If you didn't attend the Leader Dog fundraiser dinners in Chestertown and in Salisbury, you missed two good events. The attendance and food were excellent. The testimonies were provided by Kim Paulk and her Leader Dog Gemma. Can you imagine living in Manhattan with low vision? This was her first speaking engagements to Lions which I am confident that there will be many more. Even better, as to date \$19,825.00 has been raised for Leader Dog. Thank you for your support!

I believe we have the best Global Action Team in the Multi-District! I am so proud of their new membership orientations that have been going on this month. It's not the usual meeting where you are bombarded with boring facts and information. The Team has made this educational program into a fun filled event for everyone. Sorry if you missed the program.

I sure hope you have registered for the MD 22 convention coming up on May 7th to May 10th located in Ocean City, right in our back yard! There is a variety of seminars this year and the cost to attend them is free. Better yet, come out and support our candidates for the up coming year. Even though you may not be a delegate, your support is appreciated. I remember from past experience, attending the convention, and going through the process becoming District Governor, the presence and the support from members from 22-B meant so much to me. We also have this year a resolution to vote on this that will give money back to each District for Membership and Leadership programs. This resolution was created by the Council of Governors and approved by the finance committee to give back money that was provided by all members in the Multi-District 22. Delegates, we are counting on your support. The resolution is included in the newsletter.

Keep your eyes and ears out for officers training classes. I anticipate that they will be scheduled sometime in June. Please plan to attend, being prepared for the new year will make the position much easier for everyone.

I have been spending time at club events, anniversaries, charter night ect. I am so proud of our clubs in this District helping the folks in their communities. Keep up the excellent work. Just remember our motto "WE SERVE". These two words say it all!

DG Jeff Beever

COMMITTEE REPORTS

MEMBERSHIP PULSE

DISTRICT 22B LIONS INTERNATIONAL

!! Fellow Lions of 22B: Here we are, Fellow Lions, approaching the last two months of our year and we find ourselves -8 as of this morning for District membership totals. We are improving with every month and the upward momentum is still going. Let's keep it going. We are so close to being positive membership for the third straight year. Now, we need that final big push. Please, reach out to those prospective members now. We need every club to recruit one new member during May & June and we will get the result we need. That one new member may be the member that sparks something greater in your club. Let's not ever forget that there are people in our community looking to serve, and it is our responsibility to find them and invite them to be a Lion.

So how do we get to positive growth by the end of the year? Firstly, I am asking each and every club to concentrate on Retention in the last quarter of this year. Let's work hard to keep our current membership in place. Reach out to those members that are not attending meetings or participating in projects. Remember it is not too late to save a member that may be on the cusp of leaving your club. Communication is the key!! Let's keep our current members!! A special thanks to the 30 clubs in our District this year that has brought in new members. However, if we are going to reach our goal of positive membership, we will need all 46 clubs pulling together. If your club has not recruited a new member, won't you please consider doing so. The "Power of We" will get this done!!

PDG Wayne Cole, District 22B GMT Chair

LIONS VISION CENTER FELLOW ENDOWMENT CAMPAIGN

Fellow 22B Lions:

As most of you know, I am currently serving as one of your trustees on the Lions Vision Research Foundation Board of Directors. Last year, we kicked off a new endowment campaign that will insure that the most elite medical students that specialize in the field of Low Vision can further their studies at Johns Hopkins in the Low Vision Center at Wilmer. Many of you have had the pleasure of hearing many of these students known as Fellows speak at the annual LVRF dinners. They are truly the best of the best. This is a highly competitive Fellow Program, as only one student per year is chosen. This campaign is unique in that we are asking for donations from many sources including individual Lions, corporations, foundations, and Lions beyond the borders of the MD 22. However, individual clubs, while not being singled out for requests, can also contribute.

In December, every Lion in Multiple District 22 received a letter asking for a donation to the LVC Fellow Endowment. I am asking that you please consider making a donation to this most worthy campaign. Once we have this \$2 million dollar endowment in place, we can free up \$100,000 annually from our LVRF operating budget. However, the most important reason to donate is that we will be known as the Multiple District that sends out the best specialists in Low Vision to medical & vision centers around the world. The impact of this has already been felt in Massachusetts, Illinois, California, and right here in MD 22 as past Fellows are becoming leaders in Vision Centers in these areas. As our population ages, the need for these specialists increase drastically. You can help make the difference. There are over 6500 Lions in our Multiple District. If every Lion was able to donate just \$50.00 from this letter campaign, some \$325,000.00 could be added to the already \$300,000 raised. That would be huge.

I want to thank all of you for the opportunity to serve as one of your trustees on the LVRF Board of Directors and again I ask that you please consider a donation of \$50 to the LVC Fellow Endowment Campaign.

Sincerely,

PDG Wayne A Cole

LCIF Report

The District goal this year is \$ 24,000.00 and we are still a little short. However I am glad to report that more clubs are making donations to LCIF than last year. You can show your support by making a donation of any amount, either as an individual or as a club, which would be appreciated. You can request it to be used towards an area of greatest need, measles, disaster (hurricanes) sight or youth. Your donation could also go toward a Melvin Jones Fellowship for yourself, member in your club or someone in the community. If you need more information please contact me.

