distributed posters for business, churches, etc. We developed a call list of Arvada business from the Chamber of Commerce. We also enlisted the help of a Social Media specialist to create a new web site and Facebook page, but, more effectively, she joined several local Arvada neighborhood Facebook pages and posted the information about the new club. This allowed us to focus our reach to those already interested in the Arvada community.

We had two information meetings on January 7 and had eight people attend. We also had several prospects who indicated interest but were unable to attend. A third meeting was held January 21 with three additional prospects. By that point we felt we could reach our goal, but we still had work to do to get the full ten members.

On January 25 the committee was able to submit paperwork with a complete listing of our ten members to PDG Holly, to be forwarded to LCI. This included Lion Lois Painter, who had served as president of the club prior to its disbanding.

Monday February 17 the Arvada Lions held their organization meeting, chaired by PDG Ted Peterson who will act as Guiding Lion for the club. Officers were selected: President Jerry Riley; Secretary/Treasurer Pam Terry and Membership Chair Doyle Beavers. The club will meet the first Monday of each month at IHOP at 5280 Wadsworth Bypass at 6:00 pm for the time being. If you have a chance, please join them as they can use your support. We are in the process of arranging a Charter Night targeted for Monday, April 13.

If you are interested in learning about the different approaches we used to attract 10 members in a short time, come to the Zone C meeting on March 21, 10:00 – 12:00 at the Arvada City Hall, 8101 Ralston Road, Arvada, CO 80002. More information to follow.

Colorado Lions KidSight Program 6C March Report

KidSight Screening - Thank you to our clubs and KidSight Colorado volunteers who have been busy with screening! 41,317 children have been screened and 4,411k children referred, a 10.7% rate of referral. Screening is ongoing in all districts.

	# Screened	# Referred	Referral Rate
District 6C	17,843	2,036	11.4%
District 6NE	6,033	539	8.9%
District 6SE	6,214	733	11.8%
District 6W	11,326	1,103	9.7%

State Tax Refund Donations A new state income tax refund donation program allows you to use some or all of your refund to directly support KidSight Colorado's work in our communities. Use our registration number 20123010483 to donate to us! Go to www.RefundWhatMatters.org to find out more. Would you really miss that extra \$20 you donate?

Road Trip and Plusoptix Software Update! I will be traveling the state this spring and summer to make sure that all of our equipment is up to date. I am looking forward to meeting with club volunteers to make the required updates, talk about screenings and any problems and of course say hello. I am looking forward to seeing everyone on my travels.

KidSight Colorado Board of Trustees

There are four Trustee positions open this year, one in each of the four districts. Letters of intent to run for a Trustee position for the Colorado Lions KidSight program and a letter of support from you Club are due to your nominating chair for you district, the District Governor and District Secretary thirty days before your District Convention. Anyone who would like more information on these positions or has questions should feel free to contact me.

Thank You 6C Lions Clubs

We would like to extend a very special thank you to those clubs who have donated to KidSight so far this year. Your donations benefit the children of Colorado through vision screening and referral for those identified with a vision problem. We appreciate the support of each and every club in the district, both volunteer and financial. Please give what you can to allow us to reach more children!

Youth Speech Contest

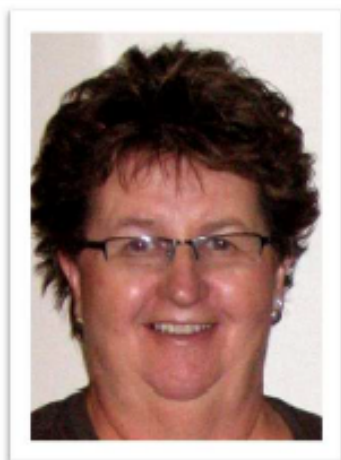

As I write this article, I think back over the years about what a very successful project this is for our Multiple District in working with the youth in our communities. What an inspiration PDG Irene Toliver had as she was serving District 6NE in 1998-1999 as District Governor! This will be 22 years of Youth Speech Contests in Colorado.

The Youth Speech Contest topic for 2019-20 is:

"Does getting involved in your community, in causes you care about, empower youth as positive change agents?"

It is not too late to host a local club Youth Speech Contest! The timeline is the following:

- Local club contests should be completed by March 31, 2020. Once clubs have completed their local contest, contact your District Governor or the District Youth Speech contest chair to let them know who your contestant will be for your district competition.
- District contests should be completed on or before May 1, 2020 (except for District 6C and 6W who are holding their District Conventions on May 2); District Governors should contact CC Carol Lambert, MD6 Youth Speech Chair, on who will be representing your District at the state-level competition on May 16, 2020 at the State Convention in Greeley. Districts will be responsible for paying for lunch for the contestant and two guests.

CC Carol Lambert, MD6 Chair
Youth Speech Contest
970.370.0364

Carol and Carmilla

Lions of Colorado.

It is good to write an article for the District Newsletter. I plan on doing this on a regular basis.

After 16 years, Sharon Beckfield has stepped down as IHDI State Chair and Board Member. Thank you Sharon for 16 wonderful years. I have big shoes to fill. I will finish out the remainder of her 3 year term and plan on starting my own 3 year term. I was approved by the state Council and by the Board of IHDI. I am now a Board member of IHDI.

