### District Governor - Ted Peterson

The weight of the district is on my shoulders. I have a great team to help to carry the district. Note to self: suggest to 1<sup>st</sup> VDG to start in the spring to meet with their Global Action Team to get a jump start in July. Let them know, if they need help is to call, always willing to help. We started out with -9 members in the first week. I would like to give a shout out to Kiowa for their new member, Kermit Witherbee. Welcome Adams Centennial new members Kathleen Oviatt and Steve Welte. I inducted those two at my Governor's Visit on August 10<sup>th</sup>. Denver Park Hill Lions reinstated a member, so we are at a -6 at this time. I am confident that we will clear this number and continue to grow with new members.

Training is important to me. I sat down with our GLT Coordinator to lay out my vision for training this year. We are having a general training for Lion members on October 2<sup>nd</sup> with three sessions. The location has not been selected yet but stay tuned. District 6 C has a team of trainers that we will be utilizing throughout the year. We will have another general training in the first part of the new fiscal year also.

I held the first Governor-Club President Coffee Talk on August 14<sup>th</sup> with 9 presidents of our 26 clubs. We talked about general topics to start with and I asked for other topics they would like to discuss in the coming Coffee Talks. I plan on having 6 throughout this Lions year. We may even have an evening meeting with dinner and a guest speaker. For those presidents who could not make it to this coffee talk, I will be touch base with them in the next couple of months. 1<sup>st</sup> VDG Bob had many resources from Lions Clubs International (LCI) that the presidents could have to help them in they club. The resources are free from LCI.

District 6 C had their first cabinet meeting at International Hearing Dog Inc. IHDI Director Carol Heiden gave us an update of the program and one of the trainers demonstrated how they train the dogs. The next cabinet meeting will be October 30<sup>th</sup> at St. Paul's Episcopal Church.

## Are Your Members Excited about Your Club?

A few of questions.

- What percent of your membership attends your meetings?
- Do you know why they come to the meetings?
- How do they feel about being a member? Do they take pride in membership?
- Do you have a group of members who don't attend meetings or community service projects? Do you have a written list of these members? What are you doing about them?
- Have you used the "How are Your Ratings" questionnaire to gain insight as to how your members feel?

This questionnaire has 12 simple input section where members rate volunteer activity, satisfaction with the club meetings, overall evaluation of your club, and wishes for the future. Download a fillable PDF from LCI then email to all your members. Track who has and has not responded and follow-up with those that didn't. Then put all the information gathered into a presentation to the club. Share what you have learned and get additional information and suggestion to address issues.

Once you understand what your members want, you can better design your meetings and projects to excite them about your club. An excellent help in this part of your process is "Membership Satisfaction Guide" from LCI to help develop an action plan for any issues you discover.

Dear Fellow 6C Lions,

How is your club doing with membership? Not just getting new members but most important retaining them. Sponsors of new members, your job does not stop when you bring in a new member. Your job is just beginning. For the first year, you should be the go-to person for that new Lion. If they are missing meetings, find out why. It might be something you can help them with. Make sure the Lion you sponsor has your phone number and e-mail. Also, make sure they know you are there for them no matter what. Communication is key.

Get your new Lion involved in your club but be careful not to overwhelm them either. Find out where their strengths are and use that to your club's advantage. Praise your new member whenever possible and above all always make them feel welcome.

Membership is not just the job of the Membership Chair. It is the responsibility of all the club members. It is a **TEAM** effort, just as it is the club's responsibility to help the sponsor with their new Lion and make them feel welcome from all the members.

Looking for a dynamic speaker on membership? That would be PDG Donna Sly-Redd, the Global Membership Chair for District 6 C. PDG Donna herself has brought in over 75 members into Lions. All our clubs need help in this area so be sure and use this powerful resource. PDG Donna is there for all our clubs. You can contact her at [slyhudson@msn.com](mailto:slyhudson@msn.com). Make sure you put membership in the subject area.

Wishing you all a productive September as we all strive to be the best Lions we can be.

God bless,

Yours in Lionism

## Opportunity to Serve Our District

**Zone Chair** - We have need of two Zone Chairs in our district: Zone "A" and Zone "C". To be a zone chair, you must have been a club president. New constitution and by-laws change states: Have not previously served a full term or a major portion thereof as district governor and zone chair may serve no more than three (3) cumulative years in said position.

**Childhood Cancer Chair** – This is one of our Lions Global Causes. I have a lot of ideas this Lions could do to get this essential position going in our district. The chair would have a blank slate to start a program in our district with.

**Hunger Chair** – Another of Lions Global Causes. Most clubs work with their local food bank or shelf to help those in need. Other clubs may do food boxes throughout the year. There are project ideas on Lions Clubs International website that can help in directing this position.

**Youth Exchange/Youth Camps** – This chair would be working with the State chair to help with getting host families for the exchange students coming to our youth exchange camp. The Youth Camp side would work with those special need persons who would like to experience going to camp.

Is your club looking for an interesting speaker? Then you need to invite the “Forgotten Heroes Campaign.”

They are an organization that seeks out those men and women who served our country but did not receive the medals and recognition they have earned. Once researched, their medals are presented in a formal ceremony. The presentation is done by a retired general or colonel.

**Their Mission:** Forgotten Heroes Campaign directs & searches for veterans living or deceased who have honorably served their country and present them, or their family member(s), medals, awards, ribbons, and badges earned but never received. A public ceremony will be held to present the awards to the deserving veteran. The Forgotten Heroes Campaign also supports other veterans organizations.

They have made their presentation to the Golden Lions Club as well as the Centennial Airport club. Both clubs were impressed.

If you would like them to speak at your club or you are a veteran or know a veteran who would qualify, please contact: Lion Bill Christian at [CBDPrintingLLC@aol.com](mailto:CBDPrintingLLC@aol.com) or call 720-328-5333.
