## District Governor - Ted Peterson

From time to time, you may be asked what your “passion” is. With Lions, two things come to mind. First, providing training for all Lions and second, growing healthy clubs. I enjoy doing club talks, visiting Lions club to inform them of the many things that are available to them, and how they can better serve their members and communities. It is the little things that will touch the heart and stir the emotions to change a person’s outlook on life. Connecting with members and keeping everyone informed what your club is doing will improve the morale of your members. If someone missed a meeting, check in on them to see if everything is alright. One thing I have learned with Lions is We are Family! As such I, want the best for my family members. We have a district team that is ready and willing to assist your club to ensure it becomes the best it can be. Please do not hesitate to invite any member of the district team to come to your club to do a club talk.

I have not filled all the positions of the District 6 C cabinet yet. I still need two zone chairs, Zone “A” and Zone “C”. In interim, I have asked the two VDGs to work with the two zones until I find someone to fill the positions. Keep in mind, for the zone chair positions you need to have been a club president at one time. Other chairs that are needed: Childhood Cancer, Convention, Hunger, Speech Contest, and Youth Exchange/Youth Camp. If you are passionate about any of these positions, please give me a call.

My travels as district governor have taken me to the Colorado Rocky Mountain Lions Eye Institute Foundation board meeting, Colorado Rocky Mountain (CMR) Eye Bank Annex for their open house, and a club visit with CMR Cyber Lions. Two recipients of the 6 Central District Governor’s Award from the CRM Cyber Lions are Lions Charles Wong and Lenora Rodgers. I did training for our two zone chairs, Mark Hamouz and Burrell Mitchell, so they can start working with their clubs. District 6 C will be doing Lions training throughout the year to equip Lions to better service their members and communities.

Attend Council of Governor’s in Canon City on July 24<sup>th</sup>.

Shining the Light of Service to better serve our communities,

Lion Ted Peterson  
6 C District Governor

### Let's try something New and Fun

Have you ever Tweeted on Twitter? More importantly have you ever created a Tweet that was seen by Lions around the world? Well, you can, and it is really easy. So, let's do exactly that.

First, if you don't have a Twitter account, set one up.

- On your PC, go to [Twitter.com](https://twitter.com), click Create an Account, then select a username and enter the additional information requested. Twitter will send you a verification code via your phone. Enter it and continue through the steps. Remember your password.
- If you prefer to do this on your phone, download the Twitter app from your app store and open it up. The setup process is similar except you will receive a code via email to enter and continue the process

If you want more instructions, look at these YouTube videos

Setup on PC: <https://www.youtube.com/watch?v=92Li7GUWg2A>

Setup on Phone: <https://www.youtube.com/watch?v=ojqKQc6rGxM>

Now click on **Tweet** and type a short message about something going on in Lions. Next is the option to include a picture or a video (icon at bottom left). This significantly improves the interest created by your tweet. **Now the secret** to getting your Tweet shown on Lion's websites around the world. Include #Hashtags that Lions' websites use to find Tweets to show. You can start with a few local hashtags and then include those used by Lions groups around the world.

#LionsDistrict6C will be on our district website soon but can be seen at

<https://www.lionstorrs.info/photos>

#LionsMD6 will appear on the MD6 website at <http://www.colions.org/>

# Shine the Light of Service

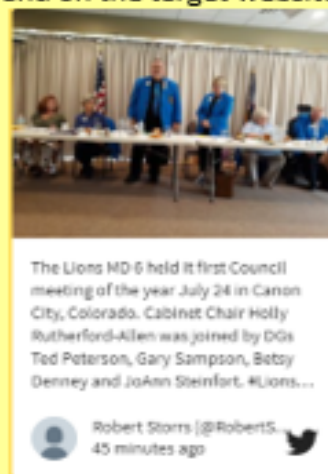

## August 2021

Your Tweet will look something like this:

and on the target website:

Post it. It will take a few hours for the post to propagate through. Then so wait half day to check the website that is going to show your Tweet. If you simply want to try this out, use #LionsDistrict6C as your post. It will only appear on the one site: <https://www.lionstorrs.info/photos>. The club that has the most Tweets posted to my site per member will receive a prize.

This same approach to use of Hashtags applies also to posts on YouTube and Instagram. #WeServe can be used to spread your Tweet across the Lions community.

What should you Tweet? Did you have an interesting speaker at your meeting? Did a Lion receive special recognition? Did you participate in a service project? Did you take a picture of a Lions activity? Did you take a video of a Lions activity? (Videos are highly effective at communicating and gathering interest). Or do you just have a thought about Lions that you would like to share? Every Lion can contribute.

