President's Message

Fellow Lions,

The 2014 - 15 year has come to an end. It has been quite a busy year and its time to take stock of our achievements and learn from our failures as we usher in a new leadership in the Lions Club of Chiredzi led by Lion Costain Dodo.

Membership

we started the year with 26 Members, we added 10 New members and dropped 4 resulting in a net growth of 6 members to take our number to 32. We have one prospective member due to be inducted at the changeover dinner. Our target for 2014-15 was to get to 30 members.

Service Activities

I'm pleased to report that we recorded 26 service activities this year and we made quite an impact in our community. The key highlights in this regard include the Blankets donation to the Blind Community and the Children's Home, The South East College Eye Camp, The Feeding Friday, The donation of Stationery to Nandi School, The Clean up Campaign of Chiredzi, The formation of the Chiredzi Omega Leo Club and the Orientation of 2 other Leo Clubs in Mutendi and Great Zimbabwe University.

Dues

I'm also happy to report that the Club is in good standing with both Lions Club International and District 412. It is however sad to note that we are still struggling in this area. As Lions it is imperative that we pay our dues and be in good standing. Paying our dues allows our organization to meet its obligations of making a difference in the communities of the world. It is my hope that going forward we shall see Lions making payment plans to lighten their burden.

Member participation. This past year we have seen a big positive in participation both in club meetings and club projects. The number of Lions INVOLVED in the club activities is quite encouraging. I urge the incoming President to cultivate the spirit of participation in the club activities.

Reporting. Our Secretary, Lion Ephias has done a splendid job in ensuring that our records are always up to date. Our minutes, our MMRs and our activity reports have been done timeously and on point.

Publicity. Our Editorial team has done a great job in doing our newsletters. The first two newsletters were done and delivered as expected but the third one could not be the publication deadline but was however published. Our Facebook Page is quite active and continues to be an effective tool of communicating our activities with the rest of the world.

We have struggled to keep our website up to date and efforts are being made to streamline it with the current events.

Leadership Development. Five Lions in our Club attended Leadership development courses this year. Lion David attended the Advanced Lions Leadership Institute in Brazzaville, Congo while Lion Judith, Lion Costain, Lion Anthony and Lion Piraishe attended the Regional Lions Leadership Institute in Bulawayo, Zimbabwe. We hope they'll use their acquired knowledge to further the interests of the Lions.

Leos and Youth. We have extended the number of the Leo Clubs that we sponsor to 5. I would like to thank the Leo Advisor Lion Jessy N'andu for running with the Leo Program. I feel we can do more in this regard and my challenge to the incoming leader is to put pressure on the Leos to do more for the community.

Lastly I would like to thank all my Club members for the support that they gave me as the President of the Club. I wish Lion Costain all the best as he assumes the Presidency of our beloved club.

With Passion and Excellence - We serve!

Regional Lions Leadership Institute

Holiday Inn, Bulawayo

The long standing demand for quality Leadership Development and the necessity to conduct a Regional Lions Leadership Institute (RLLI) in our District became a reality in May 2015 when the RLLI was conducted at Holiday Inn Bulawayo from the 3rd of May 2015 till the 5th of May 2015.

Ever since the Protective Programme that was in force for Zimbabwe from 1990 was withdrawn in 2009, the District has been faced with decline in membership and the only way forward was to improve the quality of leadership in the District especially Zimbabwe. It was with a view to equip our leaders with the necessary tools that the District leadership embarked on a highly subsidized RLLI utilizing funds that had been collected for over five years.

The spade work for conducting the highly subsidized RLLI started in 2013 and at the District Convention at Harare in May 2014 the sanction was obtained on the floor of the Convention to utilize funds kept in District's Fixed Deposit. Lions Clubs International was approached in April 2014 and sanction was granted to

conduct the RLLI in May 2015. The District GLT Coordinator Dr Pateson Mapanda embarked on an exercise to select participants for the RLLI and a total of 69 participants were successful. Of these 69 participants, 5 from Botswana, 1 from Malawi, 1 from Mozambique and 62 from Zimbabwe were selected. The Lions Club of Chiredzi was represented by 4 members namely; Lion Piraishe, Lion Judith, Lion Costain and Lion Anthony.

The Institute was awesome and demonstrated the true meaning of Lionism.....you deserve to have the ALLI PDG Hastings Eli Chiti It has been a great experience; please reduce such to Regional level so we can have all Lions to download such useful tools of a lion! Lion Costain

AGE IS JUST A NUMBER

Lion Sam celebrates his 72nd Birthday

The Lions of Chiredzi surprised their longest serving Lion with a birthday celebration. Lion Samson Homera was born on the 8th of June 1943. He joined Lionism is 1986 which gives him 29 years in service. He was President in the Lions Club of Chiredzi between 2001 and 2003 for 2 years. He was pivotal in the chartering and orientation of Chiredzi Christian and Chiredzi Government High School Alpha Leo Clubs. He has traveled the District far and wide attending numerous conventions. He has a warm heart and is source of strength and advise for the Club Leadership. Being of a Human Resources Background, one of the key strengths of the Retired HR Practitioner is his conflict resolutions techniques which have kept the club united in difficult times. On the occasion of his 72nd birthday, the Lions felt obliged to do something for him. A cake and a few drinks were purchased and 12 Lions drove to his house to sing and celebrate with him.

Speaking at this occasion the Lions Club President, Lion Piraishe encouraged members to continue with this spirit which bonds the club members and promotes unity of purpose in the Club.

The Zone Chair, Lion David echoed the President's sentiments and described Lion Sam as a dedicated Lion who leads by example.

LIONS TAIL

Humour Corner

10 things to consider if you want to be poor

- 1. Never wake up early: Keep stretching and turning in bed until you get too hungry to continue dozing. If there are no bedbugs, why hurry to get up?
- 2. Never plan how to spend your money: Whenever you get money, start spending it right away and when it is finished, try to count and recall how you spent it.
- 3. Competing: Make sure you wear the latest clothes among all the workers in your office. Whenever your neighbor/friend buys a new phone, car or dress, you get one that is more expensive.
- 4. Don't think of saving until you have real big money: How can you save when you earn so little? Those telling you to save are not sympathetic to your burning needs.
- 5. Don't engage in activities usually reserved for the 'uneducated': How can you, a graduate, engage in petty trade or home-based production? That is for people who never went to school.
- 6. Don't think of starting a business until an angel comes from heaven and gives you capital: How do they expect you to invest before you get millions of dollars? Even though more than half the businesses in your town were started with a few dollars, you as a smart person can only start with millions.
- 7. Complain about everything except your own attitude: Blame the system, the government and the banks that refuse to lend you money. They are all bad and do not want you to get rich.
- 8. Spend more than you earn: To achieve this, buy consumer products in credit and keep borrowing from friends and employer.
- 9. Get yourself a nice second- hand car that costs more than three times your gross monthly pay: That will surely keep you in debt long enough to hinder the implementation of any bad plans that could make you accumulate capital.
- 10. Give your children everything they ask for since you are such a loving parent: They should not struggle for anything because you do not want them to suffer. That way, they will grow up lazy and hence poor enough to ensure they cannot help you in your old age.

If you diligently implement these 10 great rules, you will not fail to invite poverty in great measures to your homestead.
