Fellow Lions,

Love is in the air in D412! In this month of love what are you doing to show your community some love. As Lions we need to have an emotional connection to the communities that we serve and create an excellent environment to push forward the mission of Lions Club International.

The Southern part of Africa has been hard hit by floods with Malawi and Mozambique being the worst cases. It is gratifying to note that Lions in D412 have taken up this challenge and have come up with various initiatives to assist the victims.

The D412 Convention is fast approaching, are you registered and have you paid for the Convention? Fellow Lions, let's all endeavor to attend this momentous occasion where we also get an opportunity to elect our District Leadership among other things.

I want to thank all those who have contributed immensely to this Newsletter every other month and if your club has not featured in the past 8 bulletins (including this one) then you ought to ask yourself the obvious question, Why? It's quite uplifting to hear from our fellow Lions in Mozambique, keep up the good work.

With PASSION, WE SERVE!

FROM THE DG's DESK

Fellow Lions,
We are eight months gone into our Lionistic Year! We are left with four months to do a final evaluation. Remember our Goal on membership?! 1,250+ by March, 2015. I am glad to report that our numbers have increased. We started the year with 843 members and we are now at 1000+. However, March is here and we have not yet reached our target of 1,250+. Lion Leaders, we still have room to make it. Let us take a

few moments to make sure we are on track with our purpose. Let us ask ourselves questions relevant to our goal. What is working well? What haven't we done? What do we need to stop doing? What do we need to start doing? What do we need to continue with? Let us pause and reflect.

In our District, we have great leaders. Great leadership can overcome any obstacle. Great leaders can take a group of determined, like-minded people and accomplish nearly any goal. Our Leaders should for sure motivate us, however, every Lion should contribute to the effort to produce more Lions in the District.

Recently, our District hosted the 2015 DGE Seminar, in Lilongwe, Malawi. In attendance were DGEs from MD404; MD411; SD413 and of course our District. In Multiple District 404, Nigeria, they have four Districts. In Multiple District 411, they have two Districts; while as you know, Zambia is a District on its own. This left us the odd ones out. Zambia's population is almost the same as that of Malawi or Zimbabwe. If Zambia has done it, I am sure amongst the four Countries in our District, we can at least split into two Districts. And for this to happen, it starts with growing membership. We have sung the multiple district song for too long. Shouldn't we now conclude? The reality may not be too far. Mozambique has two active clubs now. The third is in the offing. It should be chartered in a matter of days. There is still a lot of fertile ground in Mozambique needing cultivation.

I visited Tete and Beira a couple of days ago. Fellow Lion Leaders, you will not imagine the potential there is in Mozambique! Let us make sure that we do not wean them off too quickly. Distances, may be a challenge, however, let's make use of all alternative sources of keeping a close watch on them. Motivate and mentor our new Lions in Mozambique.

As we get closer to celebrating our Centenary in Service and as Lions worldwide are busy in centennial activities, I'm glad to report that Clubs in our District have risen up to the celebration. A good number of clubs participated in Feeding the Hungry program in the months of December and January. Other Clubs participated in saving our Environment. Trees were planted; public places were cleaned. Congratulations to all clubs that are together with the World Family of Lions in the Global Action Campaign in readiness of our GRAND CELEBRATION IN 2017.

So, take pride in being a Lion and be very optimistic about our future. We have done great work and our service grows stronger as time passes.

We continue our Service with Passion

DG Jean Mathanga

GREAT WAY TO GET NEW MEMBERS

Dear Lion,

You already know there's a big difference between communities that have a Lions club and communities that don't. A healthy club with active members can truly bring a community to life. That's why it's so important to continue building a strong club. One of the best ways to strengthen your club is by inviting new members. And there are so many great ways to do it:

Ask One – The Ask One campaign shows that each Lion can play a part in building membership, and it all starts by asking one friend, family member or neighbor to join.

Service Projects – On your next project, invite family and friends to serve with you so they can feel the satisfaction of service, then ask them to keep serving with you as Lions.

