Message from DISTRICT GOVERNOR WAYNE BENJAMIN

June 19th will be a time for recognizing all the positive things we have been able to accomplish this past year, as well a time to socialize with friends and fellow Lions.

Our social committee under the direction of Lion Carol Schoonover has put together a wonderful day. The 22B Social is being held at the Hyatt in Cambridge, MD. According to U.S. News and World Report in 2020, it was the number one resort in Maryland. According to Conde Nast in 2020, it was voted number two of top resorts in the south. You really should make every attempt to be present. At 2:30 pm we will have a 'Round Table' discussion with our International Director Mark Lyon from Brookfield, Conn. Everyone is invited. He will be an excellent source for any of you to ask questions about LCI and Lions in general. We expect that 'round table' to last about one hour. Room is being provided by the Hyatt.

At 5:30 pm the social hour will begin. There will be light hors d'oeuvres and drinks of your liking. A great time to reconnect with Lions from our district as well as those from the Multiple district. Part of the Lion experience is supposed to be fellowship!

At about 6:30 we will begin congregating in the dining hall. After the initial Pledge, toasts and blessing, our food will be served by the excellent wait staff of the Hyatt. Food choices will be noted from previous sign ups. Everyone will be getting excellent service as well as an excellent meal. After dinner, we will begin our program with recognition of special guests, announcements, awards and the presentation by ID Mark Lyons. Looking forward to seeing everyone.

~DG Wayne Benjamin~

More from the District Governor....

JUST ASK

As of today, May 7th, our district, 22B, is down 53 members. This was supposed to be the year of growth. Well, I know, Covid has not been our friend. However, some clubs have shown real growth. In the next fifty-four days, I ask each of you to look around your communities and discover people who want to make a difference. It is not too late to invite them to help out with a service project or a fund raiser or come to an informative meeting. Maybe they won't join this year but we can get ahead of the game for our new District Governor, David Studley. The people we recruit will rarely ask us about joining. We, Lions, need to make the initial overture. Our organization, for far too long, has been on auto pilot. We need to become proactive.

I ask you once again to "Just Ask"

We will be honoring **District Governor Wayne Benjamin and First Lady Lynn** on Saturday, June 19, 2021 at the **Hyatt Regency Chesapeake Bay**, 100 Heron Blvd, Cambridge, MD 21666. The social hour, with cash bar, will be at 5:30 with program and dinner to follow at 6:30.

The special guests for the evening will be International Director Mark Lyon from Brookfield, Connecticut and his wife Carolyn.

Lions Clubs International District 22-B Charitable Foundation

April 30, 2021

On 19 June 2021, Lions District 22-B will be holding their Annual District Governor's Social event at the Hyatt Regency in Cambridge, Maryland. As part of that event, a silent auction will be held, with the proceeds to benefit the District 22-B Charitable Foundation, a 501(C)3 organization benefiting the citizens of the Eastern Shore of Maryland. Grants are given to local Lions Clubs for such things as disaster relief, a reader for the MAC Center for low vision seniors, and a program for at-risk youth. This year, we will be funding assistance for rehabilitation of persons with low vision. Donations to this event are welcomed and are tax deductible. The tax-exempt number is 52-2363403. Please let Lion Carol Schoonover, josh4bryce@yahoo.com, 410-713-2295, know if and what you are donating so provisions can be made. Anything you can provide for our auction will be greatly appreciated.

Donations

I want to thank the individuals and clubs that have donated to LCIF. The donations are down due to clubs not being able to have fundraisers because of the Pandemic. Individuals of a club can make donations and it can go toward a Melvin Jones Fellow (MJF) or Progressive Melvin Jones Fellow (PMJF) for them and their club gets credit for the donation. Clubs can make donations that will go to installments for MJF or PMJF, some clubs have enough money in installments in LCIF to qualify someone as a MJF or PMJF.

Model Club

Currently we have only 3 Model Clubs in the District, we are still looking to get a couple more clubs to become a model club before the end of the campaign, which has been extended until June 2022, but clubs have until June 2023 to make their final pledge amounts. If your club is interested please contact have your club's LCIF coordinator or Club president get in touch with myself or PDG Wayne Cole for further assistance.

"Campaign 100"

LCIF has extended "Campaign 100" through June 2022, due to Coronavirus. LCIF is requesting if your club chooses not be a model club then have your Club donate \$100.00 per member yearly until the campaign is completed. This donation can be through fundraisers, businesses, family members, friends or personal. Remember all donations can go towards a MJF for someone in your club, community or yourself. If you should have any questions about LCIF and Campaign 100, please contact either one of us: LCIF District Coordinators: Lion Frankie csbennett@comcast.net or PDG Wayne waynecole66@hotmail.com

WE SERVE

With 1.5 million men and women who are active in community projects in more than 48,000 clubs in over 212 countries and geographic locations, Lions Club International is the world's largest service organization. In 1925, Helen Keller challenged Lions to become "knights of the blind in the crusade against darkness," and we accepted. Today, sight programs remain one of our defining causes.

