

Shine the Light of Service March 2022

Everyone is most likely wondering what is happening with the Marshall Fire relief. I have secured a \$10,000.00 Emergency Grant from our Lions foundation (LCIF). The committee identified a need that we could help with. They purchased kitchen sets; they included a pot & pan set, silverware, plates and bowls, and several other items. They also purchased sheet sets and pillows. They are in the process of distributing the items at the old Costco building in Flatiron Mall. We do need volunteers to help in the distribution of those items. Please call 303-726-0778 to schedule your club helping.

District 6 C Convention will be April 2nd at the Lakewood Holiday Inn. Our guest speaker will be PID Bruce Beck accompanied by Lion Erin Beck. Lion Bruce is from District 5M-9, Palisade Lions Club. I first met Lion Bruce was at Multiple District 5M convention in May 2012, he was council chair elect at the time. I had lunch with Lions Bruce and Erin the afternoon before the convention started. Lion Bruce is retired from the Aitkin County Sheriff's Office with 25 years of service. Currently Lion Bruce is serving as chair of the FVDG/DGE Training for the incoming DGs for 2022-23. He is the only PID from MD5M that has not been a guest speaker in Colorado. So, it is my privilege to host PID Bruce. I invite you to attend our district convention you won't want to miss this great opportunity to hear what PID Bruce has to said to us.

District 6 C had their 3rd cabinet meeting February 12th, held at Family Sport Center in Centennial. I would like to thank Centennial Airport Lions for hosting the meeting. It was nice to have a good turnout for the in person. I had it a hybrid meeting, I apologies that the sound was not as good as it should have been. We will work on getting it better next time. I presented IPDG Stokes Anderson and PDG Gwen Balk Certificate of Appreciation from LCIF for their work from every club in the donating to the LCIF last year. ROAR! As we finish out this year of Campaign 100, please consider giving a challenging donation to LCIF. I say, "giving is not equal giving but equal sacrifice." Some clubs have more means than others.

I was in Nederland on February 26th for a Governors Visit. I will be calling clubs who haven't schedule their club visit this month. Would like to have them done by May if possible.

Clubs should be electing new officers in March, need to have them reported on MyLCI by April 15th. That way the district can let our State Office Managers know for the new directory.

I hope to see many of you at our district convention on April 2nd!

1st Vice District Governor
Colorado District 6C
Lion Robert "Bob" Storrs

I just want to say how proud I am of this district in its efforts to help the victims of the Marshal Fire. The clubs and individuals who donated, the entire Lions Alert team and the Lions who are giving of their time to help distribute needed items to the families.

The Lions Alert team has done such a great job we owe them all a special thanks - IPDG Stokes Anderson, Jeanne Barret, PDG Jack Russalesi, DG Ted Peterson, 2nd VDG Dianne Christian, John Spice, CC Holly Rutherford-Allen and all the others who helped.

I think years from now the district will look back on what was done this year with so much pride.

March 2022

Fellow 6 C Lions,

Diversity. What does it mean? Diversity means having a range of people with various racial, ethnic, socioeconomic, and cultural backgrounds and various lifestyles, experiences, and interests. Having a variety of individuals and points of view represented in your club is good. Diversity is a group of people who are different in the same place. Sometimes it can be as simple as having different ideas.

As **LIONS** we experience a lot of diversity. We are different but share a common goal. Our Motto "**We Serve**" says it all. We need to respect others' ideas and keep an open mind to new ideas brought before the club. It can be very discouraging, especially to a new member who is excited about an idea, and they get shut down before the idea even gets a chance for discussion.

Food for thought. Is there resistance in your club to new ideas? How can that resistance be addressed? Utilizing the talents and skills of a diverse membership can help you meet those challenges. Don't be stuck on "we never did it that way before." **Keep an open mind.** That is how your club will grow and I am not talking about getting new members but retaining the members you already have.

Many times, you hear the comment of "**the good old boys rule the club,**" it is their way or no way. That makes others feel left out and that is not a good thing. Sometimes "the good old boys" aren't even aware that this is happening. Make them aware and I would hope, in most cases, you can see a change. Figure out how your club can benefit from the ideas and talents that diversity can bring. What can you do to strengthen the support of diversity that currently exist?

We need to involve our **LIONS** in projects. Find their niche. Maybe they aren't a sales-type individual, but they shine in building things. Everyone does not like the same thing, thus diversity. Find their strong point and let them work on that.

Try encouraging meeting participation and spotlighting the skills and talents of other **LIONS** in some way.

Remember we all have the common goal of serving.

Wishing you all a productive March as we all strive to be the best Lions we can be.
God bless,

Yours in Lionism