Special Events – Invite your community to join you for special events like Family and Friends Month in April to showcase your club and the difference you're making.

Start a Branch Club in Your Community - Club branches are a great way for your club to increase membership and expand service in your community. Branch members become part of an existing "parent" Lions club—your club—but they organize their own meetings, projects and officers just like a regular club. It only takes 5 people to form a club branch, which makes it easier to get started.

A club branch is great way to add members and bring needed service to remote areas of your community. It's also a good option for potential new members who can't make your club meetings or for people who are passionate about a special type of service. Learn more about starting your own club branch today!

<http://members.lionsclubs.org/EN/lions/new-clubs/club-branch.php>

Inviting new members is the responsibility of all Lions, so continue to make membership a priority and keep encouraging your members to Ask One!

LEADERSHIP DEVELOPMENT - FDI / ALLI

ADVANCED LIONS LEADERSHIP TRAINING & ALL AFRICA CONFERENCE, 04 - 08 FEBRUARY 2015, BRAZZAVILLE, CONGO

District 412 was represented at the just ended Senior Lions Training Institutes (Advanced Regional Lions Leadership Institute & Faculty Development Institute) and the ALL Africa Conference held in Brazzaville, Congo by 4 Lions namely Cabinet Secretary, Lion Ken Banda, Region Chair, Lion Jona Machaya, Zone Chair, Lion David Saunyama, Zone Chair, Lion Patrick Chifamba. All Africa Leo Panelist IPLDP Leo Pritchard Muzanarwo also made the trip to Congo.

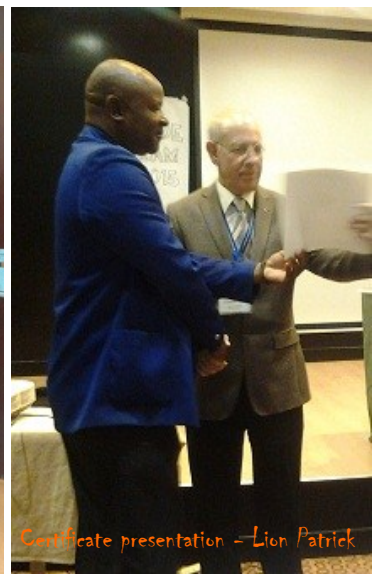

Lion Jona and Lion Ken took the opportunity to attend the Faculty Development Institute (FDI) while Lion David and Lion Patrick attended the Advanced Regional Lions Leadership Institute. On behalf of the District, we would like to congratulate our fellow Lions for enhancing their Leadership skills which will go a long way towards uplifting our District.

Flying the District 412 flag high in the Congo!

LEADERSHIP DEVELOPMENT - RLLI

Welcome to RLLI Holiday Inn Bulawayo 28-30 April 2015

Dear Regional Lions Leadership Institute Delegates,

On behalf of the Faculty Team, I would like to welcome you to the District 412 Regional Lions Leadership Institute and to what is going to be an exciting and fun filled three days prior to the District Convention.

These three days will be what you make of it and I urge you to feel free and comfortable to ask questions, share your experiences and ideas. Remember there is no such thing as a "stupid question". The Institute has been designed to ensure participation from the delegates.

The Faculty team are not here to lecture, we are here to share. You are required to attend all workshop sessions, group meals and group activities. As we have planned a very tight schedule, I respectfully request that you make a note of all the starting times and ensure that you meet all the required timings. A total 77 Lions are registered to attend from all corners of District 412. The Institute schedule and Pre Assignments will be sent to you in due course.

Please remember that all drinks, laundry and telephone calls are for your own account. You will need to settle the account for these before you leave. For those of you who are making use of the Holiday Inn for extra accommodation, this is also for your own account and will need to be settled before you leave.

Boarding & lodging: A double room (B&B) will be allotted to the attendees on sharing basis. Complete Boarding and lodging for the duration (check in 28 April 2015 morning - check out 30 April 2015 morning). Please send details of spouse in case attending the RLLI for ease of allocation of accommodation.

Transportation: All attendees will be reimbursed US\$ 0.05 per Km one way .

