The Cabinets Official Visitations were completed on February 14, Valentine's Day at the Cecilton Lions Club, home of our 2nd VDG M. A. Carroll. As a conscientious husband and DG it was obvious that I had to schedule a "make-up" date with Beverly. She agreed that attending the famous Beef and Muskrat dinner at the Hebron Lions Club would suffice. If you have never been, it is a very nice evening and dinner, and thank you Hebron Lions for helping with my obligation. A big thank you to all the clubs in the District for hosting us for our visitations. The Cabinet and I thoroughly enjoyed the visits and believe it or not, I will miss the traveling to all the clubs. It is the best part being a District Governor. I have made a lot of friends.

I hope everyone has their registration in for the social on March 3rd at the Milestone in Easton. If you have any auction items, please get them in. The social committee and silent auction committee has been working very hard planning not only with the social but an agenda for our special guest ID Gwenn White and her husband Lion Rhett.

It just around the corner, the Leader Dog fundraisers are scheduled for Friday, March 23, at the Kent Center in Chestertown, and Saturday, March 24 in Salisbury at the Christ United Methodist Church on Phillip Morris Dr. A flyer has been recently sent out. I am looking forward to meeting Kim Paulk and her Leader Dog Gemma. They are from Manhattan, living and working on their own. It should be interesting to hear how they survive in the NYC environment.

The registrations are out for the multi-district convention in Ocean City located at the Princess Royal. Contact us if you need a registration. The convention is right in the back yard of 22-B, and with this location, I am anticipating a large attendance from 22-B. All the events for the convention will be held at the hotel, and what a great way to spend a few days by traveling and staying in Ocean City!

MEMBERSHIP PULSE

DISTRICT 22B LIONS INTERNATIONAL

Membership Summit

MD22 began the Lions' Year on July 1, 2017, with 6,813 members. After six months, as of December 31, 2017, 22A has 801 members in 29 Clubs, 22B has 1,320 members in 46 Clubs, 22C has 1,337 members in 47 Clubs, 22D has 1,263 members in 35 Clubs, and 22W has 1,929 members in 59 Clubs. We have added 283 new Lions in the first half of the Lions' Year, but have dropped 442 Lions, for a net loss of 159. We have 216 active Clubs, but have cancelled 3 Clubs and have one in status quo. We have no pending new Clubs.

What are we going to do? Are we going to wait for our five Districts to be reorganized with all of the Districts impacted? Or, are we going to take action in each Club and each District to slow the loss of members which will allow our organization to grow?

At the request of the Council of Governors and the Long Range Planning Committee, MD22 Global Membership Team Coordinator PDG Dee Hawkins and MD22 Global Leadership Team Coordinator Lion Martin Bonura are hosting a Membership Summit to be held on two different dates and at two different locations. This is the third and final step in a two-year process. The Summit will be an interactive event with action plans provided to each participant to bring back to their Clubs and their Districts. These action plans will emphasize how to succeed in retaining members, as well as action plans for recruiting new members.

The first Summit will be held on Saturday, April 14, 2018 from 9:00 a.m. to 5:00 p.m. at the Elks Annapolis Lodge #622 at 2 Pythian Drive, Edgewater, MD 21037. The second will be held on Saturday, April 28, 2018 from 9:00 a.m. to 5:00 p.m. at the Myersville Fire Department Hall at 301 Main Street, Myersville, MD 21773. Coffee and donuts, as well as lunch will be provided.

We are asking each Club in each District to send two or more attendees to either of the two Summits. We ask that each Club or individual Lion RSVP to md22membership@gmail.com with the names of those who will attend and which Summit they have chosen.

Come and be a part of the solution! Take home tools that you can use to help grow your Club, your District, and MD22, and expand service in your communities.

COMMITTEE REPORTS

LAST CHANCE LIONS

Selection of the logo for LOVRNET is scheduled to take place on March 2, 2018. Do not pass on this opportunity to be immortalized in the annals of Multiple District 22. Send entries to info@lovrnet.org. Deadline for entries is Monday, February 26, 2018. As a gauge of the competition, see the entry below.

