

Shine the Light of Service June 2022

News from our District Governor/Council Chair Elect

June is here, if you haven't had a membership drive now is the time to do that. It would be great to finish the year on a positive and to set the momentum for the new year. If you need help getting that going, we have a district team that can help. Either contact PDG Donna or myself.

If I have not made a club visit yet or scheduled one for your club, please let me know. I can set something up with you. I have five governor visits set up for June so far and I am only working part time this summer, so I can schedule around work.

As I reflect over the past 11 months, I am amazed of all that we have accomplished. I know I shouldn't be amazed; WE ARE LIONS! Yet you continue to outdo yourselves in service and humanitarian efforts. I deeply appreciate how District 6C came together to assist those affected by the Marshal Fire. You definitely "Shine *The Light of Service – Service From The Heart!*" I can't be prouder of 6 Central!

I have seen some amazing clubs grow in membership. Continue to meet the needs of your members – member satisfaction is important for the stability of your club. Be open to new ideas from your newer members; let every member speak and listen to them.

Service reporting - I need to admit I didn't keep as close as track to MyLion as I should have, but that's why I have a GST Coordinator. We need to continue to be vigilant with reporting service in an ongoing basis in MyLion. If you need instruction, there are several of us who can help.

I want to give an ATTABOY to the Used Eyeglass Program Committee. You have done an awesome job! Thank you, Lion John Spice, for your leadership and direction. 6 Central will soon have the first Used Eyeglass Recycling Center in the State. I should also mention thanks to Lions Dwight Steen and Fletcher Brown for all their hard work too.

PDG Gwen "Cookie" Balk has done a fantastic job again for our district LCIF as the District LCIF Chair. I thank each Lion and club for giving to our association's foundation to continue to meet the global cause our association does worldwide. Thank You Cookie!

Those who attended the 6 Central convention will all say, what I said, “what a great convention.” Well done Lion Janice Davis and your committee! We had 20 clubs out of 26 and 91 Lions in attendance. I am ecstatic about that!

All our cabinet meetings were in-person this year. It was great to have our first one at International Hearing Dogs. It is always great to have them at St. Paul’s Episcopal Church who open their doors to us. Thanks to Centennial Airport Lions for hosting a cabinet meeting too. I wanted to have RMLEI for my 3rd cabinet site, yet it’s great we are here today. Thanks to Lion Barb Guest for being my cabinet secretary this term.

Thanks to Lion Clella Newcomb, cabinet treasurer. She really wanted to retire last year but she was nice enough to stay on for my year. I wish well to DGE Bob Storrs as he takes over next to have an amazing year. Thanks to 1st VDGE Dianne Christian for all the things she has done this year, and the best to come in her year. I welcome 2nd VDGE Willa Townsend to the team and offer my help to her as she enters her run for governor.

I would like to finish by saying; 50 years ago, another Lion from Pleasant View Lions Club was finishing his year as District Governor and heading on to be MD 6 Council Chair, PID Earl Maddox.

What an amazing run I have had. I would like to thank the Lions of Colorado and District 6C for allowing me to take this adventure with them. Don’t you know.

I am especially grateful for my partner in service, Eunice, for putting up with all the traveling and late nights. If it wasn’t for her, I would have never been able to serve you as your District Governor.

Lion Ted Peterson,

LEADERSHIP

It is that time of year where we are transitioning our leadership in our Clubs, District, Multiple District and even Lions International. Change is happening. We all have our own style of leading and we need to adjust, to find the most effective method of leadership for your club. I always loved this quote from Nelson Mandela, "It is better to lead from behind and to put others in front, especially when you celebrate victory when a nice thing occurs. You take the front line when there is danger. Then people would appreciate your leadership." That is a powerful statement!

Leadership is the ability to move a group towards a common goal that would not be met if a leader had not been there. Getting people to work together isn't easy and unfortunately many leaders skip over the basics of team building in a rush to start achieving goals. One of your most important tasks as a leader is to set ambitious but achievable goals with your club's input. Meet with your club and find out what goals they would like to see achieved, then move forward.

How you chose to manage will have a great effect on your leadership ability. Know your club and find out how they adjust best; then respond to make your leadership the most effective.