For the 20th year, local Lions Clubs - Deer Park, Freedom District, Greater Carroll, Roaring Run, South Carroll and Taylorsville-Winfield - are joining forces to raise funds for the **American Diabetes Association® (ADA)**, the **Lions Vision Research Foundation, Inc. (LVRF)**, and **Lions District 22W Hearing Preservation, Awareness, and Action**. Lions support local and wide-scale efforts to control and prevent diabetes and diabetic retinopathy, the leading cause of vision loss in U.S. adults. The mission of the ADA® is to prevent and cure diabetes and improve the lives of all people affected by diabetes. The primary purpose of the LVRF is to support low vision research and rehabilitation to minimize the disabilities caused by low vision and blindness, education, and patient care in low vision (uncorrectable vision loss). Lions District 22W Hearing and Speech Action Program provides low cost hearing aids to those in our local community who meet the criteria for hearing aid assistance.

All funds raised at this golf tournament will be used exclusively for these organizations. Your support makes a difference in the lives of those affected by diabetes, low vision and hearing loss. By joining your local Lions Club you can bring about positive changes in your community.

In 2000, Lion Dick Liebno had a vision for the Lions Clubs in Region IV, Zone III to work together on a golf tournament. This allowed the clubs to support worthy Lions causes and the participants to enjoy a great day of golf while helping the community. Please join us for this Special 20th Annual event in honor of Past International Director Richard Liebno!

This Golf outing will be subject to any and all Covid restrictions in place on May 28th. This may change some of the "normal" protocols for this type of event. We appreciate your support and understanding as we focus on a great day of golf that supports our 3 great causes for the 20th year in a row!

Sudlersville Lion's Club Happenings

The Sudlersville Lion's Club sponsored their annual Easter Egg Hunt
At Richard Brusca's Nursery

Last year we had to cancel it because of Covid. We weren't sure how things would go this year, but it was a great success! The Easter Bunny was there to help us out and the children were able to get their pictures with the bunny. A hay ride and finding eggs was top priority. We had 125 children show up. Everyone wore masks and social distancing. It was great to see the children, they needed this community gathering. There were prizes for the gold and silver egg in three age categories and prizes for the most eggs found.

Past District Governor Dalton L. Mann

1932-2021

PDG Dalton (Dal) Mann was born on December 18, 1932 in Manns Harbor, NC. Upon graduation from East Carolina University with a degree in Mathematics in 1955, he joined the United States Air Force where he had various duties including flight navigator during the Viet Nam war. In 1967, he moved to the DC area stationed at the Pentagon as a computer systems analyst. Upon retiring as a Lt. Colonel, he continued working first at the Pentagon and later in the White House communications room.

During his time in the DC area, he was very active in the National Recreation and Park Association, serving on several national committees, and the Maryland Recreation and Parks Associations. This work continued after moving to the Eastern Shore.

In 1995, Lion Dal retired, moved to Preston, MD, and joined the Hurlock Lions Club, having been recruited by his good friend Lion Cal Butt. He served as Club President for 2 years, Club Secretary for several years, and other positions within his club. From 2004-2005, he served as District Governor of District 22-B, the Eastern Shore of Maryland.

PDG Dal did not stop there. He continued to serve at the District and Multi-District levels in many capacities, including District Secretary, District Treasurer, 22-B Social Chair, 22-B Communications Chair as well as chair of several Multi-District committees. He served for several years as Secretary of the Lions Vision Research Foundation (LVRF) to which he devoted many years of effort. In 2010, he co-founded the LVRF Aim for Sight sporting clays tournament, which has raised over \$100,000 since.

Lion Dal epitomized the Lions motto – We Serve. He gave tirelessly and was a great, respected Lion. He was recognized by receiving a LCI Presidential Medal from President Jimmy Ross, a LCI Leadership Medal from President Frank Moore, a Progressive Melvin Jones Fellowship and a Diamond Darley Travers Fellowship.

Lion Dal passed away on April 9, 2021. He is survived by his brother, Harry C. Mann of Manns Harbor, NC and his daughter, Linda L. Mann, of Springfield, VA. Dal was preceded in death by his wife Marjorie Batts Mann and his sons, Raymond Carl Mann and William Guy Mann.
