A New Lions Day Is Dawning

And Together We Can Make It Great

The Year Begins

How time flies. It seems like only a minute ago when I was being sworn in by LCI President Brian Sheehan and now a full month has gone by. It was not a wasted month as we did accomplish several objectives.

PDG Rick Argotsinger and PCC Holly Rutherford-Allen held an excellent training session for Zone Chairs in June to ensure the Zone Chairs can start off running.

Sunday, July 17, the District Cabinet officers, Zone Chairs, Global Action Team leaders, and several key other leaders in the district assembled for a District Planning Session and Pizza Party. The entire team reviewed the major areas of support that the district provides the clubs.

- Membership support
- Leadership support
- Service
- LCIF
- Marketing and Communications

The entire team is dedicated to providing all the clubs in our district with all the support you need and want. "Just Ask" can also apply to getting help when needed.

One of the new ideas that came out of the session is Officer Extravaganza. Read GLT Holly Rutherford-Allen's article for more information but be sure to join in as it is going to be special.

By the time you receive this article, we will have held our first district cabinet meeting on July 30. A lot of business to attend to with a focus on the goals of the district leaders and service committee chairs. The cabinet meeting will be followed by a time for clubs to share with all Lions in 6C, their history whether it be over 100 years or just a few.

Remember, one of my goals for this year is to **have FUN** and encourage every Lion in the District to do the same.

I Am A Nobody Now

I was talking to a fellow Lion and dear friend from Florida who is now a past president. A Lion for over 30 years who has held many positions on the club level and district level, Lion Pat made the comment to me that she was now a “Nobody,” since she just finished her term as club president. That statement really floored me. Lion Pat has given so much to Lionism as a member as well as an officer, she is no way a nobody.

That really got me to thinking. **No Lion is ever A “Nobody!” Every Lion is an “Important Somebody.”** Just because you are not a leader, does not make you any less important. In fact, the general membership is what makes Lions cohesive.

There can be no leadership if the leader does not have a team to lead. Thus, you the **Lion** whether new or seasoned is an **“Important Somebody.”**

So many times, I have people say they are in awe of what I have done in Lionism. I do it because I love Lions and wish to serve in this manner. However, I am always in awe of those Lions we never hear about, who do so much behind the scenes but never are recognized nor do they look for recognition. Even the Lion who may only give a small amount of time, but they give what they can, they are **Important**. There is no one Lion less or better than the other. No matter what position we hold, we are all **Lions** who wish **“TO SERVE,”** in the best way we can. That is how it should be.

I remember once when I was working as a RN in the hospital, a gentleman employee said to me “I am just the janitor.” Well, I told him, you are a very important member of the team. If you did not keep the hospital clean just think of the impact it would have. Thus, no one is **“JUST,”** we all hold an important place no matter what level you are at.

**Always remember, Volunteers do not necessarily have the time;
they just have the heart. ~Elizabeth Andrew**

Please remember LIONS are Volunteers. Appreciate the time they give. Some can give more than others. Please do not criticize those who give less but be thankful and appreciative for the time they do give.

Thanks Fellow Lions for your commitment to Lionism as we all go forth **“To Serve.”**
Remember “You Are Important.” We can’t do it without you. ROAR!!

God bless,
Yours in Lionism

NOW IS THE TIME FOR ALL LIONS TO COME TO THE AID OF DISTRICT 6C

Hello District 6C Lions, some of you may know me, some of you may think you know me and some could care less. I am Lion Roy Donaldson, PDG and District Governor Bob Storrs asked me to service as his District Global Service Team Coordinator.

As Service Coordinator I will be working with var the varies standing Committees of the District. One in particularly I would like to make a plea, on behalf of the District Governor, for a Lion Leader of the District to serve as Committee Chair for **Childhood Cancer**. Right now we do not have that position filled.

As Committee Chair you would work with the Clubs to promote service projects for **Childhood Cancer** issues in their communities and contacting the Children Hospitals in our District to determine how as Lions Clubs we could be service to them. This should be a committee of 3-4 Lions promoting this Global Service cause. If you are interesting in taking on this position and serve the District Governor's Cabinet please contact the Governor or me and we can discuss it.

I have some thoughts of a fund/fun/service projects, but first we need to identify the needs in the **Childhood Cancer** community. There are five Global Causes that Lions Clubs International has identified and they are **Vision, Hunger, Diabetes, Childhood Cancer and Environment**.