If you are not artistically inclined, you can still make an impact through LOVRNET. Most of you are aware of the role that Lions play in the Patient Interview and Direct Services areas of the project. As the number of patients grows, so too does the need for volunteers to assist with these critical areas. There is a whole range of other opportunities to engage in beside those two.

- LOVRNET is revisiting the community of eye care providers in our Multiple to identify new businesses that we can approach seeking their participation and support. We will need help to scrub a list of providers and select those we want to target.

- A small group of Lions are currently engaged in identifying topics and gathering information that can be posted to the LOVRNET web site and distributed through social media to enhance the visibility of the project. We need Lions who can spot and report interesting articles. You can also elect to don your best Ernest Hemingway persona and create articles on your own. (You can even get a byline!)

- PDG Steve Finger has pulled out all the stops to raise the LOVRNET profile. He may be reaching his limit. Loose your imagination and offer him some thoughts on how to market LOVRNET.

- \$\$\$ It almost always comes down to dollars, doesn't it. To date, the LOVRNET project has been funded by grants. When the initial LCIF SightFirst grant was about to expire, a call went out to Lions and several clubs responded with donations to bridge an anticipated delay in receipt of our follow on SightFirst grant request. We do not intend to make this a standard practice. Until LOVRNET can become self-sustaining through revenue obtained from fees from new Lions districts joining the network and sales of the shopping carts, we need identify and seek grant funding from other organizations. Johns Hopkins has access to a database of potential grant sources. We need volunteers now to search that database and identify likely targets for LOVRNET. We then need volunteers that can put together grant requests for submittals. LOVRNET has identified a need in our communities to help our neighbors with low vision. And, Where There's a Need, There's a Lion. Please be one of those Lions that help our neighbors. Please consider volunteering in any way with LOVRNET. Go to www.lovrnet.org to sign up or call me at 301-919-5451. Thanks.

LIONS VISION CENTER FELLOW ENDOWMENT CAMPAIGN

Fellow 22B Lions:

As most of you know, I am currently serving as one of your trustees on the Lions Vision Research Foundation Board of Directors. Last year, we kicked off a new endowment campaign that will insure that the most elite medical students that specialize in the field of Low Vision can further their studies at Johns Hopkins in the Low Vision Center at Wilmer. Many of you have had the pleasure of hearing many of these students known as Fellows speak at the annual LVRF dinners. They are truly the best of the best. This is a highly competitive Fellow Program, as only one student per year is chosen. This campaign is unique in that we are asking for donations from many sources including individual Lions, corporations, foundations, and Lions beyond the borders of the MD 22. However, individual clubs, while not being singled out for requests, can also contribute.

In December, every Lion in Multiple District 22 received a letter asking for a donation to the LVC Fellow Endowment. I am asking that you please consider making a donation to this most worthy campaign. Once we have this \$2 million dollar endowment in place, we can free up \$100,000 annually from our LVRF operating budget. However, the most important reason to donate is that we will be known as the Multiple District that sends out the best specialists in Low Vision to medical & vision centers around the world. The impact of this has already been felt in Massachusetts, Illinois, California, and right here in MD 22 as past Fellows are becoming leaders in Vision Centers in these areas. As our population ages, the need for these specialists increase drastically. You can help make the difference. There are over 6500 Lions in our Multiple District. If every Lion was able to donate just \$50.00 from this letter campaign, some \$325,000.00 could be added to the already \$300,000 raised. That would be huge.

I want to thank all of you for the opportunity to serve as one of your trustees on the LVRF Board of Directors and again I ask that you please consider a donation of \$50 to the LVC Fellow Endowment Campaign.

Sincerely,

PDG Wayne A Cole

LCIF Report

The District goal this year is \$ 24,000.00 and we would like to see more clubs making donations to LCIF, last year only 60% of the Clubs in the district made donations. You can show your support by making a donation of any amount, either as an individual or as a club, which would be appreciated. You can request it to be used towards an area of greatest need, measles, disaster (hurricanes) sight or youth. Your donation could also go toward a Melvin Jones Fellowship for yourself, member in your club or someone in the community. If you need more information please contact me.