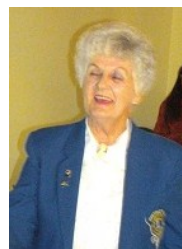

This institute is your opportunity to grow, to learn and to be introduced to the bigger picture. The facilitator team is here to assist. If there is anything we can do to make your stay more welcome, please let us know. Most importantly, we want you to enjoy your stay with us in Holiday Inn, Bulawayo. This should be a fun filled prelude to the District Convention of learning and sharing of thoughts and ideas.

Kind Regards,

PDG Col T Ramkumar (Retired)

Institute Coordinator

53rd District 412 Bulawayo Convention Update

Dear Fellow D412 Lions,

The District 412 Annual Convention is two months away and the countdown is now in progress. If Lions have not registered for this City of Kings experience now is the time to do so.

Accommodation should be booked early as the Zimbabwe International Trade Fair takes place the week before Convention.

Clubs Supplies at Convention will be a project of the Lobatse Lions Club and they will be posting a list of their supplies in the District Newsletter.

A Lion from Newbury Lions Club in the United Kingdom will be attending and bringing messages of Goodwill from the town of Newbury and his Club.

Join in the fun at the Friday night Theme Evening "Universal Royalty" choose which Royal character you would like to represent and dress accordingly. Bring your casual and formal outfits including the Royal character costume and not forgetting your dancing shoes for a fun filled Convention in the City of Kings

Lions in Bulawayo are watching with great enthusiasm the building of the Pediatric Eye Clinic, which is being built by the Hamburg Lions Club in Germany. Spouses are invited to visit the site on Saturday morning the 2nd May 2015.

A wonderful opportunity for the Spouses to change their style and wardrobe by attending the Fashion show on Friday morning 1st May 2015– Clothes by Femina Garments and the models are out own lovely Lions (female that is)

Join us at an unforgettable Convention with great hospitality in the City of Kings.

REGISTER NOW!

Download the registration form from our Internet Page <http://www.e-district.org/sites/412/page-6.php>
Send a copy of the completed registration form to escott@yoafrica.com and / or maureen.barrett764@gmail.com

FLOODS DISASTER RELIEF IN MALAWI

Ready to Serve! Lions of Blantyre present themselves for duty

It was at lunch time, the rendezvous point being the Lions Eye hospital and with love still in the air, it wasn't a valentine luncheon. The eager and serving Lions had a different kind of love in mind. They had planned to spend Sunday the 15th of February, afternoon in the Lower Shire, Chikwawa district which is 75km south of Blantyre in Malawi. It has been a sad story that has been told over and over and over again. Malawi has been hit by serious floods since January with 420 000 families displaced, in 15 districts. 104 deaths have been recorded and the number is always thought to be higher than that and 172 people missing. The president duly proclaimed and declared a State of Disaster.

When natural disasters strike, in addition to being there to offer help and support, Lions are able to rely on disaster relief grants and funds from Lion Club International Foundation to assist with crucial immediate needs. Through the generosity and compassion of Lions and donors, in the last 10 years the Foundation has been able to award more than US\$100 million in disaster relief funds. An Emergency Grant that provides up to US\$10,000 for districts impacted by a natural disaster that has affected at least 100 people, including tornadoes, hurricanes, floods and tsunamis is available for Lions to make a difference. Lions district governors can apply for disaster relief funds to help meet immediate needs such as food, water, clothing and medical supplies. LCIF typically awards more than US\$2 million in Emergency Grant funding each year. As such District 412 through the District Governor, Lion Jean Mathanga, applied and got such a grant totaling \$10 000. The Lions of Blantyre got and administered the grant on behalf of the district. They also saw it proper to add onto this amount and they sourced from Lion members and well-wishers who donated various items like blankets and clothes.

