

*Stokes Anderson
District Governor 6C*

Lions of 6C,

The light at the end of the tunnel is not a train. It is the coming dawn of a new Lions Year. The Corona Virus is for us now under some means of control through the use of vaccines. In our jubilation to be able to personally engage each other, let us not forget those Lions that are less fortunate and the communities that they are still not able to serve.

We, Lions continue to serve. Since our District Convention, I have visited the convention for District 6NE and the Colorado State Convention. At each Convention, Lions were praised for the service that they had accomplished and for their resolve to continue in support of Lions Clubs International goals and objectives.

We of 6C still have a short time to go before we hand the reigns of Leadership over to those newly elected. Let us continue our service in a manner so their beginning will be less of a struggle, but more of a challenge. Do not doubt your ability to achieve and overcome. You only lose the good if you fear to attempt.

GOOD DEEDS (William Shakespeare) Merchant of Venus

How far that little candle throws his beams!

So shines a good deed in a naughty world.

Heaven doth with us as we do with torches do;

Not light them for themselves; for if our virtues

Did not go forth of us, 'twere all alike

As if we had them not.

Stokes W Anderson, Jr.

Colorado Lions District 6C News Shooting for the Stars with Lions June 2021

District Governor Elect

June is here, are you ready to finish the 2020-2021 Lion year strong? Are you ready for a super start on the 2021-2022 Lion year? One way to do that is to come to the **district Lions training being held on June 5th**. I will be rolling out the 2021-2022 Governors Contest and 100% Secretary Award. The Governor's Contest will have a first place, second place, and third place for cash prizes. So come to the training and that way you will know what to report on your District Membership & Activities (M & A) report. The M & A report will need to be sent to the District Governor (DG), Vice DGs and your Zone Chair to get credit for the 100% Secretary Award and points on the DG's Contest. I hope everyone will participate in these two events. I would like to thank DG Stokes for his leadership in this past year.

I know everyone is still wondering about what is happening with COVID and how we can do Lions but there are many ways that we can serve our communities and still be safe. I hope everyone has continued to do service projects during this troubling time. If you have not been meeting in person over these past months, I hope that you have been meeting virtually at least. I know in my own club we have been meeting virtually and sometimes it has been a struggle, but it has happened. Now that all my club members have been vaccinated, we are going to start meeting in person again as businesses open up. With the warmer weather starting, we can meet outside in parks and other locations with our safe distances.

I'm looking forward to working with First Vice DG Bob Storrs and Second Vice DG Dianne Christian in the coming year. I think we will be a great team together. I have asked 2nd Vice DG Dianne Christian to oversee the Zone Chairs.

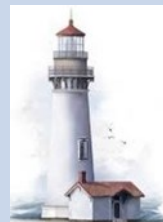

This year our International Convention is virtual and I hope many of you are taking advantage of this rare opportunity to experience an International Convention via the Internet. It truly is a life changing experience.

Over the past 8 weeks, I have completed my DG Elect training. We met on Wednesday nights doing virtual zoom meetings for our training. This is the first time this has ever happened. What an experience it has been. What excellent training material they are using to equip our DG Elects to lead our districts in our coming year.

I still have several positions to fill before my new year starts. I'm still looking for three zone chairs in zone "A" zone "B" and zone C along with a person for cabinet treasurer. I need at least those four positions before the end of June. Also, someone to chair the following: childhood cancer, hunger, speech contest, peace poster, youth exchange and a convention chair. So if any of those positions sounds like something you can do for our district, contact me either call me or email me. I would very much appreciate it.

Serving with you to meet the needs of our communities,

Lion Ted Peterson, DG Elect

International Hearing Dogs Inc.

International Hearing Dog, Inc.
Since 1979

Not only do hearing dogs have to walk well in the heel position, they need to learn to be reliable even when surrounded by distractions and temptations! In order for the hearing dog and handler to be a successful team, it is critical that the dog and partner have a solid bond. Consequently, a hearing dog should not demonstrate interest in, or garner attention from, other individuals. Jagger recently accompanied his Foster to the salon which provided a perfect training opportunity for Jagger to demonstrate his "Place" cue while ignoring all the new distractions, smells and people! This was also a great exposure outing for all that salons have to offer; the capes, multiple hair dryers, the silly smells and lots of activity!