## August 2021

Dear Fellow, 6C Lions,

At the start of this Lionistic year on July 10<sup>th</sup> as 2<sup>nd</sup> VDG, I attended the Open House of the Rocky Mountain Lions Eye Bank (RMLEB) Annex. It was well worth my time and a fascinating education and tour. It would be a great place for your club to set up a visit. Of course, you would have to contact them and schedule a time at RMLEB at 720-848-3937. See how your donated dollars are spent.

On July 17<sup>th</sup>, DG Ted Peterson held Zone Chair training at my home. Attending were DG Ted, GLT District Coordinator PDG Rick Argotsinger, Zone B Chair Burrell Mitchel, Zone D Chair Lion Mark Hamous, and me. Who was missing? Zone A and C Zone Chairs. If you are a Past President and looking to serve your Zone and District, please contact me. We need those two chairs filled ASAP. One of my jobs as 2<sup>nd</sup> VDG is liaison between DG Ted and the Zone Chairs. I promise you will receive the training you need to do the job.

My theme is **"Passion Never Fails."** I honestly believe if you are passionate about something, you cannot fail. So, since most Lions are passionate about Lionism why keep it to yourself? Share your passion with your club, community, and district. Passion can be contagious, a good kind of contagious. Your enthusiasm and passion are a good way to inspire potential new members and ignite seasoned members. Your enthusiasm also can make others think "What I am missing out on?"

Our first 6C cabinet meeting was July 31. If you were unable to attend, **"Save the Date"** for the next cabinet meeting on **October 30, 2021**, at St. Paul's Episcopal Church in Lakewood. Zone Chairs, club Presidents, Vice Presidents, Secretaries and Treasurers should attend cabinet meetings. It is recommended if you are on your club's Board of Directors, you should attend to support and represent your club. All Lions are welcome to attend the cabinet meetings. Attending gives you an opportunity to learn about other clubs in our district.

Wishing you all a productive August as we all strive to be the best Lions we can be. **Roar!!**

God bless,  
Yours in Lionism

### Colorado Lions KidSight Program August 2021

#### **We are Celebrating!**

We are celebrating our 20th anniversary this year. Did you notice our new anniversary logo? During this time our KidSight Colorado program has screened more than 500,000 children and referred more than 50,000 to an eye doctor due to detection of a vision problem. Thank you Lions of Colorado and KidSight Colorado volunteers for your tremendous support.

As part of our celebration we will be holding celebrations in eight areas across the state - Fraser, Sterling, Loveland, Lamar, Pueblo, Durango, Grand Junction and Denver! We hope you can attend one of these celebrations near you! Invitations will be going out in the next few weeks and celebrations will occur from August through October. Please join us for food, Lion fellowship, a trip down the KidSight memory lane and a special thank-you gift for all who attend. We can't wait to celebrate with you!

#### **We Are Hiring**

KidSight Colorado is looking for someone to do data entry, reports and limited vision screening in the Denver metro area. Most work can be done from home and hours are flexible. Hours vary from week to week but never exceed 20 hours. This is an hourly position paying \$15 per hour. Please contact Holly Rutherford-Allen for more information at 720-325-7078.

#### **Schools Are In Session Again**

The children are back to school this month and I know many clubs are already thinking about scheduling KidSight screenings. Many school districts are anxious for us to conduct screening this year since they were not able to do much last year. Clubs may feel free to screen children older than kindergarten if the school district asks you to do so. We anticipate higher rates of referral this year due to the pandemic and the amount of screen time children had due to schooling at home. If your club is interested in conducting KidSight screenings this year and need some help getting started please let me know. I am happy to schedule a KidSight presentation or a training on our screeners so that you can get up and running. My contact info is listed below.

The 2020-2021 Annual Report for the KidSight Colorado program will be distributed to the Council and all club Presidents and Secretaries in August. Please share this information with fellow Lions.

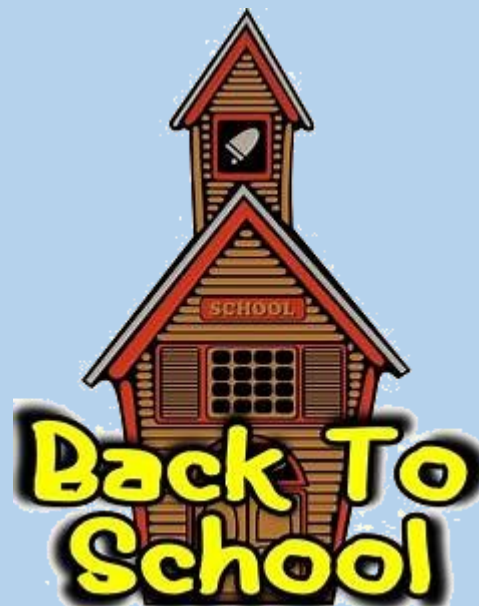

## We Couldn't Do This Without You!

You all touch the lives of so many children in Colorado and in many cases you change their lives forever by identifying a vision problem that can be corrected. You make a difference, one child at a time. Thank you again for all that you do!

