DISTRICT GOVERNOR'S MESSAGE

"CELEBRATE SERVICE"

Fellow Lions of 22B

Can you believe 22B Lions that we are now in the final quarter of our Lions Year of 2018-2019. Official visits are done and we can all take a much needed deep breath. As I reflect back on the visitations to 46 clubs, my cabinet members and I were so touched by your warm hospitality and graciousness towards us. As we sat back and listened to your reports and the business conducted during your meetings, I have to tell you that we were so impressed by the sheer number of people you were helping in your communities. I love the theme that someone at the International Level came up with that says, "Where There's a Need, There's a Lion." No where is that more true than right here in 22B. As I have said all year, you are truly changing lives in your communities. Your citizens see that!!! They want to be a part of that and I ask you to allow them to be a part of this generosity that they witness by Lions. Share that feeling with your fellow citizens. Ask them to join the largest and the best service organization in the world. With that being said, a huge Congratulations to all of you in 22B. As of today, the District is plus 10 and it is because you are reaching new heights in Service. What an accomplishment this will be if we continue to work hard on recruiting new members, and work hard to retain our current members. Keep working 22B Lions. We need to finish strong and remain plus for the year. Thanks so much to the best Global Action Team in the Multiple District. IPDG Jeff, PCC John and PDG Ben have been traveling around the District promoting the Global Action Team premise and teaching our local Lions that working as a team in your local clubs can result in great success.

Very soon, all Club Presidents and Secretaries will be receiving the awards checklist that you will complete and send back to us for our awards program. These awards will be presented at the Banner Transfer in August. There will be a deadline yet to be determined on the check list. **Please complete the check list.** Even though you may feel that because you missed a Zone Meeting or a Deadline to submit a report, please know that this does not disqualify a club from getting the Five Star Award or the District Governor's Excellence Award. We will take everything into consideration when determining who gets these awards. However, if you don't submit a check list, I cannot give you any of these awards. Let us make the determination. I have seen the amount of work every club has performed this year. I want to reward clubs for this hard work, so please take the time to have a Board of Directors meeting just to complete the Awards Check lists and then submit to Cabinet Secretary Frankie.

I also want all clubs to know that we will also be giving some awards out at our District Meeting at the Multiple District 22 Convention. Some of the specialty awards will be presented along with many Centennial Service Celebration Awards that I have received from International to present to clubs. It will be a great meeting with the Candidate Presentations and the Awards Presentations. Please make every effort to attend the District Meeting at the Convention.

I am quite sure that by now all clubs have held their elections and reported their incoming officers for next year. You will soon be getting the dates of the New Officer Training Sessions that will take place in three different locations this year. Please encourage your new officers to attend one of these sessions. Valuable information will be passed on to them to insure their year of leadership will be a positive one. Until next month, "Be the Change, You Want to See in the World."

Fellow Lions of 22B

How about that MD 22 Convention. I can tell you that if you missed it, you missed a great convention. Thank you to all those from 22B that made the trip down for the celebration. Our very own PCC and PDG Dave Studley represented District 22B serving as Convention Committee Treasurer. Well done PCC Dave!! Congratulations to International President's Medalist to Cabinet Secretary Frankie Bennett for receiving the highest award a local Lions can receive. How about a big congratulations shout out to Zone Chair Carol Schoonover for receiving the International President's Leadership Medal, the second highest award a local Lion can receive. Also, Congratulations to King Lion Donna Shelton from Chesapeake City, Lion Darlene Coleman from Sudlersville Lions Club, and FVDG Elect Wayne Benjamin from the Chestertown Lions Club for receiving the International President's Certificates of Appreciation, the third highest award a local Lion can receive. This year's District 22B LCIF Superstar Award went to Lion Walt Ramstedt from the Marydel Lions Club. All these awards were presented by our International President Gudrun Yngvadottir and myself. IP Gudrun was wonderful, as she spoke at every function, held an open question and answer forum, and mingled with the crowd of Lions at the Annual Hospitality Night. What a terrific leader, full of grace and class. We are so lucky to have her leading our International Association.

Congratulations also to our newly elected leaders of 22B, DGE PCC John Lawrence, FVDG Elect Wayne Benjamin, and SVDG Mary Alice Carroll. We are in good hands for the 2019-2020 Lions Year. A big thank you to all of you for stepping up to lead our great District!!

