"Surprise" "Surprise" "Surprise" On my official visit to Crisfield we successfully surprised Lion Kathy Crockett with the International Presidential Leadership Medal. IPDG Ben Cassell presented the medal because Lion Kathy was not in attendance at the Multi-District Convention last year in Gettysburg. She was awarded this honor for her Leadership during PDG Bens year as District Governor.

This is the third highest honor that a Lion can receive. First is the Ambassador of Good Will-only 40 are presented each year and usually go to International Directors. Second is the International Presidential Award and only about 1200 are presented throughout the world. Third is the International Presidential Leadership Award, again only about 1200 are presented yearly. Lion Kathy is the 20th Lion in District 22-B to be presented this award since the first one was presented to PID Darley Travers in 1993. Congratulations Lion Kathy we are all very proud of you!

We have started the second half of the year and by this time the clubs have probably distributed their budgeted donations to our foundations. If you have any resources in excess, please don't hesitate to forward them to one of your favorites. LCIF, LVRF, LYF, 22-B Charitable, Leader Dog and don't forget LSKSF Lions Saving Kids Sight Foundation. I understand that several clubs have received assistance from LSKSF for purchasing eye screening equipment.

We are turning the corner! The day when I put this message together our membership for the District is PLUS 1. I am excited about this number because my goal is to have an increase in membership this year. Except for the past couple of years, we have been negative in membership. I am still noticing a problem with retention. Please contact a member that you have not heard from or have not seen in a while. We need to shut the back door. One phone call can make a difference. Let's keep our increase of membership rolling we are going to need it for the final stretch!

Beverly and I would like to personally invite everyone to our District social on March 3rd at the Milestone in Easton. We will be having good entertainment, a fantastic speaker and a silent auction. Please come and enjoy the evening and help us make it a success!

COMMITTEE REPORTS

*MEMBERSHIP PULSE**DISTRICT 22B LIONS INTERNATIONAL*

Fellow Lions of 22B: Congratulations!!! I checked the LCI website today and I am happy to report that District 22B is plus 2 in membership. This is all due to your hard work and dedication to growing our great organization. People in your community are recognizing what you are doing on a daily basis to better the lives of your fellow citizens. I recently saw a fact on the LCI website that for every new member that you bring into your club, 70 people will be served in your community on an annual basis. Think about that for a minute. I believe that probably is a very conservative number.

We will continue to grow if we publicize our events by using social media, print media, and our local radio stations. Service is the cornerstone of our great organization and I applaud all of the clubs of 22B for what you are doing your communities. I just love checking Facebook and seeing your pictures and stories pop up on my newsfeed. Keep up the great work!!!

Let's continue to push forward to grow that positive growth number in membership. If you need me to assist your club in anyway, please do not hesitate to call. I would love to do a program on Membership and Membership Development at one of your meetings. The Global Action Team is here to help you!!!

PDG Wayne Cole, District 22B GMT Chair

LIONS VISION CENTER FELLOW ENDOWMENT CAMPAIGN

Fellow 22B Lions:

As most of you know, I am currently serving as one of your trustees on the Lions Vision Research Foundation Board of Directors. Last year, we kicked off a new endowment campaign that will insure that the most elite medical students that specialize in the field of Low Vision can further their studies at Johns Hopkins in the Low Vision Center at Wilmer. Many of you have had the pleasure of hearing many of these students known as Fellows speak at the annual LVRF dinners. They are truly the best of the best. This is a highly competitive Fellow Program, as only one student per year is chosen. This campaign is unique in that we are asking for donations from many sources including individual Lions, corporations, foundations, and Lions beyond the borders of the MD 22. However, individual clubs, while not being singled out for requests, can also contribute.