### LIONS ALERT (DISASTER RELIEF)

Colorado has suffered numerous mudslides due to excessive rain in previously burned areas and flash floods recently resulting in the loss of property and life for some and the closure of interstate and local highways and disrupting local and interstate travel.

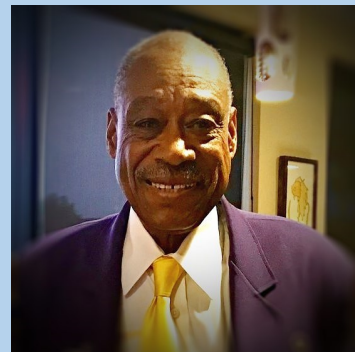

It appears that the entire western half of the United States is having major issues with wild fires and the eastern half is being threatened with excessive rain, tornadoes, and tropical disturbances.

Every disaster is local, as it affects you, your family, neighbors, friends and others. The Lions Alert program is here to assist you if, when, or after an emergency occurs. The following are goals for the year July 21 to June 22:

- A: Develop an Alert Plan for Multiple District 6 and District 6C.
- B: Encourage each Lions club to develop their own plan for members and their community.
- C: Ensure clubs are aware of resources that are available through Lions Clubs International (LCI)/LCI Foundation.
- D: Identify local emergency resources

### 6C Committee Chair Report International Hearing Dog Inc. (IHDI) 1<sup>st</sup> Cabinet meeting

7/31/21

IHDI Board Member  
PCC Andrew Smith

International Hearing Dog (IHDI) survived the pandemic and is thriving. We hope those who attended the 6C Cabinet meeting at IHDI enjoyed the talk by IHDI and the demo of what a hearing dog can do.

One of DG Ted Peterson's items on the DG Contest form is to have the committee chair from IHDI (ME!) to visit your club to talk about IHDI. Take advantage of it! Earn points for your club and learn about IHDI.

Follow Facebook posting from IHDI and forwarded from me. Be sure to read your 6C newsletter and MD6 Mane Lioner for info about IHDI.

IHDI relies on Donations, grants and service projects to help the hearing impaired with everyday life. Lions can help make this happen. I would like to have 100% of the clubs make a donation every year.

Check out [Internationalhearingdog.org](http://Internationalhearingdog.org) website to learn everything about IHDI. You can donate from the website or send a check by mail. Help IHDI by shopping from their wish list for items they need for the training of the dogs.

I'm looking forward to seeing all of you!

**TO:** District Governor Peterson and 6C Cabinet Members  
**FROM:** PDG Gwen "Cookie" Balk, 6C District LCIF Coordinator  
**DATE:** July 27, 2021

The good news is that in spite of COVID-19, all of you of District 6C were able to raise and donate funds to LCIF and I am happy to report the following results for the third year of LCIF's Campaign100:

**STATUS of 6C GIVING to LCIF for the period from 7/1/20 – 6/30/2021 as follows:**

- Donations totaled \$20,720 which was 10% greater than last year's donations of \$18,764. 6C had the HIGHEST district donations in MD-6.
- 100% Club Participation which means all 28 Clubs made donations by the end of the year - - which means I met my goal of 100% participation. 6C shares this accomplishment with 6W. THANK YOU!
- Here are what some of our Clubs did in this third year of Campaign100:
  - **2 Clubs** averaged greater than \$200/member.
  - **3 Clubs** averaged between \$100 - \$130/member.
  - **10 Clubs** averaged between \$20 – \$50/member.
- As a reminder, direct donations to LCIF can be made by your club, your individual members, corporate sponsors, or from fundraising events through your Club, your Zone or your District.

**LCIF CLUB RECOGNITION / MEMBER RECOGNITION:**

- 4 Progressive Melvin Jones Fellowship (PMJF) recipients from our District.
- 4 Melvin Jones Fellowship (MJF) recipients from our District.
- Let's honor and recognize more Lions during this new Lions year.