As we complete this year together, I just want to encourage all clubs to finish strong!! We have seen a positive growth number now for two months and we have plenty of momentum to carry us to the finish line. Please continue to invite your citizenry to join the world's largest and best service organization in the world. We need them to help us to serve our local community and to help us worldwide to meet the goal of serving 400 million people with our new service areas. Now is not the time to sit back and rest on our accomplishments so far. We need to continue to work, continue to recruit, continue to retain our current members, and continue to offer great fellowship and inclusion to all members.

I do want to remind all Lions of 22B that will be serving as leaders of your local clubs, that we will be holding three Officer Training Schools in June, as well as a Zone Chair Training. We are very close to nailing down our dates and locations for these sessions. Please plan on attending one of the sessions, as you will find them very valuable as you serve in your respective leadership capacity next year. Once we have all the details nailed down, look for a mass emailing from CS Frankie and Communications Chair, PDG Dal Mann.

As we close this year, please remember our wonderful foundations. If your club has not yet made a donation to LVRF, LCIF, LYF, LSXS, or District 22B Charitable Foundation, please do so. These foundations do great things for our local clubs and can only do this through generous donations from clubs and local Lions. A gift as little as \$50 makes a huge difference when you multiply it by 46 clubs and over 1300 Lions.

"Be the Change, You Want to See in the World."

COMMITTEE REPORTS

LCIF Report

April 2019

I am very disappointed to report in the first 10 months of this Lions year the clubs in the District have donated a total of \$ 16,330.00, and this time last year donations were at \$22,678.00. Last year we have had 31 clubs to make donations to LCIF, so far this year only 18 clubs have made donations, that is only 39%. We still have 2 months left in the Lions year, so I will be getting in touch with the clubs that have not donated. Remember the Clubs can use their donations to go toward naming a Melvin Jones Fellow, for someone in the club or anyone in the community. If you have any questions about LCIF or need assistance filling out the donation form please contact me. Also remember the Campaign 100 will be going on for the next 3 years.

As you know, it's important that every club receives an invitation to participate, and that every Lion consider making a donation of US\$100 each year.

Lion Frankie Bennett

Campaign 100

*Increasing Service Impact,
Expanding Global Causes*

Lions Clubs International Foundation is proud to announce

Campaign 100: LCIF Empowering Service. We're celebrating a

century of service while working to support Lions' efforts for the next 100 years and beyond. With financial support from Lions, other donors and partners, the foundation is committed to raising **US\$300 million** by June 30, 2021. It's an unprecedented goal but one LCIF is confident we'll reach together. What's the power of your gift to Lions Clubs International

Foundation? A safer and healthier world in which Lions have even greater opportunity to:

Increase service impact in the areas of vision, youth, disaster relief and humanitarian work.

Fight diabetes to reduce its prevalence and improve quality of life for those diagnosed.

Expand our global causes to include:

Hunger – Growing resources and infrastructure needed to address food shortages, we'll work toward a world in which no one goes hungry.

Childhood Cancer – We'll strengthen medical and social services designed to increase life expectancy of children with cancer and enhance quality of life for them and their families.

Environmental Issues – Together, Lions and LCIF will protect the environmental health of our global communities.

Empowering Service through Your Campaign 100 Gift

You *know* the impact your service makes on communities. Now, expand your contribution to bettering the world through a personal financial contribution to LCIF.

Donate today to change the world even more profoundly.

Every Lion in every club worldwide has the power to create a better future.

Join the Campaign 100: LCIF Empowering Service movement.

22-B Charitable Foundation Exists

Yes, 22-B does have a Charitable Foundation. It provides funds to clubs, a collection of clubs, or zones to help with community projects when extra funds are needed. The Foundation will provide up to 50% of the cost of a project which includes Lions active involvement. As an example, the Kent Island and Queenstown Lions Clubs recently received a grant for \$500 for a community youth project in Queen Anne's County.

There are two ways you can help with the Foundation. First, apply for a grant to help with your Lions project. Consider a Lions Legacy Project to help celebrate our 100 years as Lions. Funds are available. The application form for grants can be found in this newsletter.

The other way to help is by donating to the Foundation. A good way to do this is by recognizing a Lion or a community leader with a Darley Travers Fellowship. They come in four levels: Basic Pin at \$100, Sapphire Pin at \$250, Ruby Pin at \$500, and Diamond Pin at \$1000. The Diamond level also includes a distinctive plaque. The required donation for the pins is cumulative. For example, a recipient of a Basic Pin may upgrade to Sapphire for an additional \$150. To date, we have awarded 70 Basic Pins, 6 Sapphire Pins, 1 Ruby Pin, and 16 Diamond Pins. Any club will also receive special recognition when they become a 100% Darley Travers Fellow club. Thus far, Salisbury Metro Lions Club has received this distinction.