As energized as ever the Lions of Blantyre led by Lion President Hilda Singo and PDG Francis Mpepho made the long trip down to the Lower Shire and braved the heat in order to bring smiles to the displaced and affected. The first port of call was the District Administrators (DC) office and the aim was to introduce the Lions to the DC. The DC Mr Alex Mdoko duly and heartily welcomed the Lions and thanked them in advance for their donation and time. He noted that in times

like this unity of purpose is very important and makes all the difference in a society. He then reminded the touring party that the real work was not in his office but on the ground in the camps. So he quickly asked the Lions to be on their way and go to the camps and do the real work, so he put it.

Words will never be able to explain the mood and feeling at the camp but to put it all in perspective, the camp has 700 registered families. On site this camp had 20 tents to accommodate all these families. So you can imagine the sleeping arrangements. We could not ascertain the total number of people in the camp as there is always movement, others coming in and others leaving, but if we assume that each family has an average of 4 people and we multiply that by the number of families we can estimate and say they were 2800, but then this is not official but just an estimate to highlight the number of people in that locality.

The Lions dished out the donations and gave out to each family representative the following; 10 kg Mealie Meal, Soya Pieces pack, sugar, Salt, Pot, Plate, Cup, Plastic Bucket. If it was a lady a wrapper popularly known as a *Chitenje/Zambia* was given out and if they had a baby a nappy was given.

Trying to understand their plight is always difficult, they are now used to seeing the media and they will even joke about their condition. One man who was in a tree for 3 days before he was rescued, joked and said that who ever thought of the saying that you jump from the frying pan into the fire was a Malawian who was affected by a flood. He goes on to narrate how he was in the fields with his son and daughter. Before they knew it the river was roaring and they were trapped.

They then dashed to the trees and sought refuge until they were rescued by army boats. He looked down and in a low voice and adds, "I should have listened to Phiri when he was yelling and telling me to go home as the river was swelling, but I thought he had one too many as I could not see the swelling." I ask how he could hold on for that long and he adds that when there is danger the human body adapts and goes into survival mode. Cold, hunger, heat, pain and the need to go to the loo were all suppressed.

Story continued on Page 7.....

The flood victims queue up for provisions

OPERATION RESTORE HOPE

Donations towards Muzarabani Flood Victims

The Muzarabani area in Northern Zimbabwe has been hit by floods just like other Southern African countries has faced loss in property and damage to crops during this rainy season. A lot of families have been displaced and have lost all their property. A passionate plea has been launched through the Region Chair, Lion Jona for Lions in Region 2 & 3 to assist in cash and kind towards this needy cause.

In response:

- ◆ Lions of Zvishavane donated US\$200 and bags of used clothes towards the victims;
- ◆ Lions of Zone 2D donated clothes and food stuffs towards the victims;
- ◆ Lions Club of Chiredzi donated used blankets and clothes towards the victims;
- ◆ Lions Club of Triangle donated US\$200, food stuffs and used clothes towards the victims;

Region 3 Chair, Lion Cosmas collects the Zvishavane donations.

Continued from Page 6

Water is a precious commodity in the camp. The camp is in the middle of another village and the place has a single borehole to cater for it. Now you can imagine an extra 700 families on this lone borehole. An engineer friend of mine once told me that typically in a village a borehole will safely service 250 families without any problem. So with the new arrivals the picture is sad. Queuing for water becomes a real chore and it become tedious as you have to wait and wait and wait for your turn. You can just picture what might happen if you jump the queue.

Health wise, they have been help from donors and a mobile clinic visits once a week to attend to their needs. The under 5s have a health worker permanently stationed in the camp to cater for their needs. Those on ARVs are most affected as their medical records were washed away and they is no clear plan on how they are to get their medication.

Lions in action

A health worker on site highlighted the issue of compliance saying that those on ARVs need to take them diligently without breaks. So it has been a challenge to those affected. The other thing is the stigma that this will bring when people see you going to get your medication, so most of them don't bother coming out in the open and declare their status to get help. As the writer was getting to know the people, the Lions were busy at work.