Thanks,
LCIF Chair

22-B Charitable Foundation Exists

Yes, 22-B does have a Charitable Foundation. It provides funds to clubs, a collection of clubs, or zones to help with community projects when extra funds are needed. The Foundation will provide up to 50% of the cost of a project which includes Lions active involvement. As an example, the Kent Island and Queenstown Lions Clubs recently received a grant for \$500 for a community youth project in Queen Anne's County.

There are two ways you can help with the Foundation. First, apply for a grant to help with your Lions project. Consider a Lions Legacy Project to help celebrate our 100 years as Lions. Funds are available. The application form for grants can be found in this newsletter.

The other way to help is by donating to the Foundation. A good way to do this is by recognizing a Lion or a community leader with a Darley Travers Fellowship. They come in four levels: Basic Pin at \$100, Sapphire Pin at \$250, Ruby Pin at \$500, and Diamond Pin at \$1000. The Diamond level also includes a distinctive plaque. The required donation for the pins is cumulative. For example, a recipient of a Basic Pin may upgrade to Sapphire for an additional \$150. To date, we have awarded 70 Basic Pins, 6 Sapphire Pins, 1 Ruby Pin, and 16 Diamond Pins. Any club will also receive special recognition when they become a 100% Darley Travers Fellow club. Thus far, Salisbury Metro Lions Club has received this distinction.

Kudos!

Making it Personal.....Do you serve when needed?

We all know what good we do as Lions for our communities, but sometimes the act of “serving” can simply be helping a single person when they needed. **Please send me** your Kudos so we can put them in the new section! I am hoping I have so many that I can only put “out takes” on a page or two!

Congratulations

to Lioness Mary Ann Manganello for her logo being selected as the Lovrnet Logo for MD 22. Below is the announcement in the Lions Vision publication.
WAY TO GO!!!!!! Great Job!

It was created by Lioness Mary Ann Manganello of the Ocean City Lioness Club. Lioness Mary Ann is new to Lionism having joined just this past February. She is a professional designer and owner of The iMage Worx, Inc. She lives in Ocean City with her husband, Joe. She is Executive Director of the Ocean City Downtown Association.

CUB CLUB CORNER ACTIVITIES AND EVENTS OF OUR LEO CLUBS

(each month will feature different are Leo Clubs)

Cecil County Leo Club

2017-2018 has been a busy year for the Cecil County Leo Club. Members have been engaged in a variety of projects with service in mind. In the fall they raised money to give back to the community for the holidays. Also, during this time, an annual project, “Stuffing the Stockings for Soldiers was undertaken with the Cecil County Boys and Girls Club. Their stockings, along with stockings from across the country, were sent to our soldiers all over the world, and to veteran hospitals.

On Tuesday, March 27th, new Leo members were welcomed during the annual induction ceremony. Their adviser, Lisa Ford, sees the yearly ceremony as a catalyst for a renewed sense of purpose and engagement for the club.

Currently, Leo members can be found in the afternoons working with the kids of the Cecil County Boys and Girls Clubs helping them with their homework.

This month, Leos will participate in the Kenya Water Life Walk. Proceeds benefit the clean water project in Kuku, Kenya. In May members will help with the Horse Races (assisting Cecilton Lions sell raffle tickets). During the summer months, they will assist with the “Fun with Fishing” project with the Cecil and Harford County Boys and Girls Clubs. The Cecil County Leo Club, founded in 2009 and sponsored by the Cecilton Lions Club, has much to be proud of in their service to their community, nation, and world!

James M Bennett Leo Club

Do our Leo Clubs make a difference? The answer is a resounding yes! Twenty two members of the James M Bennett LEO Club stayed after school on their early dismissal day to sort and count donated eyeglasses. They sorted cases, glasses, sunglasses and lens. The cases were donated to Goodwill and the glasses and lens will be shipped by Lions International to third world countries in South America. This will be an ongoing process for the LEO club since there are more boxes of donated eyeglasses to sort. Well done, you serve as an example to all of us!

Crisfield Academy/High Leo Club

The members of the Crisfield Academy/ High School Leo Club prepared Easter treat bags and delivered them to the residents of the Alice Byrd Tawes Nursing Home and Cove Assisted Living Facility.

It was a glorious day at the Upp family farm for the 55th Annual Operation Daffodil, hosted by the Cecilton Lions. Several other Lions groups, along with other community organizations participated, making this year an event to remember. Event organizers, Jack & Rose Miller, didn't know how it was going to turn out with having to postpone it a week due to bad weather but they said that there was a record turnout. The field was filled with cars and volunteers came out in full force to enjoy the nice weather and give their time to a fun and worthy event.

This has become a true family affair with everyone from children to grandparents participating. Many said that they have been coming since they were children themselves and continue to bring their own children or grandchildren to help out. Kids and adults jump onto the tractor for a hayride down to the valley to pick the daffodils and then they were brought to the main barn where volunteers made them into beautiful bouquets. Each bouquet is delivered by a caravan of volunteers to hospitals and nursing homes, giving the patients fresh flowers to brighten their day. Serving the community by giving people a bit of sunshine and a smile is what this event is all about. The Cecilton Lions would like to thank everyone who participated and we hope to see you next year.
