Helen Keller Quotes

Love is like a beautiful flower which I may not touch, but whose fragrance makes the garden a place of delight just the same.

The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart.

Keep your face to the sunshine and you cannot see a shadow.

I long to accomplish a great and noble task, but it is my chief duty to accomplish small tasks as if they were great and noble.

Will Rogers Quotes

Good judgment comes from experience, and a lot
of that comes from bad judgment.

Lettin' the cat outta the bag is a whole lot easier 'n
puttin' it back in.

If you're ridin' ahead of the herd, take a look back
every now and then to make sure it's still there.

There's two theories to arguin' with a woman.
Neither one works.

If you find yourself in a hole, the first thing to do is
stop diggin'.

Never slap a man who's chewin' tobacco.

It don't take a genius to spot a goat in a flock of
sheep

Will Rogers Quotes

Everyone is ignorant only on different subjects.

When you give a lesson in meanness to a critter or a person, don't be surprised if they learn their lesson.

When you're throwin' your weight around, be ready to have it thrown around by somebody else.

Even if you're on the right track, you'll get run over if you just sit there.

The quickest way to double your money is to fold it over and put it back in your pocket.

The only way to solve the traffic problems of the country is to pass a law that only paid-for cars are allowed to use the highways. That would make traffic so scarce we could use the boulevards for children's playgrounds.

Will Rogers Quotes

A difference of opinion is what makes horse racing
and missionaries.

A fool and his money are soon elected.

A man only learns in two ways, one by reading,
and the other by association with smarter people. A
remark generally hurts in proportion to its truth.

Helen Keller Quotes

Instead of comparing our lot with that of those who are more fortunate than we are, we should compare it with the lot of the great majority of our fellow men. It then appears that we are among the privileged.

It gives me a deep comforting sense that "things seen are temporal and things unseen are eternal."

It is a terrible thing to see and have no vision.

Life is an exciting business, and most exciting when it is lived for others

One can never consent to creep when one feels an impulse to soar.

Helen Keller Quotes

When one door of happiness closes, another opens;
but often we look so long at the closed door that
we do not see the one which has opened for us.

When we do the best that we can, we never know
what miracle is wrought in our life, or in the life of
another.

While they were saying among themselves it can-
not be done, it was done

We may have found a cure for most evils; but it
has found no remedy for the worst of them all - the
apathy of human beings.

The world is moved along, not only by the mighty
shoves of its heroes, but also by the aggregate of
tiny pushes of each honest worker.

The best and most beautiful things in the world
cannot be seen or even touched - they must be felt
with the heart.

Lions Strategic Objectives

Hunger - 815 million people were affected by hunger in 2016 alone—that's over 11% of the world's population. Our strategic objective is to ensure that all community members have access to nutritious foods.

Environment - 30% of the world's land area is covered by forest, and over 15 billion trees are cut down every year. By 2025, half of the world's population will be living in water-stressed areas. Our strategic objective is to sustainably protect and restore our environment to improve the well-being of all communities.

Childhood Cancer - Our strategic objective is to help those affected by childhood cancer survive and thrive.

Diabetes - Diabetes is a global epidemic, affecting an increasing number of men, women, and children all over the world. Our strategic objective is to reduce the prevalence of diabetes and improve quality of life for those diagnosed.

Vision - Ever since Helen Keller inspired us to champion the cause in 1925, we've served and advocated for the blind and visually impaired. Today 253 million people are blind or visually impaired. 1.1 billion have near-vision impairment simply because they don't have a pair of glasses. Our strategic objective is to prevent avoidable blindness and improve quality of life for people who are blind and visually impaired.

Helen Keller Quotes

Many persons have a wrong idea of what constitutes true happiness. It is not attained through self-gratification but through fidelity to a worthy purpose.

It is hard to interest those who have everything in those who have nothing.

Be not dumb, obedient slaves in an army of destruction! Be heroes in an army of construction!

Everything has its wonders, even darkness and silence, and I learn, whatever state I may be in, therein to be content.

PROTOCOL

Protocol is the code of etiquette, ceremony, and precedence. It is acceptable procedure and order in all club meetings, so that when extended for special occasions, visiting dignitaries are treated with proper respect.

Protocol and common courtesy go hand-in-hand. Courtesy being a “favor performed with politeness” and is always in order.

DO's AND DONT's IN LIONISM PROTOCOL

DO:

Plan every meeting well in advance.

Notify people about proper dress.

Have an active program Chair.

Have an active Tail Twister, who knows when to quit.

Keep complete control of the meeting at all times, particularly while the business is being transacted and questions are being asked of the speaker.

Open and close the meeting on time.

Have a speaker's stand.

Introduce and welcome all guests.

