Lions of 6 Central, I had a great time at the USA/Canada Lion Leadership Forum in Des Moines, Iowa. It was so nice seeing everyone in person, there were a little over 1,400 in attendance with about 300 cancelled at the last minute. The Lions University had a potential of over 700 graduating, with just over 400 receiving their degrees in person. I was excited to learn that Colorado had 28-29 Lions in attendance at the Forum. I reacquainted friendship and met new Lions from across the country. Next years Forum will be in Calgary, Alberta Canada being held September 15-17, 2022. If Calgary is not for you in 2023 the Forum will be held in Reno, NV, which is an easy road trip for us.

The second President Coffee Talk is coming up on October 9<sup>th</sup>, I am looking for a location in the Englewood/Littleton area. I feel we had a good start with 35% of the club presidents in attendance. I hope to see more in attendance this time.

We are all sadden by the passing of PDG 'Ole' Jack Beckfield. Let us keep Lion Sharon and family on your thoughts and prayers. And let us respect the family wishes of giving them time to process their grief.

Our 2<sup>nd</sup> cabinet meeting will be October 30<sup>th</sup> we are going to have a Halloween theme, so dress up in your best costume.

I would like to give a shout out to Kiowa Lions Club for recruiting another new member.

Clubs, please send me a Governor Visit form for a district governor visit to your club. The form is in this newsletter; you can email me for a form if you would like too. All those attending the October cabinet meeting will have wear a mask and it can only be taken off when eating or drinking.

Serving with you to meet the needs of our communities,  
Lion Ted Peterson,  
6 C District Governor

## October 2021

Dear Fellow, 6 C Lions,

**“We Are Lions!”** What does that mean to you? To me, it is a community of friends and acquaintances who have a desire **To Serve** their community. As Lions, we work together in a cohesive manner. We are an organization of service.

**“We Serve”** is the Lions motto, not I Serve. This means we work together as a TEAM. One Lion cannot do it alone and shouldn't. Alone, you are not effective, but as a TEAM so much can be accomplished.

Many Lions clubs experience bickering and dissension within their club because some members are not open to change. Failure to listen to others new ideas is a common problem within clubs. This is called the “NIH Syndrome” or otherwise known as the “Not Invented Here Syndrome.”

Lions' clubs have always had individuals come up with new ideas, especially new members, just to be shot down because it has never been done that way before. Well, many times those new ideas and projects can refresh a club that has become stagnate. Listen to those new ideas. Take the time to give that new idea or project a chance. This can help with member retention. Having the feeling that a member's voice is heard and not shot down helps build confidence and strengthen a club, thus building excitement in their club.

So, take the time to open your mind and ears and listen. Give that new idea a chance. Work as a TEAM, remember **“We Serve.”**

Wishing you all a productive October as we all strive to be the best Lions we can be.

God bless,

Yours in Lionism

## Global Leadership Team (GLT)

***Shine the Light of Service!***

### **6C GLT Update September 30, 2021**

Thank you for your patience! This has already been an amazingly busy start to the new Lions year and sometimes things can get a little out of hand. DG Ted had originally asked me to set up a Lions Refresher for October 2, which has simply not been possible.

However, we have rescheduled it for November 20, 2021, which is the Saturday before Thanksgiving. The tentative schedule of sessions will include: *STOP the Catch & Release Program*; *Club Membership: It's a TEAM Effort*; and *Lions Ladder Climbing*.

The aims are to regain and renew our mindset for our organization to grow not only in membership, but in the development of all members. When we bring in new members, we also add to the numbers of people we can serve. We also need to supply opportunities for all members to develop and use their amazing individual talents in service, and some may also want to see what other responsibilities in Lions they can achieve.

Please feel free to email me at [RLA197745@GMAIL.COM](mailto:RLA197745@GMAIL.COM) with any questions, or, if you would like me to visit your club to chat. My schedule has been crazy, as yours probably is, so patience is always appreciated!

Yours in Lionism,  
PDG Lion Rick Argotsinger, 6C GLT

Remember: ***We Serve!***

### 6 C Past Presidents

We need your help. Currently, we do not have a Zone chair for Zone A or C. Zone A consist of Adam Centennial, Broomfield, Lafayette, Louisville, Nederland & Thornton. Zone C consist of Arvada, Denver Den, Denver Westwood, Golden, Idaho Springs, Mile High Motorcycle club, & Pleasant View.

As Zone chair you will preside over the clubs in your Zone to assure everything is going smoothly. You are the go-to person, the advisor between the club and the District Governor. You are a voting member of the District Governors cabinet.

You should hold 3 to 4 Zone meetings during the Lionistic year. These are held within a few weeks after the Cabinet meeting. All the clubs in the Zone gather to share what is going on in their club. The Zone chair can arrange for an appropriate speaker. Some good old fashion Lions Fellowship should take place.

The only requirements are that you be a past president and a commitment to Lionism. You will receive an orientation for the position.

Take the time and think it over, than please act. **Your District NEEDS YOU!!** Please Contact 2<sup>nd</sup> VDG Lion Dianne Christian at (720) 328-5333 or e-mail me at [LionsDBChristian@aol.com](mailto:LionsDBChristian@aol.com), and I will present your name to DG Ted.

God bless,

Yours in Lionism,

## Opportunity to Serve Our District

**Zone Chair** - We have need of two Zone Chairs in our district: Zone "A" and Zone "C". To be a zone chair, you must have been a club president. New constitution and by-laws change states: Have not previously served a full term or a major portion thereof as district governor and zone chair may serve no more than three (3) cumulative years in said position.

**Childhood Cancer Chair** – This is one of our Lions Global Causes. I have a lot of ideas this Lions could do to get this essential position going in our district. The chair would have a blank slate to start a program in our district with.

**Hunger Chair** – Another of Lions Global Causes. Most clubs work with their local food bank or shelf to help those in need. Other clubs may do food boxes throughout the year. There are project ideas on Lions Clubs International website that can help in directing this position.

**Youth Exchange/Youth Camps** – This chair would be working with the State chair to help with getting host families for the exchange students coming to our youth exchange camp. The Youth Camp side would work with those special need persons who would like to experience going to camp.

### 6 C – Zone C Holds Zone Meeting

On Saturday September 25<sup>th</sup> Zone C held their first Zone meeting for this Lionistic year at the American Legion in Golden. The meeting was hosted by the Golden Lions. 2<sup>nd</sup> VDG Dianne Christian presided over the meeting.

6 out of 7 Zone C clubs attended. Clubs represented - Arvada, Denver Westwood, Mile High Motorcycle club, Golden, Idaho Springs & Pleasant View. Total of 19 Lions. DG Ted Peterson (DG Ted also Pleasant View secretary and Guiding Lion for Arvada) and 1<sup>st</sup> VDG Bob Storrs (Golden Lions & Associate member Mile High Motorcycle Club) attended.

There was great interaction between the clubs. Many great ideas shared by all.

Our dynamic speaker PDG Donna Sly-Redd (District 6 C membership coordinator) helped wrap up our meeting with positive membership tips. **"ROAR!"**

Give PDG Donna a call or e-mail at (720) 231-3818 or [slyhudson@msn.com](mailto:slyhudson@msn.com) to come and speak to your club on membership. All clubs need her help, I promise you won't be disappointed.
