October Issue 2017

LITTLE BEVERLY AND THE SHADES

Our favorite band played at Market Day in October. They always keep our feet tapping to the “Oldies” of the 50’ , 60”s and some 70’s music.

Pumpkin Decorating is a family project for the younger ones.

We held our Annual Pumpkin Decorating Contest again this year for all ages.

Two of the winning pumpkins in the youngest age group. GREAT JOB!

Lion Rogers Holt was a well-dressed pirate.

Bobby Burris wore the tail and head of a Lion while driving around in his A-La-Cart Snack and Drink cart.

Wimberley Lions honored another well deserving Outstanding Lion in October. Left to right are President Vic Forsyth, Lion Gloria Ibarra, recipient of the honor, and Lion Ron Steel.

CONGRATULATIONS LION GLORIA!!!!

Wimberley Lions welcomed a new member to our club. From left to right are: Lion Ron Steel, sponsor, new member Sharon Criswell, Lion Misty, Membership Chair, and Pres. Vic Forsyth in back. Sharon's joining gives us 188 members in our club.

WELCOM TO THE WIMBER LIONS CLUB SHARON!

The program for the 17th was given by Dr. Eric Anderson, head of the Da Vinci Robotics Surgery team. He gave a very interesting presentation of how the robotics work and explained how they are less invasive and thus the patient heals faster and with less problems.

President's Letter for October 2017

October is here and that means a busy Market Day for the Wimberley Lions. Cooler weather always brings out large crowds that enjoy the shopping at our 450+ vendor booths and 10 Lions concession stands. The shopping, entertainment and food options are endless on our 15-acre field, so come out and join us.

We awarded an outstanding Lions Award to Gloria Ibarra this month. She is very active in the Wimberley Lions and has just accepted the challenging position of Administrative Assistant for the club. Gloria, thanks so much for your ongoing support.

Our Spot Kids Vision Screening Program continued during October. To date we have screened 885 kids with 79 referrals. This committee is core to our club and keeps Lionism in focus for all of us. All I can say is GREAT JOB!!

Our club will once again will help with the Keep Wimberley Beautiful Program this year. We are currently putting our plans together with the actual work day being on November 18th.

We are working on our 2019 budget. We are hoping that our annual grants budget this year will be around \$140,000, which will put us over the \$4,000,000 mark for our club. Lets all hope the weather holds for Market Days in November and December so we can make the very worth while goal.

Lastly, the Wimberley Lions would like to wish all of you a wonderful holiday season and safe travels for families and friends.

Vic Forsyth, President, Wimberley Lions

MARKET DAY STAFFING:

Lion Rebecca Stoian is our MD Staffing Manager and she works very hard to get Lions and/or volunteers to fill each position needed at Market Day. We need your help by doing the following:

- If you cannot attend Market Day and you have a regular assignment, please email Rebecca and let her know as well in advance as you can at vendor@shopmarketdays.com that you cannot work.
- If you do not have a regular MD assignment, let Rebecca know and she will find you a space. She works with Concession/Parking Managers and knows what positions need to be filled.
- If you do not like your current assignment, let Rebecca know and she will try and find you another spot

EDITOR'S NOTE: If you have any information and/or photo's you would like to add to our monthly newsletter, please email them to Beverly Nesmith at beverlynesmith@msn.com . We want this to be an informative tool, so your input is important. Please help keep our members informed.