Plan the seating arrangements of the Head Table prior to the start of the meeting and at special meetings use place cards.

Set up a timetable for your program and try to stay on schedule.

Have and properly display the Club Flag and banner.

DO's AND DONT's IN LIONISM PROTOCOL

DON'T:

Embarrass your speaker by making elaborate predictions about his or her speech.

Exaggerate the speaker's qualifications.

Use the speaker's time with your introduction. One to three minutes is ample.

Try to review the speaker's talk after he or she has finished. A remark about one point is in order to show that you were listening.

OFFICIAL VISIT OF DISTRICT GOVERNOR

Your District Governor is required by Lions Clubs International to make an Official Visit to every Club (either at the club level or Zone level) within the district. In most cases, he or she, is the highest ranking Officer of Lions International to visit the Club during the Lions Club Year. On the occasion of his or her Official Visit, certain procedures of protocol should be followed.

1. Do not schedule other programs during the District Governor's Official Visit. He or she will provide the program.
2. Publicize your District Governor's visit.
3. Have your attendance committee strive to secure excellent attendance at this meeting.
4. Have your District Governor properly introduced to each **Lion and Lioness**. Usually, the President or an Officer who knows him, or her, should do this. The following order of introduction should be used from the Head Table:

- 1st Vice-District Governor
- 2nd Cabinet Secretary
- 3rd Cabinet Treasurer
- 4th Region Chair
- 5th District Committee Chair
- 6th Past District Governors
- 7th Other Guest (Lions)
- 8th Other Guest (non-Lions)

The Club President will then introduce the District Governor who will then deliver his or her address.

5. When the Governor is introduced, the Club members should stand, and in a like manner should stand at the conclusion of the talk
6. A brief Board of Directors meeting should be scheduled following the regular meeting. This is the appropriate time for your members to ask questions and participate in a discussion with the Governor. Full attendance of the Board is appreciated. Attendance by all other interested members of the Club is encouraged. To permit the Governor to be able to respond and offer the best possible assistance, it would be appreciated if special problems or questions be made known to the Governor well in advance of this visit. Our District Governor welcomes suggestions for improvements in the administration of the district. Any ideas or suggested special projects that will encourage more individual involvement by the Lions of District 22-B will be well received by your Governor. When a Club has invited the District Governor for an Official Visit, the Club should expect the following Cabinet Officers for the dinner and evening.

District Governor
Vice District Governors
Cabinet Secretary
Cabinet Treasurer
Zone Chair

It is the obligation of the Zone Chair to notify the Club to be visited if they are not attending the meeting. At all meetings to which the District Governor is invited, such as Christmas Parties, Charter Nights, etc. only the Vice District Governor, Cabinet Secretary and Cabinet Treasurer will travel with the District Governor. A Club desiring the Zone Chair to attend should extend the invitation directly to that officer.

SUGGESTED HEAD TABLE SEATING
FOR OFFICIAL VISIT
OF DISTRICT GOVERNOR

		(U.S. Flag)
A	*	Club Secretary
U	*	Cabinet Secretary
D	*	District Governor
I		
E		SPEAKER STAND
N		
C	*	Club President
E	*	Vice District Governor
	*	Cabinet Treasurer
	*	Zone Chair
		(Club Banner or State Flag)

Seating Guests: When seating guests at a Head Table, seat the 1st ranking guest to the right of the presiding officer, 2nd ranking guest to the left of the presiding officer, 3rd ranking guest to the second right and so on.

The Toastmaster or Presiding Officer should always be seated to the left of the speaker's stand and the speaker should always be seated to the right of the speaker's stand. At meetings where ladies are present, it is good practice to seat men at the ends of the Head Table. The speaker's table should not be too long. Honored guests not seated at the speaker's table should be seated at a table directly in front of the speaker's table. DO NOT have vacant chairs at the Head Table. DO NOT seat guests on both sides of the Head Table. The world is moved along, not only by the mighty shoves of its heroes, but also by the aggregate of tiny pushes of each honest worker.

DISTRICT 22-B AWARDS PROGRAM

The Awards Program for the Lions year 2019-2020 has three parts: the Five Star Club Award, the Special Achievement Club Award, and the Governor's Exceptional Award. It will take planning and club involvement to attain these awards. All clubs in the District will be eligible for these awards. The District Governor, Vice District Governors, Cabinet Secretary, and Cabinet Treasurer shall be the sole judges of the contests. **Judging will be based on the written Membership and Monthly Activity Reports, however to assist the District Governor an Awards checklist must be submitted prior to July 1, 2020 to be eligible for these awards.**

The period covered by the awards shall be July 1, 2019 through June 30, 2020. This will permit the evaluation and preparation of awards for presentation at the **Annual Banner Transfer and Awards Ceremony** to be held in August 2020 **Please note:** Every club is responsible for submitting Monthly Membership and Activity Reports to LCI.