I think we can get a lot of exposure from this service. Remember fellow Lions "Ask Not What District 6C Can Do for Your.....Ask What Can I Do for My District", paraphrasing a famous Leader.

Yours Lions Service

Lion Roy

6C LCIF Chair Report

PDG Lion Gwen "Cookie Balk

July 30, 2022

To: District Governor Bob Storrs and Cabinet:

I want to thank all the Lions of 6C and their Clubs for your service, time, and donations to Campaign 100 and being part of LCIF's success story as they exceeded their goal of 300 Million Dollars by raising nearly 336 Million.

In this final year of the campaign, our preliminary numbers indicate that District 6C donated a total of \$89,416 over the past 5 years. However, the number is still not final. I do believe that some last minute pledges have increased that total to approximately \$93,161 through mid-July. We do expect a final report within the next few weeks. The following breakdown graph by years totals \$89,416:

| | 2017-2018 | 2018-2019 | 2019-2020 | 2020-2021 | 2021-2022 |
|--------------------|-----------|-----------|-----------|-----------|-----------|
| District Donations | \$16,369 | \$15,701 | \$ 18,764 | \$20,710 | \$17,872 |
| Club Participation | | | 100% | 100% | 100% |

District Community Grant (DCG) Funds: Both District 6C and two separate Clubs in the district have DCG funds available and held in reserve at LCIF for each of them. When the District (or Club) finds a community project they need to fund, they can apply for these DCG Funds through LCIF. Funds do rollover from year to year so that 6C can save for a bigger project; however, starting 2034, the first year of those reserved DCG funds expires and will no longer be available to the District. Currently, the total funds available to 6C equal approximately \$8,838. The DCG Grant program was related to Campaign100.

| | 2017-2018 | 2018-2019 | 2019-2020 | 2020-2021 | 2021-2022 |
|-----------------|-----------|-----------|-----------|-----------|-----------|
| Club 1 | | | \$762 | \$767 | \$865 |
| Club 2 | | | | \$750 | |
| District | \$1,350 | \$2,355 | \$1,727 | \$1,590 | \$1,816 |
| Expiration Date | 2034 | 2035 | 2036 | 2037 | 2038 |

Your donations of time and money not only helped our community but reached others around our globe and made it possible for LCIF to address their 8 global causes which includes Disaster Relief, Vision, Humanitarian Efforts, Diabetes, Youth, Childhood Cancer, Hunger, and the Environment.

I am available to visit your virtual or live club meetings. Call me if your Club needs a speaker or would like a presentation. My personal cell is 303.916.2775 or e-mail me at gbalk@comcast.net.

A Lions Hospital in Kenya

Our daughter and 2 grandchildren, 20, and 17 went on a 10-day humanitarian trip in June to volunteer at a school in Kenya. While on the trip they took a day to go on a Safari. As they were traveling to the Safari our daughter saw a Lions Hospital and ask the driver to please stop she needed to get a picture for her mom. I not only was impressed at the photo, but that my daughter thought of me and had the driver stop the bus to take the picture.

Kim said this hospital was in the middle of nowhere. The LIONS NGOSWANI COMMUNITY MATERNAL and CHILD HOSPITAL it is located a mile West of Ngoswani Village in Kenya, it had just opened in 2021.

What you see in the photo is the entrance. The hospital, which measures around 6,000sqft, seats on a 7-acre piece of land with 12 staff sleeping rooms, adequate solar system, and a 600,000 liters rainwater cistern. The hospital comprises of 2 Ultrasounds GE Portable X-Ray with DR developer, a lab, 2 operating theaters, 5 patient rooms, 10 hospital beds, and 6 cots, a Pharmacy, 3 exam rooms, family planning, Laundry, and a sterilizer. All this in a remote area.

I just had to share this amazing photo. Doesn't this make one proud to be a Lion! Our LCI dollars at work, for the better good.

God bless,

Yours in Lionism,

Colorado Rocky Mountain Cyber Lions sadly report the passing of Lion Charles E. Wong

Charles joined the family of Lions 2018. He was a proud Lion and a great friend to all who knew him. He was always happy to talk about the Lions organization and checked in weekly if he was unable to attend meetings. He always wanted to make sure he was current on dues so he paid two years in advance. Charles was an avid traveler and kept in touch with veterans throughout the nation and attended veteran reunions. Charles is truly missed.