## August 2021

**District and Club Community Impact Grant (DCG) Program** – This new program was introduced as part of Campaign100 and includes donations from the 2017-18 fiscal year as well. Essentially, 15% of unrestricted donations will be set aside for either a Club or District. To qualify for the set aside, a Club must give a minimum of \$5,000 within the fiscal year and the District minimum amount is \$10,000 from all other Clubs. Both have an opportunity for 6C to accumulate these funds over a 15-yr. rolling period to save it for a larger local project.

- In the first year of Campaign 100, no Clubs donated \$5,000 in order to qualify for a DCG; however, in the second year, we had 1 club gave slightly more than \$5,000. In this third year, things improved as we had two clubs that donated \$5,000 or more and qualify for \$750+ set aside for DCGs.
- On a District level, donations have exceeded \$10,000 for the last several years including this year. Cumulatively, we have \$7,024 funds already set aside and I expect that to increase to about \$8,615, an increase of approximately \$1,591.

*Information on the District 6C's available funds for a District Grant will be announced by LCIF in late August after the year end donations are reconciled. I will let you know what our updated funds are at that time.*

**Your contributions are empowering LCIF to provide service to people and communities throughout the world and here in our own back yards! THANK YOU!**

**6C LCIF COORDINATOR'S CAMPAIGN100 GOALS FOR 7/1/2021 - 6/30/2022:** Here are my goals for this new year.

- Raise \$38,568 in this final year of Campaign100. (*My original goal for the four-year campaign was \$110,112. Through 7/26/21, we have raised \$71,544 total so far leaving \$38,568. Our per member average has been \$128 through 7/26/21. I would be happy if we could reach \$25,000.*)
- 100% Club Participation
- 3 Model Clubs at \$5,000+ for this final year
- 4 Clubs that average greater than \$200/member
- 7 Clubs that average greater than \$100/member
- 17 Clubs that average \$20 - \$99/member

**All of you have done your part in this third year of Campaign100, and I wholeheartedly**

**THANK YOU! ROAR!!**

## *Diabetes Project to Send Youth to Camp*

In past years, the CRM Cyber Lions raised money to send youth (ages 5-17) to the American Diabetes Association camp..this year and hopefully in future years... we are coordinating with the Colorado Lions Camp director, Erin Newport and all funds raised will be earmarked for hosting a diabetes week for youth at our Lions camp.

I have the date, place, time, ordered several posters from LCI... what's missing? a planning committee and volunteers!

### **Tasks:**

- ◇ get educational speakers and materials
- ◇ volunteers for activities - Lions, Leos, others
- ◇ determine age group for camp
- ◇ discussion topics/educate parents, youth, caregivers about diabetes
- ◇ create marketing plan/flyers, digital, involve community
- ◇ photographer
- ◇ health care professional
- ◇ local partners/sponsors
- ◇ covid-safe snacks/water/coffee/tea
- ◇ Review event sponsorship letter
- ◇ waivers for walkers and review the Lions program insurance booklet
- ◇ (safety officer)
- ◇ create itinerary
- ◇ coordinate with Colorado Lions Camp on how donations can be made online and earmarked for youth diabetes week/review donation options
- ◇ route markers
- ◇

Planning committee can have meetings via zoom and/or in person; email suggestions; call or whatever is convenient.

Thanks for your consideration

### Opportunity to Serve Our District

**Zone Chair** - We have need of two Zone Chairs in our district: Zone "A" and Zone "C". To be a zone chair, you must have been a club president. New constitution and by-laws change states: Have not previously served a full term or a major portion thereof as district governor and zone chair may serve no more than three (3) cumulative years in said position.

**Childhood Cancer Chair** - This is one of our Lions Global Causes. I have a lot of ideas this Lions could do to get this essential position going in our district. The chair would have a blank slate to start a program in our district with.

**Convention Chair** - This person would coordinate the planning and details of the district convention. They would interact with the district governor to confirm details of their wishes for the convention. Coordinate the registration and meal(s) and generally oversee the planning committee.

**Hunger Chair** - Another of Lions Global Causes. Most clubs work with their local food bank or shelf to help those in need. Other clubs may do food boxes throughout the year. There are project ideas on Lions Clubs International website that can help in directing this position.

**Speech Contest Chair** - The chair is responsible for getting the information out to clubs and seeing to it the club winners get to the district convention to compete. Then the district winner gets to our multiple district convention to compete.

**Youth Exchange/Youth Camps** - This chair would be working with the State chair to help with getting host families for the exchange students coming to our youth exchange camp. The Youth Camp side would work with those special need persons who would like to experience going to camp.