At the end of the Lions Club year, Lions Clubs International selects the recipients of the Club Excellence Award. These awards are based on information provided by the Club Secretary and signed by the District Governor. Application for these awards should be made during the month of July 2020.

FIVE STAR CLUB AWARD

The Five Star Club Award Program is designed to encourage clubs to support community, district, and international activities. There are five categories that a club must complete to receive this award:

1 – Administration; 2 – Membership; 3 - Community Service; 4 - Information, and 5 - District Activities. All Five Star Club Award activities must be recorded on the Monthly Activities Reports. The District Governor has the final authority to provide clarification and arbitrate disputes concerning these requirements.

Category 1 - Administrative Activities

A club must maintain good standing with Lions Clubs International (LCI) and District 22-B. Fulfilling the following requirements will ensure this standing.

1. Pay semi-annual dues to LCI, Multiple District 22, and District 22-B upon receipt of notice, but no later than September 30, 2019 and March 31, 2020.
2. Submit Monthly Membership and Activity Reports, beginning July 2019, to LCI not later than the last day of the month.
3. Submit the New Officer Report to LCI and the Cabinet Secretary no later than April 30, 2020.

- Enroll all new members in a new member orientation class.

Category 3 - Community Service

The Lions Motto “We Serve” epitomizes the reason we are Lions. To qualify in this area, clubs must participate in a minimum of 10 community related activities and/or services to the community. Such participation may be in the form of financial contributions, club service activities or individual service by Lions if done in the name of Lionism. **Activities between July 1, 2019 and June 30, 2020 may be included.**

The following list provides examples of such activities:

4. Provide a monthly or quarterly club newsletter to each club member via mail or Email with copies provided to the District Governor, Vice District Governor, Zone Chairperson, District Secretary, and other Club Presidents within the Zone. Maintaining a club website or Facebook page providing the same information that is normally contained in a newsletter is allowed as a substitution.
5. Incoming President, Secretary, and Treasurer or representatives attend the incoming officer's school as scheduled or complete the on-line training course provided on the LCI website. Additional credit will be given for those clubs doing both.

6. Conduct an active Visitation Program to encourage exchange of ideas and fellowship of Lions in other clubs. Visitations may be made to either regular club meetings or club events. The following rules apply:
 - a. Visitation teams may consist of 2 or more members, but no more than 10% of the members may be counted during one visitation.

 - e. Visitations outside District 22-B will count double.
 - f. Clubs will not receive additional credit for visiting a club more than once.
 - g. Visiting Lions should be encouraged by the host clubs to provide a brief report on their club activities. Visitation teams should provide a report to their home clubs following the visitation.
 - h. When attending a meeting, visitation teams should stay until the completion of the meeting, and not leave after the meal or after the program.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I merit a reputation for quality service.

TO SEEK success and demand all fair remuneration or profits my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action toward my fellow men to resolve such doubt against myself.

TO HOLD friendship as an end and not the means, to hold that true friendship exist not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it was given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up and not destroy.

Lions Clubs International Foundation

Since its founding in 1968, more than 13,000 grants have been awarded, totaling more than US\$1 billion

In 2015 LCIF receives its fourth consecutive 4-star rating from Charity Navigator.

**We Give Sight
We Support Youth
We provide Disaster Relief
We Meet Humanitarian Needs**

LIONS INTERNATIONAL OBJECTS

- * **To Create** and foster a spirit of understanding among the peoples of the world.
- * **To Promote** the principles of good government and good citizenship.
- * **To Take** an active interest in the civic, cultural, social and moral welfare of the community.
- * **To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.
- * **To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- * **To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

The Melvin Jones Fellowship (MJF)

This program recognizes donations of \$1,000. It is the backbone of LCIF, providing 75 percent of the foundation's revenue. As recognition of humanitarian work, an MJF is an honor presented to those who donate \$1,000 to LCIF or to people for whom a donation was made by others.

It is the highest form of recognition conferred by the foundation and by your Club. It is largely due to the growth of the fellowship program that LCIF has been able to meet humanitarian needs in communities world-wide.

INVOCATION / BLESSING

Our Heavenly Father, we ask for your blessing on our gathering at this time. May we serve you better through our commitment to Lionism. Bless the food which is to be placed before us. May it nourish us as Lions so that we may help others and thus serve You. We ask these favors in Your Name. Amen..

BENEDICTION

Our God, we ask for Your help in our efforts to serve others in the future as we have in the past. We also ask for Your Blessing for a safe journey to our next destination. Amen
