Founder Of Lionism

Melvin Jones

Lions have been helping people since 1917. That year, Melvin Jones, a Chicago businessman, encouraged his club, the Chicago Business Circle, to go beyond promoting good business practices. He convinced the members that selfless service to others would create a better community – and a better world – for all.

Melvin Jones also saw that a network of clubs working together could do much more than individual clubs acting alone. He invited similar groups from around the United States to a meeting on June 7, 1917 in Chicago, Illinois, USA. There, the new group assumed the name of one of the invited clubs and the Association of Lions Clubs was born. Later that year, a convention was held in Dallas, Texas, USA to formally adopt a constitution, by-laws and a code of ethics. The fledgling group became the International Association of Lions Clubs just three years later when a new Lions club was formed in Windsor, Ontario, Canada.

In the nearly 100 years since its founding, the association – usually called Lions Clubs International – has spread to all corners of the globe. In all these corners, Lions are welcomed and respected for their vision, integrity and dedication to our official motto: “We Serve.”

THE LIONS CREED

A person who achieves success, who lives well, laughs often and loves much; who gains the respect of intelligent people and the love of little children.

Who fills a niche and accomplishes his or her task,
who leaves the world better than he or she found it
whether by a brighter flower, a perfect poem, or a rescued
soul.

Who always sees the best in others and gives the best he or she has; whose life is an inspiration, whose memory is a benediction.

That person is a LION.

LIONS PRAYER

Lord make me instrumental of thy peace;
Where there is hatred, let me sow love;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.

O divine Master, grant that I may not so
much seek to be consoled, as to console, to
be understood, as to understand;
To be loved, as to love;
for it is in giving that we receive;
It is in pardoning that we are pardoned,
and it is in dying that we are born to eternal life.

INVOCATION

O God, who art Eternal Light and infinite Wisdom; in whom we live and move and have our being, we beg Thy blessing upon our deliberations that we too may acquire true knowledge and wisdom, and thus become more fit to serve our neighbor, our Country and Thee, Our Heavenly Father.
Amen

The LIONS PIN

I wear it on my collar, or sometimes on my lapel. Its just a little thing that says I have a story to tell. So when you see my pin I promise I won't shout. But I'll tell you a story of what its all about.

I'm proud to wear this emblem of service to mankind. To search out for the needy and serve the ones I find. I don't wear it for fame or glory, just to let you know its right. It says I'm a Member of the Lions and working to save sight.

Like millions of others who wear it in the countries I cannot spell.

It says "WE SERVE" and our service is not for sale.
So when you see my pin, this question I will as?
Come join me be a member and help take up the task.

LIONS INTERNATIONAL OBJECTS

- **To Create** and foster a spirit of understanding among the peoples of the world.
- **To Promote** the principle of good government and good citizenship.
- **To Take** an active interest in the civic, cultural, social and moral welfare of the community.
- **To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.
- **To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LIONS ETHICS

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part

To Remember that in building up my business, it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given

Always bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in work, act and deed. To give them freely of my time, labor and means

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy

To Be Careful with my criticism and liberal with my praise; to build up and not destroy

THE LIONS PLEDGE

I pledge my allegiance to my country and to the cause of peace throughout the world.

I believe in the principals of Lionism as contained in the Lions Code of Ethics.

I am proud to be a Lion.
Dedicated to the service of others.

Past Director Jatia and her spouse, Arvind, also a Lion, have two children.

The beginning of the International Association of Lions Clubs in District 412

Three men who had been lions elsewhere met by chance in the then city of Salisbury, a city which had no lions clubs. With the encouragement from the late Peter Keeble in Capetown the three Lions gathered together no less than 27 prominent business and professional men and a resolution was passed that Lions Club be formed in their city of Salisbury. The International Office in Chicago granted the Charter to the Lions Club of Salisbury on 21st September, 1959.

With the chartering of this club, by the then Federation of Rhodesia, Nyasaland and Southern Rhodesia became the 90th world geographical area to be served by Lions. The presentation of Charter to this new Club was performed by the late Peter Keeble in his capacity as the International Secretary for Africa and the ceremony took place in the old Grand Hotel (now no more) which was situated in First Street, Salisbury, in December 1959. The Charter was accepted by Russel Stevenson as Charter President of the Club. Russel's achievement of being a Club President of two clubs in two countries within such a short space of time, must constitute something of a Lion's record.