Was the previous leader effective in their management? Maybe the previous leader was dynamic and what you would say a tough act to follow. Don't be intimidated. Be your own person. Trying to manage like someone else never works. You must lead how you feel comfortable. You can be just as dynamic but in a different way and who knows, maybe even better. Maybe your past leader was autocratic, "My way or the highway!" Always a lot of tension and a lot of intimidation, yeah, that really works! Did your previous leader lead in a Laissez-faire manner, everyone walked all over them. Seems like nothing got accomplished as there was no true guidance. Or were they democratic in their leadership. The "TEAM" affect. This is my personal approach, but you must be careful using this approach not to lose control. You are still the one leading the club! Listen, but disseminate all the different ideas and collaborations. Ultimately you are the leader and must go in the direction that best benefits your club. Sounds a little autocratic right? Not really. It is not the "my way or the highway" approach. You have listened to all the ideas and then made an informed decision. You might have found that several of the ideas shared blended together to make one effective solution.

You need to be careful not to come in and decide to revamp everything. People can be resistant to big sudden changes, and you will end up behind the 8 ball before you even start! Baby steps as they say. Please get a feel for the club before making big changes. Yes, you have been a member of the club for many years, and you know what needs to be changed, you think. Well, you are in a different roll than you were as Joe/Jane Lion. Again, get the feel of the climate and how your general membership is responding to you as their new leader.

Let your club members know that your door is always open, and not to let any conflicts they have whether with you or another club member fester, things only get worse that way. Open communication is always the best. Sometimes what you thought was a big deal is not as big as you thought.

Now for those of the general membership. You have a new leader, a leader you voted in to lead you. Please give them a chance. They have taken on a huge responsibility and need your support. It is tough following another leader. Either they have big boots to fill, or great expectations are placed on them. Either way be supportive and willing to support them in any way they need your help. Don't be so quick to judge or criticize, put yourself in their shoes. Give them a chance to get their feet wet and guide the team in their most effective way. Remember you are part of a team that has a leader, and a team works together. "Individual commitment to a group effort—that is what makes a team work." *Vince Lombardi*

Please always show respect to your leader and fellow team members even if you disagree. We talked about that last month. Remember as the quote goes, "You can please some of the people all of the time, you can please all of the people some of the time, but you can't please all of the people all of the time." *Abraham Lincoln*

Wishing you all a successful 2022-2023 as you begin with new leadership in your club. Let us strive to be the best Lions we can be. ROAR!!

God bless,

Yours in Lionism

6C LCIF Chair Report

PDG Lion Gwen "Cookie" Balk

May 20, 2022

To: District Governor Ted Pederson and Cabinet:

As you may know, Lions are in the last few months of Campaign100 - it all ends on 6/30/2022. However, you still have time to make a donation or a pledge for the next few years that would count toward this Campaign. What are you willing to give to a world in need?

The **good news** is that the Lions of 6C have done an outstanding job of giving and supporting LCIF through their service and volunteerism over this four-year campaign. I thank you from the bottom of my heart for all you have done.

STATUS of 6C Monetary GIVING to LCIF: Since the beginning of Campaign100 through 4/30/2022, the 6C Lions have given a total **\$85,308.52** to LCIF or basically an average of **\$150** per Lion in our district based on 566 members at the start of the campaign and **\$168** at the current level of 507 members. We are at 78% of the campaign goal of \$110,000 set by us at the beginning of what turns out to be a 4-year Campaign. By 6/30/2022, I expect that we will be closer meeting that goal by 85% or more.

- **District Monetary Giving since 7/1/2021** – In the first 10 months of this Lion's year, donations total \$13,765.28. With just 2 months remaining and your continued support, I am confident that 6C will reach \$20,000 for this Lions Year.
- **Zone Monetary Giving** - Since the beginning of Campaign100, Zone A represents 8.2% of all monetary giving; Zone B represents 7.5%; Zone C represents 33.4%; and Zone D represents 49.6%; Miscellaneous donations attributed to 6C makes up the remaining 1.3%.
- **Campaign Model Clubs** – We have five model clubs in the district.
- **Club Participation** is at 81% which means 21 of our 26 clubs have made donations so far this year. Let's see if we can reach 100% club participation by 6/30/2022!

Let's not forget Melvin Jones Fellowships. In this Lions year so far, there have been 2 Melvin Jones Fellowships awarded and 3 Progressive Melvin Jones Fellowships awarded; and I am sure there are more to come before our year is over.

STATUS OF DISTRICT /COMMUNITY GRANTS (DCG) FUNDS: District 6C has about \$6,700 in DCG Funds available for a grant for a district project. By the end of this year, we hope to boost that to

Shine the Light of Service

June 2022

\$8,000. Funds do rollover from year to year so that we can save for a bigger project; however, if we don't do something before 2034, the amount available will be reduce.