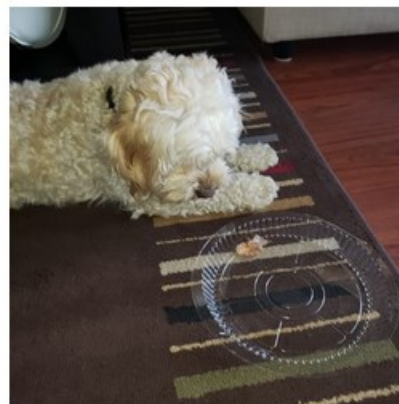

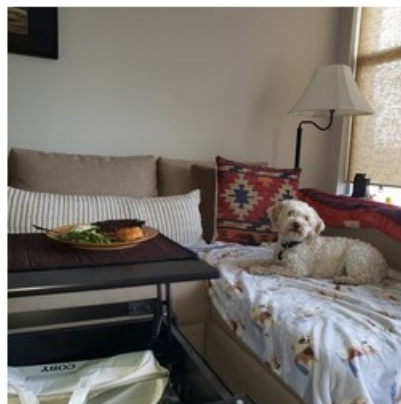

"Leave it" is the cue to remind the dog to ignore things that a dog may typically find interesting. Here at IHDI we use it to tell the dog to ignore other animals, food, objects, smells, and people. This cue is also very important for a dog's safety in ignoring and leaving potentially harmful items they could come in contact with while in public. In these photos you can see Jagger demonstrating his "Leave It" cue--even when tempted with a delicious dinner right in front of him! How do you think he did?!

Hearing Dogs cont.

Planes, Trains, & Automobiles + So much more..

Can you think of a memorable trip - long or short - with a best friend? Jagger can! A Hearing Dog must be able to appropriately accompany their person everywhere and travel with ease. Jagger took to travel well and has become a Stellar Traveler whether that be in his dog car seat, at the airport, or on the hiking and ski trails! When traveling in the car, due to his small size, Jagger is buckled up in the back for his safety. We promise, he will be the best back seat driver you could ever ask for!

These new environments & ways of travel are built into a Hearing Dog's training curriculum to help ensure a safe & stress free travel for teams regardless if it's by air, foot, or wheels! During these outings Jagger experiences, and grows comfortable with, rolling suitcases, trucks driving past, the hustle and bustle of a busy airport, escalators and elevators, trains and overhead sound systems saying loud messages like "the doors are closing", crowds of people in smaller spaces, car washes, gas station stops... the list goes on and on. We will try to introduce and de-sensitize Jagger to the vast array of lights, sounds, smells and experiences he is likely to encounter as he travels with his person through out their world.

International Hearing Dog Report (IHDI)

4/28/21

PCC Andy Smith/IHDI State Chair

Hello Lions! International Hearing Dogs is doing well. Both the handler and the dog training are newly designed and adhere to ADI standards. The first graduation will be the first class for ADI Review towards IHDI's ADI certification process.

The training and graduation, provides many "Firsts" for IHDI.

- ◇ First time IHDI has implemented their practice of handlers coming to us
- ◇ First time handlers will have completed Pre-Match Training
- ◇ First time handler/dog teams will spend 10 days in training together
- ◇ First time handler/dog teams will be required to pass a Public Access Test
- ◇ First time handler/dog teams will be required to pass a Sound Alert Test
- ◇ First Time IHDI will have a Passing of the Leash and Graduation Ceremony

Their 2nd On-site Training and Graduation will be late August/early September. Four dog/handler teams may be in that class.

The Volunteer Foster Project is starting to take off. IHDI has two dogs in full-time Foster care 24/7. Rather than just on the weekends the dogs come to IHDI Monday through Friday so trainers can work with them. The dogs go home to fosters each afternoon/evening and also spend the weekends with their Fosters.

New adaptive technology is being used with IHDI clients to better serve them.

A new trainer had been hired to replace Karrisa. her name is Taylor Smith. She comes from Service Dogs Inc outside of Austin TX. She brings over 9 years of dog training experience with her. She is deaf and has trained a hearing dog for herself. She is also fluent in American Sign Language.

Staff Morale is high, and the staff is operating as a productive and effective team.

Thanks for all who are following Jaggers Journey. So far, the campaign has raised over \$10,000. The goal is \$20,000 with 8 more weeks to go. Thank You if you have donated and Thank You if you are planning to donate. Share and repost on Facebook. It really helps! Thank you for your interest and support!

92.9% Club participation which means 26 of 28 Clubs have made donations this Lions year.

\$68,508.24 total donations which averages to \$121.04 per member since 7/1/2017 to present.

2 Clubs expected to meet or exceed \$5,000 in giving for this Lion's year.

\$5,432.78 in District/Community Grant (DCG) funds currently available for a 6C service project. We seem to be on target to receive an additional \$1,500 bringing the total to a total of \$7,000 in DCG funds for a district service project.

566 members could lead to 566 ideas about how we might use our DCG funds - - Start thinking about district-wide projects and share your ideas with the District Governor and at Cabinet meetings.