The charter of the Lions Club of Salisbury as it was known bears the names of 30 men none of whom are still members of the Club and most have passed on to higher service. One member, Denis Granger, left the original Club to form the Lions Club of Marlborough and is still an active member of that Club. Word of the establishment of Lionism in this part of the world spread as members of the Lions Club of Salisbury travelled around the federation on business and made contact with friends and acquaintances in other centres

In a short space of time, two new clubs had been sponsored in Gwelo (Gweru) and Bulawayo both with Charter dates of April 1960. These were followed by Blantyre, the first club in Nyasaland (Malawi) in August 1960. In 1961 Umtali (Mutare) and Marlborough followed with the first clubs in Northern Rhodesia (Zambia), in Kitwe and Lusaka, being formed. The movement had already spread to the different countries within the Federation. Salisbury East (now Greendale), KweKwe and Marandellas (Marondera) and Rusape followed in 1962. At the same time, the number of clubs in Northern Rhodesia (Zambia) continued to increase. All these clubs made great efforts to sponsor other clubs in turn and the "family tree" continued to grow. It is of interest to know that Southern Rhodesia (Zimbabwe) being the 90th geographical area, Nyasaland (Malawi) was the 96th and Northern Rhodesia (Zambia) the 100th. South Africa was 72th with their first club having been established in October 1957.

Extension was the principal activity and the countries of Mozambique with the formation of the Lorenzo Marques (Maputo) Club in April, 1963 and in Botswana, Lobatse Club joined in the plan to form a separate District in the area. These two countries were 104th and 126th geographical areas respectively. The status of provisional district had already been bestowed on the area and the target of 30 Clubs was the goal. By the end of 1964, a total of 22 Clubs had been chartered within the territories of the Federation, Botswana and Mozambique and with confidence, application was made to the International Office for full District Status. The Charter President of the mother club Russel Stevenson, was appointed as the Provisional District Governor for the year 1962/63. He carried this position until October 1963 when he had to give up the post on his transfer to South Africa. He had at least seen tremendous growth of Lionism since the chartering of the original club 4 years earlier. He was followed as Provisional Governor by Len Pinshow of Kitwe (Zambia) who carried on the duties until 1964 when the first District Governor of District 412, Lion Gwynn Evans of Bulawayo took over the reins.

It was not until two years later in 1966/67, when the late Lion George Hindley of the mother club was District Governor that the magic figure of 30 clubs was reached and the requirement for a separate District was reached. Two years later, yet another geographical area was added to the District with the formation of Lions Club of Luanda in Angola.

The beginning of the International Association of Lions Clubs in District 412

District 412 was then the largest in the area in the Lions world of single Districts (as is the case in South Africa). Angola then became the 133th geographical area of the International Organisation. The District then comprised a total of the different countries.

With the change in the name from Northern Rhodesia to Zambia and with 14 clubs in that territory coupled with the political situation at the time, Zambia decided that they should break away from District 412 and were granted Provisional district status in 1973. To this day, they are not a full fledged District. Following on this, the situation in Mozambique and Angola was such that those countries were also lost to the District. Their charters were withdrawn in 1976 and District 412 became one of three territories once again Zimbabwe, Botswana and Malawi. Had there not been these set backs with Zambia, Mozambique and Angola, who knows the district might have been one of the same 100 plus clubs.

Club President's Installation Ceremony

Master of Ceremonies, -----, (Chief Guest) -----, and his good lady, Cabinet Officers Present, Lions Clubs Presidents, Fellow Lions and Distinguished Guests.

Tonight it is my honour to proceed with the installation of the President of the Lions Club of ----- for the year ----- and, in keeping with this important ceremony I would ask you to refrain from smoking, mute your cell phones and to hold your applause until the installation is complete

OFFICER CONDUCTING THE CEREMONY LIGHTS A CANDLE

To start off, it is my privilege to request ----- (**International Dignitary**) to come forward and light a candle on behalf of our great organisation, The International Association of Lions Clubs.

There are two candles shining brightly both symbolise Lions Clubs International. Too often we think of LCI's HQ as an entity separate from the clubs that each of us belong to. Yet, the HQ whilst it could exist without any clubs would in that circumstance be extremely limited in the extent to which humanitarian and community service objectives could be achieved.

Lions Clubs International has relevance and meaning and significance as well as power and strength and ability to 'make a difference' because of the 1.3million members belonging to 45000Lions Clubs world-wide.