In December, every Lion in Multiple District 22 received a letter asking for a donation to the LVC Fellow Endowment. I am asking that you please consider making a donation to this most worthy campaign. Once we have this \$2 million dollar endowment in place, we can free up \$100,000 annually from our LVRF operating budget. However, the most important reason to donate is that we will be known as the Multiple District that sends out the best specialists in Low Vision to medical & vision centers around the world. The impact of this has already been felt in Massachusetts, Illinois, California, and right here in MD 22 as past Fellows are becoming leaders in Vision Centers in these areas. As our population ages, the need for these specialists increase drastically. You can help make the difference. There are over 6500 Lions in our Multiple District. If every Lion was able to donate just \$50.00 from this letter campaign, some \$325,000.00 could be added to the already \$300,000 raised. That would be huge.

I want to thank all of you for the opportunity to serve as one of your trustees on the LVRF Board of Directors and again I ask that you please consider a donation of \$50 to the LVC Fellow Endowment Campaign.

Sincerely,

PDG Wayne A Cole

LCIF Report

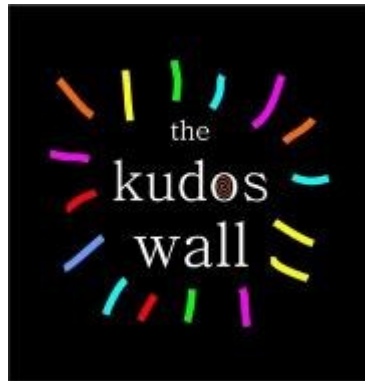

The District goal this year is \$ 24,000.00 and we would like to see more clubs making donations to LCIF, last year only 60% of the Clubs in the district made donations. You can show your support by making a donation of any amount, either as an individual or as a club, which would be appreciated. You can request it to be used towards an area of greatest need, measles, disaster (hurricanes) sight or youth. Your donation could also go toward a Melvin Jones Fellowship for yourself, member in your club or someone in the community. If you need more information please contact me.

Thanks,
LCIF Chair

Kudos!

Making it Personal.....Do you serve when needed?

We all know what good we do as Lions for our communities, but sometimes the act of “serving” can simply be helping a single person when they needed. **Please send me** your Kudos so we can put them in the new section! I am hoping I have so many that I can only put “out takes” on a page or two!

CUB CLUB CORNER

ACTIVITIES AND EVENTS OF OUR LEO CLUBS

(each month will feature different are Leo Clubs)

The Ocean City-Berlin Leo Club

The Ocean City-Berlin Leo Club, chartered in 2006, remains a vital part of its community. With a membership of about 40 members, the Stephen Decatur High School based club stands ready to serve. Every year the Leos assist the OC Lions in raising awareness and funds for their many eyesight programs. The Leos also support the Leader Dogs for the Blind Program.

At the 22B District Leader Dogs Dinner in Willards last year, members presented a check for \$650.00. In October, the club partnered with the Ocean City American Legion and other school groups, to collect food and personal care items for our troops. The Leos also made a \$150.00 donation to this important effort. The event was hugely successful, and the American Legion will now be able to distribute many items and funds to the troops.

In November, members held a bake sale at the school and raised \$137.00. Later in the month, they had their annual pancake breakfast at the Applebee's in West Ocean City. English teacher and school adviser, Nikki Zervakos and Lion Wayne Cannon of the OC Lions guide this outstanding group of civic minded students. Stephen Decatur Seahawks Serve!

North Carolina High School Leo Club

The North Carolina High School Leo Club is a testament to the high ideals of service. Lion Donna DiGiacomo, serves as their adviser. In celebration of Ridgely's 150th Birthday, the club built a float and it won first place! The Leos also helped the Ridgely Lions Club, one of their club's sponsors, at their annual car show.

To help the children affected by the flooding in Houston, the club participated in "Helping Houston Heal" by collecting and filling backpacks with school supplies. In October, the Leos and other school clubs sponsored Haunted Hallways at their school. The school was decorated, and candy was distributed to the many children trick or treating that night.

Members have also undertaken fundraising which netted over \$2,000 for Imagination Library. Recently the club created a school fund called "Helping Hands" to help the 30 homeless students in the school. Although actively involved in other causes, the Leos decided it was just as important to help students in their own community. So far, a little over \$3,000 has been raised for this worthy cause. Currently they are collecting clothes, food, toiletries, etc. to go along with money. Another worthy project the Leos have undertaken is collecting canned goods. Most of the food will be given to local food banks and the rest will be kept in their Helping Hands food bank. In November members of the Leo Club helped with the local Shop w/a Cop event. In the spirit of Christmas, the club has also "adopted" a local child.