STATUS OF HELPING! Thank you to all Lions who helped to serve the disaster victims of the Marshall Fire whether you were a leader, a planner, a buyer, a volunteer, or a donor, you all played an active role in helping the victims of the Marshall Fire. A great big THANK YOU and a loud ROAR to all of you that helped and will continue to help as that community moves forward to rebuild!

Your donations of time and money not only helps our communities, it reaches others around our globe and makes it possible for LCIF to address their 8 global causes which includes Disaster Relief, Vision, Humanitarian Efforts, Diabetes, Youth, Childhood Cancer, Hunger, Environment.

I am available to visit your virtual or live club meetings. Call me if your Club needs a speaker or would like a presentation. My personal cell is 303.916.2775 or e-mail me at gball@kcmccvt.net.

Respectfully submitted,

PDQ Gwen "Cookie" Balke

Subject: Lions Club Relays

On behalf of Leonard, Melissa, and myself thanks for helping make Lions Club Relays a huge success this year! We were a little worried after canceling the last two years due to Covid and moving to a different stadium, we might experience some glitches this time, but I think everything went pretty smoothly. We ended up with a total of 22 elementary schools (tying the record) and 1,423 runners racing in 78 heats. This event was first held in 1984 and other than the last two years and one additional year when a late-season blizzard forced us to cancel, the relays have been held every year.

It's quite the undertaking with a total of 35 full and part-time staff from the City, 22 P.E. Teachers with 3-6 assistant volunteers each, and an additional 6-8 Lions Club volunteers all working together to ensure the event's success. It's the best example I can think of where the City, School District, and a local service organization work together to benefit the community. Money raised from entry fees helps support the Lions Club Vision Services Programs which provide eyeglasses, exams, and other services to local elementary school children in need. Thanks again for your help and we hope to see everyone again next year!

Peace Poster Contest

Make a Commitment Now to Run this Project!

For over three decades, Lions clubs around the globe have been sponsoring a very special art contest in schools and youth groups. Creating peace posters gives children everywhere the chance to express their visions of peace and inspire the world through art and creativity.

This is a great project for your club. A Peace Poster Contest is an easy project, requires minimal expenses, is a service project for students ages 11, 12 or 13, and provides great publicity for you club.

The theme for this coming year's contest is "**Lead with Compassion**".

Learn more at <https://www.lionsclubs.org/en/start-our-approach/youth/peace-poster>

Contest schedule:

Do It Now

- Select a chairperson for the project
- Identify schools or organizations to involve in the contest. (Mid schools and Scout troops are good targets)
- Order you Peace Poster Contest Kits
<https://www.lionsclubs.org/en/start-our-approach/youth/peace-poster#kit>

Sept 1+ Contact schools / organizations to explain program and provide contest rules

Sept 15 – Nov 1

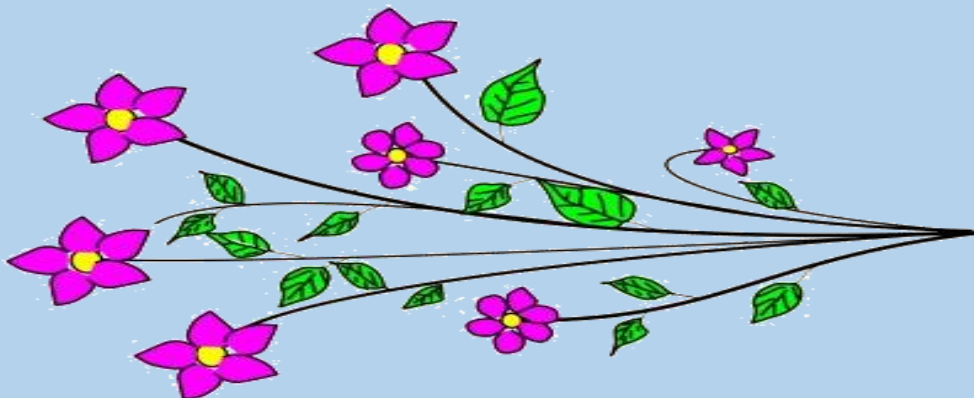

- Judge posters, select winners, present awards, take pictures
- Submit news release to local papers with pictures (Jack Russalesi to provide model press release for club to customize)

Nov 15 is deadline for clubs to submit winners to District Governor

Nov 16+ District judging

Dec 1 is deadline for DG to submit district winner to MD6
