

# Shine the Light of Service July 2021

Welcome to the 2021-2022 Lion year! I am excited to serve District 6C as your District Governor. We will continue to move forward off IPDG Stokes Anderson, Jr.'s lead. Our district goals are two-fold. First is to help clubs grow healthier and reduce our member drops. Second is to continue to contribute to the Lions Clubs International Fund (LCIF) Campaign 100 in helping to meet their goals of 300 million dollars. I would like our district to be a 100% giving district to LCIF. That means that each club gives something that could be as small as a dollar. I would like to see \$30 per member. As a reminder, it may not be equal giving, but equal sacrifice.

I am planning on doing what I call "Governor's Coffee Talks" six of them throughout the year. These will be with club presidents and they can join in at their convenience. We will cover a range of topics and have open discussions. I hope these will grow our leadership base and strengthen our clubs.

I would like to see 75% of our club officers go through some type of training this year. I will be working with our Global Leadership Team Coordinator, PDG Rick Argotsinger and his team to bring more training to the Lions club members. I am planning to do a Zoom training with Secretaries to explain the district membership and activities (M&A) report. The best example I have seen is PDG "Ole" Jack's report he sends to the district governor, vice district governors, and his zone chair. I will be sending out a spreadsheet to help the secretaries with reporting. Any questions, please contact me.

The Governor's Contest is being brought back this year. I plan on using the zone chairs to tally the points for this based on the district M & A report clubs send to them each month. Clubs do not have to participate in the contest, yet it is a good way to add to your administration account. I will be giving out cash prizes for the top three scores.

For District Governor club visits, I would like clubs to invite me to visit your club. I have a form that needs to be filled out. It is a PDF that you can fill in the blanks, then save and email to me. Put in several date choices for me so I can coordinate my calendar. Thank you very much. I know you have not done it this way before. This is what I would like you to do for me. I appreciate your efforts.

I would like the zone chairs to work with their clubs in doing a "How Are Your Ratings" survey this Lion year. It is a good way to gauge where your club is and how your membership feels about the direction the club is going. For our clubs to provide the best service to our communities, we need to know what our members are thinking and their desires for service.

I will be directing our Vice District Governors with different tasks throughout the year to assist our district and clubs. I have asked 2<sup>nd</sup> VDG Dianne Christian to work with the zone chairs. 1<sup>st</sup> VDG Bob Storrs will be looking into starting a club branch focusing on Special Olympics. I am hoping it can be based out of Lakewood.

Let us rise-up to shine the light of service this year with service from the heart. Again, I feel you have a good team working for you in the district. If you have any concerns or questions, please reach out to any one on the DG Team. We are here to help you be the best you can be.

Serving with you to meet the needs of our communities,

*Lion Ted Peterson,  
6C District Governor*

**Looking Forward to a Great Year**

As we close out 2020-2021, I am sure we are all happy to see the light of a new day. It is up to all of us to ensure the light of our Lions organization shines bright. Many clubs have not been able to meet in person for many months. So now is the time to renew old friendships and make new ones. Keep the focus on building great clubs, growing membership, and having fun doing it.

DG Ted Peterson has asked me to serve as the Marketing and Public Relations chair for the district so I will use my monthly reports to support this role.

***Marketing vision for this year:***

***Increase the visibility to the community of the Lions organization, our district, and all our clubs such that Lions are recognized as an organization that they want to support and be a part of. Let them see our Light!***

I cannot accomplish this alone. I am calling on each club to select a Communication Chairperson who will work to promote their club activities and support each other in this effort.

I am preparing a communication handbook with material from Lions Clubs International and other sources to handout at the next cabinet meeting, July 31, to each club which identifies their Communication Chairperson with the name, email, and phone number and who agrees to work with our team as part of the Marketing and Communication Roundtable.

The roundtable will establish specific goals and action plans for the district and individual clubs and then work together to accomplish them. We will give much attention to social media as well as traditional marketing paths.

July 2021

Dear Fellow, 6C Lions,

It is my privilege to be serving as your 2<sup>nd</sup> Vice District Governor. I promise to do my very best to serve all the 6C clubs and entities to the best of my ability, under the direction of District Governor Ted.

What you need to know about me is I have been a Lion for almost 29 years. I am passionate about Lionism. I believe if you take on a task, you should give it your very all. That is my promise to you, to DG Ted, and 1<sup>st</sup> VDG Bob.