Indeed a Sunday well spent as Lion Stain Singo put it. He was in charge of the taskforce as he is also the community service director for the Lions club of Blantyre. A big roar to him and to all the Lions of Blantyre who donated and took part in the handing out of goods. Also Lion George Chirombe who represented Chichiri Lions and Lion Abraham George the Zone 1A Chair. A representative of the Leos who was from Kamuzu Academy graced the occasion and she ably represented the Leos and showed that we are all one big happy family.

CAPITAL CITY LIONS GO GREEN

TREE PLANTING EXERCISE BY LIONS CLUB OF CAPITAL CITY, 7TH FEBRUARY 2015

The Lions Club of Capital City embarked on an Environmental Conservation Project from 2010 by planting trees at Malingunde dam, the dam that provides for the water that feeds the Lilongwe City. A total of 4,000 trees had been planted over a three year period.

Considering that more players were interested in Malingunde catchment area, the Lions Club of Capital City embarked on tree planting along the Lingadzi river, a river that cuts across the Central Residential areas of the Lilongwe City. The area has recently suffered significant degradation from persistent sand mining and cultivation along the river banks.

The Lions Club of Capital City partnered with a youth Organization dealing with Environmental Management in one of the residential areas, Area 18. The grouping was empowered to sensitize sand miners and engage them in sustainable livelihoods that were Environmentally friendly with a view to curb the persistent sand mining that is threatening the Lingadzi river flow.

Malawi has this year experienced extraordinary floods that have left hundreds of citizens homeless and the effects have affected both rural and urban communities. Mother Nature has spoken for herself. Mother Nature has made a loud statement saying 'there are ways you have to care for me and if you don't, I bring rain late; the package becomes too concentrated and I let it go in a very short time; then you don't even have enough groundcover to sustain the force of the water movement on the land. As such, you will experience uncontrollable flooding. Please do take care of me".

Despite the fact that communities will always have challenges, the Lions Club of Capital City encouraged the residents of area 18 to look at alternative environmentally friend means to overcome the challenges. It's not just about resources; it's about managing what we have.

A total of 5,000 trees were planted and the guest of Honour at the function was the Deputy Mayor of the Lilongwe City Counselor Akwame Bandawe who also happens to be Councilor of the ward where the trees were planted.

A donation of K250,000 (USD) will be made to the youth organization over a four months period to enable them continue with sensitization activities as well as caring for the trees planted.

Lions Club of Lilongwe Donates at Bwaila Hospital

The Lions Family! Lions of Bwaila and Bambino Leos pose for a group photo at Bwaila Hospital

On January 13 Lions Club of Lilongwe recently made a donation of assorted items to mothers who had just given birth at Bwaila Hospital.

The clubs president, Lion Maina Mkandawire said that the club decided to cheer mothers at the hospital as one way of celebrating the life of Melvin Jones who founded the Lions Clubs International in 1917. "We do this every year and almost every month we have a community service project-giving help to members of the community where such help is needed. But this is a special donation because it is part of activities remembering Melvin Jones," enthused Lion Maina Mkandawire.

The club donated among other things packets of sugar, laundry soap and a piece of cloth commonly known as chitenje. The team of Lions was accompanied by Leos from Bambino Leo Club, a Leo club sponsored by the Lions Club of Lilongwe.

One recipient of the parcels, Diana Hussain thanked the Lions for a gift she described as "timely" and she dedicated it to her own gift-her one day old healthy baby girl.

Emotional gift presentations to the new mothers!

Lions Club of Beira hosts a dinner for Orphans

The children being served the meals and drinks by Lion members

It was a very exciting day, 21st February when the District Governor, Lion Jean Mathanga and Zone Chairperson (DG Spouse), Lion Henry Mathanga visited the Lions in Beira. They participated in the Club's meeting and thereafter presided as distinguished Guests at a Dinner with orphans hosted by Beira Lions. The event took place at SOS Village at Inhamizua.

The DG Jean Mathanga, Zone Chairperson Henry Mathanga and Beira Corridor Lions Club President Jorge Manuel Njanje were given a rousing welcome by the orphans at SOS Village.