Our Leo Clubs in District 22B continue to serve with pride! If you follow the District 22B Facebook page or read the District Newsletters you are aware of the wonderful projects they continue to do each month.

Here is a wonderful example:

The James M Bennett Leo Club, partnering with the Salisbury Lions Club, and the Chesapeake Housing Mission recently built a ramp for Salisbury resident Bill McCrorey. Lions Club Advisor Bill Langan and Faculty Sponsor Angie Langan are proud to report (with this project) the Leos have completed 1500 service hours with a goal of completing 2000 hours by the end of the school year. If you would like to see the Bennett Leos in action, go to You Tube and type in CHM Ramp Build for Bill McCrorey. It is worth your time!

Our district is still waiting to welcome more Leo Clubs! Please let me help your club get one off the ground. A new school year is a great time to have a new Leo Club in place. All the groundwork can be done starting now. I will be happy to assist in any way I can by providing info or talking to your club members.

Greetings!

I would like to share some exciting news with you. The Leos & Lions of Arizona are hosting the 3rd USA/Canada Leo Leadership Forum on July 24th to 28th, 2019 at the Hilton Mesa/Phoenix. **Registration is now OPEN!** This 2019 Leo Leadership Forum will bring Leos together from across North America and the Caribbean. During the course of the week, we have seminars in various areas of leadership and community-organizing as part of our core curriculum toward the HIGH SCHOOL DEGREE earned during this Forum experience. We also have elective seminars prepared by Leos. It's our goal to also empower our Leos to educate each other in areas of interest to them related to leadership. At the conclusion of every seminar, the facilitator offers a quiz on the subject. The passing of this seminar quiz will give the Leo the credits needed to graduate our program. All seminars are reviewed by our Dean of the High School Program and its committee members.

At every Leo Leadership Forum, we invite an international officer as our guest speaker. This gives our Leos the opportunity to ask questions, learn more about our association and the legacy that Melvin Jones left for the world. Leos also get the opportunity to network and bond with other Lions, Leos, and LCI Staff Members. We provide a full day of fun touring the host city and a day of community service planned by the Leo Host Committee. We have an Opening Ceremony/Dinner together with a Closing Night Dinner Gala that includes the presentation of diplomas and concludes with an entertaining night of dancing. Our Leos return home more knowledgeable about our Association, the Leo Club Program, ways to continue building up their own clubs while bringing bright new ideas for service projects and fundraisers. This Leo Forum will help Leos become great club leaders ready to serve their community and continue growing as individuals while feeling proud to be a Leo. We welcome Leo Club Advisors, Lions, and parents to attend the Forum. We want this to be a learning experience for all.

Please share this email with your Leos or Lions interested in learning more about the Leo Club Program. If your Leo Club is school-based, our team is happy to speak to Principals or Faculty Advisors to better explain our Leo Forum or answer any question. Our contact information is listed below. Take a look at our video with highlights of our 2nd Leo Leadership Forum. We look forward to welcoming all Leos and Lions to the Grand Canyon State.

RIDGELY LIONS CLUB & RIDGELY ELEMENTARY SCHOOL “PTA” SEEK SUPPORT for “FUEL UP to PLAY 60” 2018-19

The Ridgely Lions Club in cooperation with the Ridgely Elementary PTA will be sponsoring fruit and vegetable donations from September 1, 2018 thru August 31, 2019 in support of the “Fuel Up to Play 60” program at Ridgely Elementary School. “Fuel Up to Play 60” is a program that encourages students to make healthy choices like eating more fruits and vegetables and getting active for at least 60 minutes every day. The Lions and the PTA are seeking donations and support from local businesses, organizations, and individuals to sponsor the boxes of fruit and vegetables. In return for your \$30 sponsorship we will invite donors to help us deliver the fruit/vegetables to the school and recognize them in the local media and online at www.ridgelylions.org and on [facebook.com/ridgelylions](https://www.facebook.com/ridgelylions). If you’d like to help improve the lives of students at Ridgely Elementary School through the “Fuel Up to Play 60” fruit/vegetable donation program, then contact Lion Dave Davis at ddavis@goeaston.net or 443-786-2547. We made 882 bouquets. It was a beautiful day and the daffodils were everywhere. We had our largest group ever. The banner is in remembrance of John and Jackie Up who allowed us to do this for 56 years. Their son, John Jr. is now in charge. Our President Roy Thompson is with me in the picture. Our new Daffodil Day Chairman is Lion Jen Haley, and she did a great job. She is with Mr. Jack Miller who, with his wife Rose have been there many years.