IHDI has 3 new board members including myself.

There is also a new Executive Director. She started in Jan of 2020. Her name is Carol Heiden. Look for her

article in the Newsletter. She will take IHDI to new heights. I am excited to work with her.

At our one on one meeting Feb 5th. We both talked about the future of IHDI. She is looking forward to working with Lions. She knows that Lions have been a part of IHDI since the beginning. Carol has started a volunteer program. I will make sure the Lions are a vital part of this.

Look for the sign up forms in the Mane Lioner and the 6C Newsletter for the 2020 Walk Run and Wag 5K. Take advantage of the New sponsorship levels being introduced this year to raise funds for IHDI. **You and/or your club can sponsor parts of the Walk Run and Wag event Saturday July 11th** Let's show everyone the lions are behind IHDI 100 %.

Please contact me at 720 364 8487 or email me at ags0417@comcast.net anytime you have comments or questions.

PCC Andy Smith

Lions State Chair IHDI

Good morning, Andy!

I hope this email finds you well & happy Monday! I am following up here in regards to the sponsorship packet I had provided you during your visit to IHDI and seeing if the Lions program would be interested in supporting IHDI's upcoming Walk, Run & Wag 5K! The Walk, Run & Wag is truly a day filled with smiles, tail wags, and all the sloppy kisses! International Hearing Dog would be honored to partner with the Lions on our biggest fundraiser of the year, and showcase your support to the dog loving community of Colorado as well as IHDI's shelter to service mission of training other ways to hear!

I have attached an electronic copy of both the sponsorship levels, ranging from \$75-\$5,000 as well as the sponsorship form should Lions be interested in graciously supporting our event. Please let me know if you have any questions, feel free to send this information along to anyone interested. I would be happy to hop on a call or meet with any potential sponsors to further discuss these opportunities as well!

New News at International Hearing Dog...

In January 2020, Carol Heiden joined International Hearing Dog (IHD) as their new Executive Director. Carol comes to IHD with extensive experience in non-profit management. She has helped nonprofit organizations grow significantly in number of participants, programming, funding opportunities, and membership base. She has strong skills in program development, all areas of fundraising, Board governance, fiscal management, organizational assessment and development, team building, and leadership development and coaching. Carol is thrilled

to be joining IHD because the IHD Mission is deeply important and meaningful to her. Carol is, both personally and professionally, committed to helping ensure a more equitable, welcoming, barrier free community for children and adults with disabilities and has worked toward this goal for many years. Further, dogs have always been an integral part of her life, and she has had a life-long passion for, and commitment to, animal welfare issues - beginning as a shelter volunteer as a child and remaining involved through-out her adult life. Carol shared that she has "witnessed time and time again the profound difference a service dog can play in the lives of individuals – the freedom and independence they can help foster as well as the power of the human-animal bond. I have the deepest appreciation for what dogs can accomplish and believe strongly in their ability to change lives. '

Another exciting development is IHD's commitment to create and establish a Volunteer Program at IHD. They have hired Ashley Joy as their first Volunteer Coordinator. Ashley brings a background of volunteerism, tremendous analytical and organizational skills and experience, and a burning dedication to IHD. She is excited and honored to be playing such a critical role in this next step for IHD. As the structure, policies, practices and trainings are developed, Ashley hopes to be sharing updates with the Lions.

Finally, the date has been set for IHD's Annual Fundraiser – Walk, Run, Wag 5K! This year's event, IHD's 8th Annual, is set for July 11th at Berkley Lake Park in Denver. IHD would love anyone interested in sponsoring,

2020 Walk, Run and Wag 5K

Saturday, July 11th

Join us for the International Hearing Dog 9th annual Walk, Run, & Wag 5K. This year's event will take place at Denver's beautiful Berkeley Lake Park. Last year's run hosted 300+ runners and guests as well as 20+ pet-loving vendors. Folks from all over Colorado attend this annual event to support the life changing Hearing Dog program. The event is family and pet friendly, boasts live music, food, drinks, vendors, and of course a smooch the pooch booth! All the funding from Walk, Run & Wag goes to giving people that are Deaf or hard-of-hearing the safety and independence of a Hearing Dog.

To learn more about how to become a sponsor contact:

**Kendra Plaschko, Director of
Development at Kendra@hearingdog.org**

About International Hearing Dog

The mission of International Hearing Dog, Inc. is to rescue shelter dogs and train them to assist persons who are Deaf or hard-of-hearing, with and without multiple disabilities, at no cost to the recipient.

For over 40 years IDHI has been rescuing shelter dogs and specially training them to assist Deaf and hear-of-hearing individuals. In what is often an isolating and lonely world, Hearing Dogs give their recipients independence, safety and confidence. IDHI never wants money to be the determining factor of whether an individual in need can receive a dog. Consequently, we place dogs free of charge! However, it costs us \$15,000 to raise, care, train and place a hearing dog. By sponsoring this event you will help ensure that everyone who needs a Hearing Dog may have their life changed by one.
