LION OF THE YEAR

A NEW PRESIDENT

Lion Ronald "Ronnie" Thompson, above with wife Kitty, was awarded 2013-2014 Lion of the year much to his surprise, as can be seen above. He was still in a state of shock during the Officer Installation ceremony following shortly thereafter. What an excellent choice we made. Congratulations Lion Ronnie Thompson.

President John Bell turns over the gavel to incoming President John Creswell during the recent awards and inauguration ceremony.

Memorial Ceremony

The annual Memorial Ceremony was conducted by Lion Ben Wehman, in honor of Lions, Neil Dimick and J.P. (Bud) Looney, June 5. The ceremony was attended by honored guests Teresa Dimick, Elizabeth Looney and her daughters Karen Brawner and Angela Corbell.

Mrs Dimick later donated \$1,200 in Neil's honor, to the club for the Texas Lions Camp to be split between the horse barn, Century Key & operations.

Lion Tonja Perez's grand-daughter Krista, THEN & NOW!

How fast they grow! Krista in 2009 and in 2014. In 2009 Krista had been collecting aluminum cans for our club for a couple of years when we presented her with the savings bond. So she has been a part of our group for a long time especially for her young years. We were proud of her then and we are proud of her now that she has grown into a beautiful young lady. We hope she will become a Lion some day.