Future projects in 2018, include starting a collection for box tops and can tabs, making "Bags of Hope" for children in the hospital, conducting a fund raiser for the local Humane Society, and helping to sponsor Relay for Life in Caroline County. Very impressive, North Carolina Leos! North Carolina Bulldogs Serve!

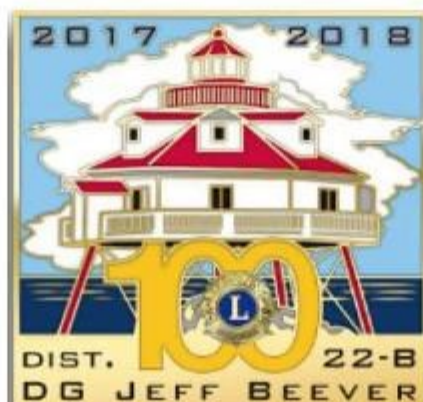

Somerset Intermediate School Leo Club

The Somerset Intermediate School Leo Club, sponsored by the Marion Lions Club was chartered in May of 2017. The club currently has 14 members. Since their inception, they have been very active serving the communities of Marion, Crisfield, and Princess Anne.

In November members served as runners for the Somerset County Relay for Life Quarter Auction. Last month, the Leos sold Somerset Intermediate School glass ornaments to raise money for various charitable projects they have planned. Some of those projects include both food and service donations for the HOPE ministries food pantry in Princess Anne and a donation of food to the Immanuel Church soup kitchen/food pantry in Crisfield.

Next month, the members plan to visit the nursing home in Princess Anne around Valentine's Day to spread some cheer/love to the residents. An ongoing project near and dear to their hearts is helping an elementary student in Princess Anne purchase a seizure dog. For the 2nd year, the Leos also plan to make a donation to the Leader Dog Foundation for the training of service dogs for the blind. Advisers and Crisfield Lioness Lions members Susan Finlayson, Patti Butler, and Fern Griffith do an understanding job of guiding these young men and women. Somerset Intermediate Blue Herons Serve!

January 1, 2018

To: All 22-B Lions Clubs and all Lion Leaders,

The District 22 B Social event of the year, honoring District Governor Jeff Beever and First Lady Lion Beverly will be held on Saturday, March 3, 2018 at the Milestone, 9630 Technology Dr. Easton, MD. We are requesting that all clubs announce this event to their members early so that they can mark their calendars to join the celebration. Please place the announcement in your club newsletter and encourage members to attend.

An important part of making this event successful is to have clubs, individuals and businesses purchase ads in the Social Program Book. A schedule of sizes and associated costs follows. It would be greatly appreciated if your club could consider placing an ad in the book. Please include a copy of the message you wish included in this year's program book.

Patron Ads are also important to the success of this project. It costs only \$5.00 to have the name of a club member and spouse included in the program, separate from your club ad.

We are encouraging all clubs to participate. Let's make sure that this year's program book includes an ad from every club in the District. **WE NEED YOUR HELP** to make this a success.

We plan for good fellowship, good food, good speakers and great fun. Together we can make this happen and have the best Social ever. But only you and your club can make it happen.

Please submit your Club and Patron Ads along with your check, **payable to "22-B Social Committee"**, to Lion Dal Mann at the address shown above. Your **response is requested by February 20, 2018** so we will have time to prepare the program for the printer.

“Lions Helping Others- “ WE SERVE”-“Where There is Need – There is a Lion”

Lions Clubs in Caroline County work in conjunction with local social services and health care agencies to help fill the need for medical equipment in the Mid-Shore area. The reuse and recycling of medical equipment that is in good serviceable condition is one of the many community service projects that local Lions Clubs provide. So if you have some gently used and serviceable medical equipment cluttering up your garage or attic space, then contact your local Lions Club. We love to get this equipment out of your way and into the hands of someone who could really use it.