Next there is the significance in the candles shining brightly that proclaims our- yours and mine "ownership" of this installation ceremony for the lionistic year 20..-20.. The deeper meaning of the candles those now lit and those to be lit later during the ceremony includes:

Illumination – (Speaker No. 1) enabling us as lions to identify individual and community needs

Warmth- (Speaker No. 2) bringing comfort into the lives of those "we serve"

Visibility- (Speaker No.3) telling the donors who contribute money and/or material goods to club projects that the lions are alive and well and innovative

Radiance- (Speaker No. 4) enhancingthe pride of lions club officers and members and their families in their linkage to Lions Clubs International, as well as knowing that the time, energy and other resources committed are respected and valued in their communities

I will now call on Lion(District Dignitary) to come forward and light a candle on behalf of our District 412, which is a multi-country district comprising of the Republic of Botswana, Malawi, Mozambique and Zimbabwe. The Lions Clubs of ----- is part of Zone ----- Region -----.

The Lions Club of ----- was chartered on ----- with the ponsorship from ----- . I now ask Lion ----- (Lion from sponsoring Club) to come forward and light a candle to symbolizethe sponoring club.

Over the past -----years Lions Club of ----- has been led by a number of service minded men and women, someof whom cannot be with us tonight, I now ask Lion ----- to light a candle on their behalf.

The Lions Club of ----- I fortunate to have a number of Past Presidents still active. May I request Past President Lion ----- to come forward and light a candle on behalf of Past Presidents.

Will Lion President ----- (Outgoing President) please escort President Elect Lion ----- to the podium

Lion President ----- Please light a candle for your year in office 20.. – 20.. Lion -----, you have been duly nominated and elected President according to the club constitution. Members of the ----- Lions Club in this manner expressed their belief that under your leadership and guidance and with their cooperation the club will strengthen and enhance an already excellent image in the community.

The objects and ethics of the Lions Clubs International provide a framework of personal integrity, concern and global vision. They are evidence that the lions place high priority on meeting community needs and demonstrate high standards in their personal lives. Melvin Jones, the founder of Lions Clubs International, once observed:

“ if a lion club follows out its objects, it will have a full program, it will be interested in world affairs, in national problems, in the needs of its own local community and in the welfare of its individual members”

President Elect Lion -----into your hands for safe keeping is entrusted the charter of you club.

(hand over the charter to the president elect)

The Lions Club Charter is evidence of faith placed by lions in the principles of peaceful, cooperation, humanitarian and service and fellowship. Hand the charter to your successor as you have received it.

I now present the President Elect ----- with a gong and gavel, which symbolizes your authority as club president. Use the gong and gavel wisely and never in anger

(Present the gong and gavel)

President Elect, Lion ----- the success and all too often, the failure of the Lions Club has everything absolutely everything to do with how members regard it, and how the members and their families are honoured, respected, informed and valued.

Lion -----

Do you promise to lead the Lions Club of ----- to the best of your ability during the coming year keeping constantly in mind the ideals of lionism and its motto, “we serve”

Response----- “ I do”

Lion----- place the chain of office on Lion-----shoulders. By virtue of authority vested in me by the Lions Club International I proclaim Lion -----the president of the Lions Club of ----- --. Lion ----- please light a candle for your forthcoming year in office. Members of the Lions Club of -----please stand. I ask all club members standing

“Do you , having elected Lion ----- to be your president for 20.. – 20.. pledge him your support and agree to carry out those duties as may be requested of you to the best of your ability in the spirit of lionism”

(response --- "I do")

Lion ----- my final duty is to ask Lion----- to pin upon your lapel the Club Presidents' Pin.

After which, as your first presidential duty, please pin on Lion ----- lapel the Past President's pin

Lion President-----, everyone attending tonite wishes you a successful and gratifying year in office. We are confident, under your leadership the Lions Club of -----will move forward through a year of outstanding progress. The record your club establishes over the next 12 months depends to a marked degree on you. I am confident the year ahead will be a rewarding one and that your personal effort will bring increased prestige to Lions Clubs International.

The International family and the officers of District 412 join me in wishing you a wonderful year to the ultimate benefit of the urban and rural communities served by your club.

We have completed the installation ceremony. I request everyone to join me in wishing Lion ----- a year of meaningful humanitarian service to ----- community, to the republic of -----, and to the World of International Lionism.

NEW MEMBER'S INDUCTION PROCEDURE

Call to Order

We are about to begin our New member Induction ceremony, in which we will induct ----- new members into the Lions Club of ----- . At this time, I would like to call each of the new members and their sponsors. As their names are called, will the sponsors and new members please rise and come forward. Please hold your applause until all the names are announced. Thank you
