LIONS CHANGE CLUB STRUCTURE- BY PDG MIKE SMITH

For a hundred years the Lions club overall structure has not changed much

“The Model Club organizational structure is here”

over the years. Other than adding a 3rd vice president position it has been the same. The structure at lions clubs international has been evolving more and since it has changed it is time the Club and Districts organization structures had to change to match what is happening at Lions Clubs International.

The following changes were made to the existing structure at Lions Clubs International starting in July 2017. Global Leadership/Membership teams were expanding by one to that of the Global Service team and the combined team has been renamed Global Action Team. That is at the district level and now the global action team at the club level is President(Chair), 1st Vice President-Leadership, Membership Chair, Service Chair, Immediate Past President-LCIF Coordinator.

10/17/17 -BOD

10/24/17- Eden Hill

LIONS CLUB CHANGE STRUCTURE-CONTINUED FROM PAGE 1

With the Global action in place from Lions Clubs International down to the Club Level and everywhere in between the hope is for better communication up and down the line in the specific areas Leadership, Membership and Service.

Club structure now has the following changes there are two Vice President positions the old public relations position is now the marketing chair for the club. Still have 3 three Vice Presidents- No problem write a policy & procedures manual to define the role of the third Vice president for it s no longer in the standard Club Constitution& Bylaws. The marketing chair will coordinate and chair all the standing committees related to website, social media and newsletter. The job responsibility is to raise the Club's community profile.

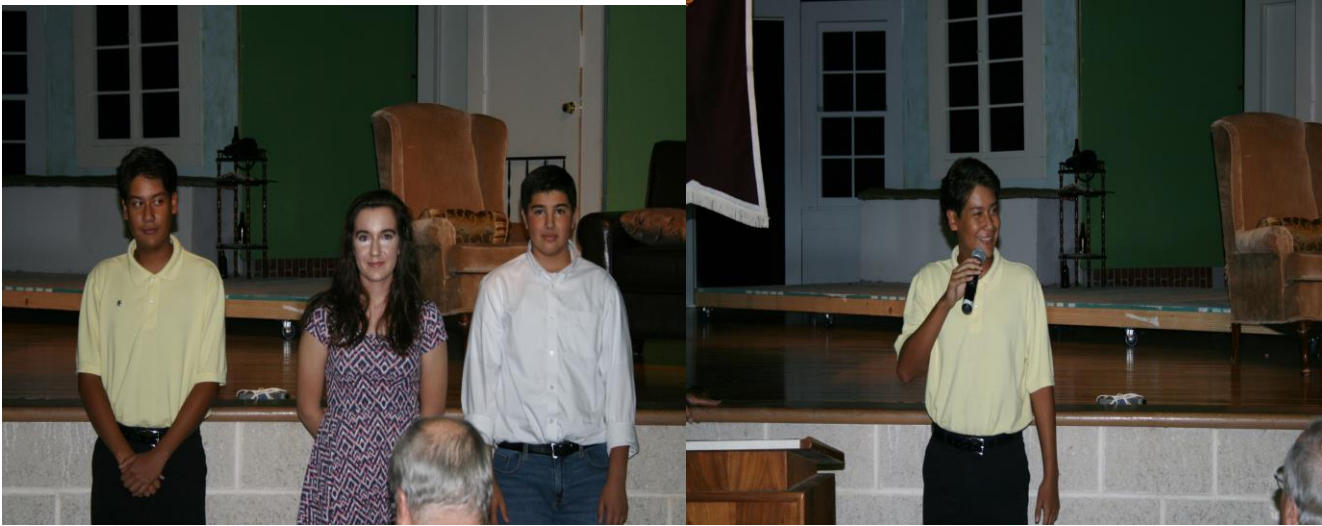

This change in the Model Club structure will take time to implement fully. The leadership element will help guide this transition so do not worry about when to fully get to be a model club. Use the change to also recruit new members that might have a expertise that will fit one of the new positions. Ultimately we want our members to have the opportunity to serve in a leadership role in our clubs and feel good about doing it.

NINTH GRADE CENTER LEO CLUB-CONTINUED FROM PG 1