Over this next year, I plan to visit as many 6C clubs and entities that I can. I will call the club president to let them know I am coming; I promise not to blindside anyone. FYI: I do not travel alone. My chauffeur Lion Bill, my husband of almost 51 years, makes sure I get wherever I need to be since I do not drive. As he always says, "I am only the driver." Without my driver, I would not be able to be as involved as I love to be. I am very blessed to have him as my Partner-in-Service and support person.

One of my direct jobs this Lionistic year is to oversee the Zone Chairs and know what is going on in each Zone to report back to DG Ted. As the year progresses, I know there will be more responsibilities. I am up for the challenge.

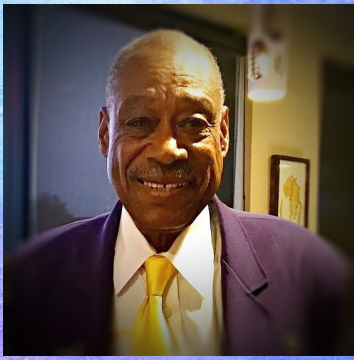

Please add me to your mailing list to at [LionsDBChristian@aol.com](mailto:LionsDBChristian@aol.com). Looking forward to serving the 6C Lions. God bless.

Yours in Lionism,

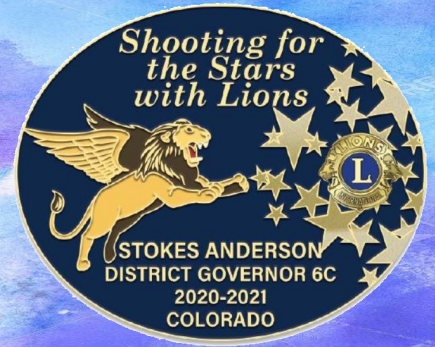

2<sup>nd</sup> VDG Dianne S. Christian

## IMMEDIATE PAST DISTRICT GOVERNOR 6C STOKES ANDERSON

**Congratulations to District Governor Elect (DGE) Ted Peterson, First Vice District Governor Elect Lion Robert Storrs and Second Vice District Governor Elect Lion Dianne Christian, your incoming District Leaders. I also want to thank each of you for the support you gave me this past Lion year and all you did in living up to our motto, WE SERVE.**

**Throughout the year all of your service activities and donations to Lion Clubs International Foundation were being reported on MyLion. Although not readily apparent to many, those reports indicated how innovative you were under severe restraints in accomplishing those activities. I encourage each of you to continue to innovate and serve our communities. The problems associated with the Virus, although abated, is not gone and your new Leadership Team will need all of your support to ensure that District 6C will continue to serve and grow.**

**In May, the Rocky Mtn. Cyber Lions installed their new officers and inducted 7 new members and celebrated their 10<sup>th</sup> anniversary with the help of PDG Holly Rutherford-Allen, PDG Gwen Balk, DGE Ted Peterson, and many others. This month, I along with DGE Ted Peterson, attended dinner with the Englewood Lions and inducted three new members and installed their new officers. We also installed the new officers for the Pleasant View Lions. Many of us will also be attending the 2021 Virtual 103<sup>RD</sup> Lions Clubs International Convention. I am sure that good information will be forth coming from all that attended with new challenges for the coming year.**

**Yours In Lionism,**

*Stokes Anderson

## *Diabetes Project to Send Youth to Camp*

In past years, the CRM Cyber Lions raised money to send youth (ages 5-17) to the American Diabetes Association camp..this year and hopefully in future years... we are coordinating with the Colorado Lions Camp director, Erin Newport and all funds raised will be earmarked for hosting a diabetes week for youth at our Lions camp.

I have the date, place, time, ordered several posters from LCI... what's missing? a planning committee and volunteers!

### Tasks:

- ◇ get educational speakers and materials
- ◇ volunteers for activities - Lions, Leos, others
- ◇ determine age group for camp
- ◇ discussion topics/educate parents, youth, caregivers about diabetes
- ◇ create marketing plan/flyers, digital, involve community
- ◇ photographer
- ◇ health care professional
- ◇ local partners/sponsors
- ◇ covid-safe snacks/water/coffee/tea
- ◇ Review event sponsorship letter
- ◇ waivers for walkers and review the Lions program insurance booklet
- ◇ (safety officer)
- ◇ create itinerary
- ◇ coordinate with Colorado Lions Camp on how donations can be made online and earmarked for youth diabetes week/review donation options
- ◇ route markers
- ◇

Planning committee can have meetings via zoom and/or in person; email suggestions; call or whatever is convenient.

Thanks for your consideration