Thanks,
LCIF Chair

22-B Charitable Foundation Exists

Yes, 22-B does have a Charitable Foundation. It provides funds to clubs, a collection of clubs, or zones to help with community projects when extra funds are needed. The Foundation will provide up to 50% of the cost of a project which includes Lions active involvement. As an example, the Kent Island and Queenstown Lions Clubs recently received a grant for \$500 for a community youth project in Queen Anne's County.

There are two ways you can help with the Foundation. First, apply for a grant to help with your Lions project. Consider a Lions Legacy Project to help celebrate our 100 years as Lions. Funds are available. The application form for grants can be found in this newsletter.

The other way to help is by donating to the Foundation. A good way to do this is by recognizing a Lion or a community leader with a Darley Travers Fellowship. They come in four levels: Basic Pin at \$100, Sapphire Pin at \$250, Ruby Pin at \$500, and Diamond Pin at \$1000. The Diamond level also includes a distinctive plaque. The required donation for the pins is cumulative. For example, a recipient of a Basic Pin may upgrade to Sapphire for an additional \$150. To date, we have awarded 70 Basic Pins, 6 Sapphire Pins, 1 Ruby Pin, and 16 Diamond Pins. Any club will also receive special recognition when they become a 100% Darley Travers Fellow club. Thus far, Salisbury Metro Lions Club has received this distinction.

Kudos!

Making it Personal.....Do you serve when needed?

We all know what good we do as Lions for our communities, but sometimes the act of “serving” can simply be helping a single person when they needed. **Please send me** your Kudos so we can put them in the new section! I am hoping I have so many that I can only put “out takes” on a page or two!

Deal Island Leo Club

Congratulations to the newest District 22B Leo Club, the Deal Island/Chance Leos. Sponsored by the Deal Island / Chance Lions Club, the community based group of 12 young men and women had been busy serving their community even before their official Charter Night. During the summer, they planted a community garden at Deal Island Elementary and sponsored children's activities during the Annual Skip-jack Festival. Their advisor, Lion Nancy Goldsmith, has been the catalyst in forming the Leo group. With the addition of the Deal Island Leos, there are now 10 Leo Clubs in District 22B.

Crisfield Leo Club

The Crisfield Academy/High Leo Club held its Induction Ceremony on Tuesday, Jan. 29th. 61 new members were inducted by District 22B Leo Chair Kathy Crockett. Region 4 Zone 1 Chair Beth Whitelock installed the officers. In his closing remarks, Principal Bevilacqua, commended the group for their dedication to their school and community. He also pointed out that many members are involved with sports and other school organizations such as SADD. Leo Club officers are

President: Shanlaia Jackson, Vice President: Sydnee Whittington, Secretary: Kyra Rittenhouse, Treasurer: Brenda Hernandez and Historian: Jackie Villafuerete. Leo Club advisers Keisha Evans and Margaret Dize continue to do an outstanding job of guiding this special group of young men and women. With the addition of new members, the Leo Club has now grown to 92. Congratulations!

RIDGELY LIONS CLUB & RIDGELY ELEMENTARY SCHOOL “PTA” SEEK SUPPORT for “FUEL UP to PLAY 60” 2017-18

The Ridgely Lions Club in cooperation with the Ridgely Elementary PTA will be sponsoring fruit and vegetable donations from September 2017 thru June 2018 in support of the “Fuel Up to Play 60” program at Ridgely Elementary School. “Fuel Up to Play 60” is a program that encourages students to make healthy choices like eating more fruits and vegetables and getting active for at least 60 minutes every day. The Lions and the PTA are seeking donations and support from local businesses, organizations, and individuals to sponsor the boxes of fruit and vegetables. In return for your \$30 sponsorship we will invite donors to help us deliver the fruit/vegetables to the school and recognize them in the local media and online at www.ridgelylions.org and on [facebook.com/ridgelylions](https://www.facebook.com/ridgelylions). If you’d like to help improve the lives of students at Ridgely Elementary School through the “Fuel Up to Play 60” fruit/vegetable donation program, then contact Lion Dave Davis at ddavis@goeaston.net or 443-786-2547.
