Lets celebrate. March 7 is the date of this year's District Social. It will be held at the Willard Lions Community Center in Willards, Maryland. The center is a beautiful facility and allows the Social Committee to hire the best caterer on the lower shore to serve up a oyster roast and Eastern Shore dinner. If you want to stay over night rooms are available at a very good rate at the Seabay Hotel in Ocean City, A bus will be available to carry attendees from the hotel to Willards and back again at the end of the evening. With the winter weather we have been having its time to dream. Stand on the beach and dream, dream of what it will be like in just a few months. Then hurry back in side and book a trip to Florida.

A District Social registration form is attached at the end of this newsletter. You have until February 28 to sign up. I hope to see many of my friends from all the clubs at the event. Please join me as we celebrate the good works and commitment to service by the clubs and Lions of District 22B.

The Leader Dog dinners will be here soon: Friday, March 27 at the Cecilton Fire Hall and Saturday, March 28 at the Willards Lions Community Center. Mail your ticket purchase now to VDG Glenn Owens at 11330 Urieville Lane, Worton, Maryland 21678. Cost of the event is \$20.00 per ticket. The clubs of District 22B have been great supporters of Leader Dog through the years. Lion Len Quinn will be our guest speaker. A good man with a gruff voice, and a heart of gold, who tells it like it is. I have had the opportunity to hear Lion Len several times, including at the Leader Dog facility. Loving and learning every time. Please don't miss this inspirational speaker as he tells you of his despair from his happy successful life - to going blind - to how a Lion reached out to him with a Leader Dog.

Lets get ready for our Centennial Year the way Lions should, working in service to our communities. For ninety-eight years, Lions have served their communities and impacted millions of people. In celebration of Lions 100th anniversary, Lions Club International is asking each club to participate in the Centennial Service Challenge reaching out in service to 100 million people by December, 2017. Your club can make a difference.

LCI has establish four project areas. For their communities each club will decide just what is right for their club and community. Existing projects and new projects qualify. The areas are "Engaging Our Youth," "Sharing the Vision," "Reliving the Hunger" and "Protecting Our Environment" For each project LCI has created a workbook with suggestions on how to get started. Go to the Centennial website at Lions100.org for more information. OR, contact me at jfschanno@comcast.net and I will forward you PDF copies of the workbooks and other information about the Centennial project.

A single act of service can change a life, but when 1.4 million Lions come together, we can change the world. Lets have the clubs of District 22B lead the charge.

ANNOUNCEMENT LETTER FOR DISTRICTS AND LEO CLUB NEWSLETTERS

The Lions International Pin Trading Club is proud to announce a Youth Scholarship of US\$2,500 for a graduating senior who is the child or grandchild of a Lion, Lioness and/or a member of a Leo Club. The most important aspect of the Youth Scholarship Program is to help a young person pursue his/her education and follow their dreams.

The LITPC takes great pride in fulfilling the motto of Lions Club International, "WE SERVE". During the Sight First II Campaign, the pin traders contributed US\$144,000 to LCIF. Our Scholarship Program is another example of the pin traders' slogan, "Lions First".

Selection of the scholarship recipient will be based on academic achievement, an essay stating the student's goals, a statement of reasons for applying and an overview of work, community and school service, and letter of recommendation. Applications and supporting documentation are to be completed and submitted to the pin trading club scholarship chairman named below by March 15, 2015.

We encourage all graduating seniors who are the children/grandchildren of Lions or Lioness members or who are members of Leo Clubs to participate in our Scholarship Program.

The Public Home page has the published address and therefore is the primary entry point for searches on "Lions District 22B"; as a result, it may frequently be the first hit on the way to finding information contained on one of the other pages.

Note: Page visit totals are not available for the Calendar, Photo Gallery, Member Directory or Newsletter Archive pages due to the fact that their formats prevent embedding code needed to accumulate the number of visit occurrences. They therefore can not be ranked. However there are frequent visits to the Calendar page and a few visits to the Newsletter Archive. Fewer visits are likely to the Member Directory page.

Who has Access:

Anyone on Earth who has Internet access can visit or view the District 22B "Public" pages, and all 2014-2015 District 22B Officers, Committee Chairs, Foundation Members, and (Lion, Lioness or LEO Club) Presidents, Secretaries and Treasures have been granted login access to the "Member" Pages. In addition, many former 2013-2014 Officers, Committee Chairs, Foundation Members, Club Presidents, Secretaries and Treasures who have left office, have retained authorized access to the Members Pages and a few other District 22B Lions have requested and received login access to the site.

As of February 12, 2015, a total of 233 out of more than 1,400 Lions within District 22B currently have login access to the Member Pages of the District 22B website.

How to get Access to the "Members" pages:

All Lions in District 22B who have Internet Access may access the Members pages of the website by making a one-time Email request and by providing their Email Address. The Email address will become their login ID once it is entered into the Members Directory of the website and thereafter they will be able to obtain the current password by clicking on the "**Forgot My Password**" link on the Public Home page within the Members login window (shown below).

If You Have A Lot With Pickup

In 1997 we were taking medical supplies to missionaries in Zaire (Congo). While there we were taken to a feeding program for the children. The program is run three days a week.

At the feeding program, a young boy asked me to get him a pair of shoes.

Meeting this young boy started our project **FOOTSTEPS.**

WE ASK THAT ALL SHOES DONATED BE IN GOOD, CLEAN CONDITION AND TIED TOGETHER. NO HIGH HEELS. ALL SIZES CAN BE USED.

Over

The Little Boy

A little boy said, Mr., can you get me shoes to wear. I looked around the city, there were no shoe stores there. I asked the Missionary, how it could be done.

She said, if you are willing, you can send him some.

I told her when I get home, I would send some shoes, *Help* She said it was a good idea, make sure that they are used.

When I got home, I looked around and saw how blessed we are. To see we're in the greatest land, you need not look to far.

I told some friends about that boy, and what I'd like to do. People I have never met, said here's some shoes for you.

God sometimes works in many ways to get a message through.

To get that boy a pair of shoes, Is what I want to do.

410-275-8426

When you give a child a pair of shoes, it is more than just footwear.

In many third world countries thousands of children die from disease. Many of their diseases are the result of parasites that enter the body through the feet. Shoes can help prevent this.

When you give a child a pair of shoes it shows that someone, somewhere cares. When they know someone cares, this gives them hope. And with hope, there becomes a reason to live and try for a better life. And Leave **FOOTSTEPS** for others to follow. *Help*

Shoes have been sent to: Africa, Central America, Europe, Hope school, Israel, American Indian Reservations in Montana and South Dakota, Missions in NY and NJ and missions in West Virginia and Kentucky.