Speaking at the occasion upon being presented the DG's banner, the SOS Village Director, explained to the children the importance of the DG Lions Club banner, he informed them that the food and drinks they were offered will soon be forgotten, but the banner will stay for life to inform the future management and children that Beira Corridor Lions Club did visit and assisted the orphanage.

The Beira Lions Club has 21 members and is serving the community of Beira with pride.

DG Jean Mathanga present her banner to Club Secretary, Lion Antonio Greia after the meeting with all members.

Serving The Needy

Lions Club of Triangle in City Clean Up

On the 7th of February 2015, the Lions of Triangle with the help of their Prospective Leos went out to do a city clean up in the town of Triangle.

Through their stakeholder engagement, the Lions were able to bring the Manager for TM Hyper, Triangle to join hands and do a successful clean up of the town. Among other positives, this project also ensures visibility of the Lions to the general public and opens doors to new members.

Simply the Best!

Lions Club of Bwaila donate to Flood victims

Lion President Lion Maxwell Phiri accompanied by fellow Lions and the Deputy Mayor of Lilongwe present donations to the affected families

Destructive winds and rains resulted in landfalls within the City of Lilongwe. The gale force winds ripped the roofs off homes in Centi, area 18, 25, 49, 50, 51, Mtandire, and other places, uprooted trees and brought down power lines. While some members of the community were blessed to have their homes and personal property spared, many members of our city suffered crippling losses from the storms.

Lions of Bwaila visited some of the affected areas and donated bags of Maize, food items, Clothes, blankets soaps, salt and sugar. Members were visibly shocked by the state of destruction, and requested other organizations and government to quickly help too. They also went to Area 18 Clinic and donated drugs in the company of Deputy Mayor of Lilongwe City. Drugs worth Millions Kwacha were donated at area 18 Clinic; others will go to Bwaila Hospital and skin Hospital at Kamuzu Central Hospital. Thanks to Lions and Prospective Lions of Bwaila and also our partners, Worldwide and Pharmavert.

Lions of Bwaila donating drugs at Area 18 Hospital

MATOPOS ART CONTEST

Matopos successfully completed the Inaugural Contest of the Melvin Jones Colouring In Contest which begun in last month. This contest featured children from the ages between 4 and 8 years old, drawn from two schools in the Bulawayo community namely Carmen Junior School and Petra Junior School.

The children entered the competition by donating a toy or second hand item of clothing. 320 children participated! The toys and items of second hand clothing will be donated to Matopos Club's charities.

The lovely posters were put on display at the National Art Gallery in Bulawayo and the Exhibition ran from the 9th - 17th February 2015.

The judging of the posters took place on the 30th of January 2015.

Prizes for the Winners - Stationery Items

Some of the Grade Two prize winners from one of the schools with their prizes and certificates.

Former Lady Lion Bahiya "Benji" Tiatco visited the display.

Grade Zero children and their teacher, Sam Hien and Teacher's Assistant, Mrs. G, at the display.

ZONE 2D IN ACTION

ZONE 2D In Action

On the 14th of February, Zone 2D convened their Zone Meeting in the city of Kwekwe.

The GMT Leader PDG Lion Ray Sibanda, Region Chair Lion Jona and Assistant GMT / Zone 3A Chairman Lion David were invited to the meeting.

Lions began by having a clean up at the local city kombi rank. This was followed by the meeting where new graduates namely Lion Jona (FDI) and Lion David (ALLI) had the opportunity to present their topics to zone 2D lions.

PDG Lion Ray, SVDG Lion Eric and GLT Leader PDG Dr Pateson also presented their topics. This was followed by Induction of new lions and handing over of flood victims donations to the Region Chair Ln Jona Machaya.

The Lion Wedding

A lion was getting married and all animals attended the wedding. Every animal stood at distance and wished the lion well!

A mouse came and climbed to the stage and extended his hand to congratulate the lion.

The lion roared in rage and said how dare you come on the stage? Even the tiger is maintaining its distance and you climbed the stage.

The mouse replied and after listening to the response the lion fainted!! What could have the mouse said ???

.

The mouse said "Oh shut up buddy, even I myself was a lion before marriage!!!"
