## DISTRICT GOVERNOR'S MESSAGE

### "CELEBRATE SERVICE"

Fellow Lions of 22B:

Happy Holidays, Lions, Lioness', and Leos of 22B. It is hard to believe that the holiday season is here. I trust everyone had a wonderful Thanksgiving and I know each club is gearing up for their annual Christmas service projects, Christmas parties, and enjoying a time of wonderful fellowship with fellow Lions. First Lady, Terry and myself, wishes you and yours a wonderful Holiday Season and we hope it is a time to enjoy family time and a time to take a break from all the hustle and bustle that life brings us.

I just want to say "thank you" for your wonderful response to our annual Lions Vision Research Foundation Dinners. Wow, what an out pouring of love it was from those clubs in 22B that have contributed to the annual budget for our foundation. We raised over \$16,000.00 from your club donations that were presented at the dinners and I have been told more is coming. Also, thank you to PDG Dal Mann for chairing our wonderful Aim for Sight and Wagon of Treasures fundraisers for LVRF. PDG Dal presented a check for \$10,000.00 at the LVRF rally held last week. Much of that money comes from clubs in 22B. I think we will reach our goal of \$30,000.00 from 22B. Also, congratulations and thank you to all 22B Lions that attended the Annual Rally at Wilmer. We had a great turnout from 22B and I am sure all were impressed with the presentations and tours of the Wilmer Eye Institute.

Congratulations to the winner of our annual 22B Peace Poster Contest. This year's winner is Mikayla Gibson from Easton Middle School. Thank you to the Easton Lions Club for sponsoring the Peace Poster contest at Easton Middle School. This year's theme was "Kindness Matters," and Mikayla's poster displayed many acts of kindness seen through her eyes. Her quote on her poster was, "Stars fade away but their light still shines on us. An act of kindness can brighten our lives now and in years to come." Great job, Mikayla!!!

I want to give a big shout out to many clubs in 22B for working on membership and making it a priority this year. Last month we welcomed 14 new members to our District. I am confident that we will be plus in the membership column by the end of November. Global Membership Chair, IPDG Jeff Beever, is only a phone call away if you need any assistance with membership.

Thank you is also due to Cabinet Secretary, Frankie Bennett from the Federalsburg Club for chairing another great Bayside Conference Senior All Star Soccer Event. CS Frankie serves as chair of our District's Youth Services Committee and through the support of several clubs in 22B, the Senior All Star Soccer Games have become a great addition to our District's Annual events. This year's games were held at Cambridge South Dorchester High School, and Frankie tells me that the Bayside Coaches and staff, along with the Coaching Staff at CSD did just a terrific job in assisting him in putting on these games. IPDG Jeff and myself, along with Frankie had the pleasure of presenting four scholarships to deserving senior soccer players from the Bayside Conference.

Keep up the great work, 22B Lions and I wish you all a very Merry Christmas and a very prosperous New Year. Until we meet again, Lions, continue to "Be the Change, You Want to See In The World."

## COMMITTEE REPORTS

### LCIF

Last year we had only 70% of the clubs making donations to LCIF, the District would like to have 100% participation from all our clubs this year. LCIF is starting "Campaign 100", see below, they are asking each Lions Club donate \$100.00 per member yearly for next 3 years. This donation can be through fundraisers, businesses, family members, friends or personal. Clubs will be receiving more information about this campaign in the next months ahead from myself and your club LCIF coordinators. Remember all donations can go towards a Melvin Jones Fellow for someone in your club, community or yourself. Below is information for your review If you should have any questions about LCIF please contact me.

LCIF District Coordinator Lion Frankie [csbennett@comcast.net](mailto:csbennett@comcast.net) or 410-829-7493.

### **Campaign 100** *Increasing Service Impact, Expanding Global Causes*

Lions Clubs International Foundation is proud to announce **Campaign 100: LCIF Empowering Service**. We're celebrating a century of service while working to support Lions' efforts for the next 100 years and beyond. With financial support from Lions, other donors and partners, the foundation is committed to raising **US\$300 million** by June 30, 2021. It's an unprecedented goal but one LCIF is confident we'll reach together. What's the power of your gift to Lions Clubs International

Foundation? A safer and healthier world in which Lions have even greater opportunity to:

Increase service impact in the areas of vision, youth, disaster relief and humanitarian work.

Fight diabetes to reduce its prevalence and improve quality of life for those diagnosed.

Expand our global causes to include:

**Hunger** – Growing resources and infrastructure needed to address food shortages, we'll work toward a world in which no one goes hungry.

**Childhood Cancer** – We'll strengthen medical and social services designed to increase life expectancy of children with cancer and enhance quality of life for them and their families.

**Environmental Issues** – Together, Lions and LCIF will protect the environmental health of our global communities.

### **Empowering Service through Your Campaign 100 Gift**

You *know* the impact your service makes on communities. Now, expand your contribution to bettering the world through a personal financial contribution to LCIF.

**Donate today** to change the world even more profoundly.

Every Lion in every club worldwide has the power to create a better future.

**Join the Campaign 100: LCIF Empowering Service movement.**

## **22-B Charitable Foundation Exists**

Yes, 22-B does have a Charitable Foundation. It provides funds to clubs, a collection of clubs, or zones to help with community projects when extra funds are needed. The Foundation will provide up to 50% of the cost of a project which includes Lions active involvement. As an example, the Kent Island and Queenstown Lions Clubs recently received a grant for \$500 for a community youth project in Queen Anne's County.

There are two ways you can help with the Foundation. First, apply for a grant to help with your Lions project. Consider a Lions Legacy Project to help celebrate our 100 years as Lions. Funds are available. The application form for grants can be found in this newsletter.

The other way to help is by donating to the Foundation. A good way to do this is by recognizing a Lion or a community leader with a Darley Travers Fellowship. They come in four levels: Basic Pin at \$100, Sapphire Pin at \$250, Ruby Pin at \$500, and Diamond Pin at \$1000. The Diamond level also includes a distinctive plaque. The required donation for the pins is cumulative. For example, a recipient of a Basic Pin may upgrade to Sapphire for an additional \$150. To date, we have awarded 70 Basic Pins, 6 Sapphire Pins, 1 Ruby Pin, and 16 Diamond Pins. Any club will also receive special recognition when they become a 100% Darley Travers Fellow club. Thus far, Salisbury Metro Lions Club has received this distinction.

## What is the New Voices Initiative?

This program celebrates the contributions of women to Lions Clubs International (LCI) as we welcome the first female International President, Gudrun Yngvadottir, from Iceland. The initiative promotes gender parity by focusing on increasing the number of women in Lions Clubs, as well as closing the gap between men and women in leadership positions. The New Voices Initiative offers our clubs the chance to celebrate our contributions to our communities. LCI wishes to honor Lions and the work done to champion women's voices.

Lions in service are women in Lions clubs who participate regularly in service projects and the men who help make women more visible in service. Lions make up the largest service club organization on earth – and they are always looking for more caring people who want to make a difference with them. Lions are global leaders in community and humanitarian service. Lions bring unprecedented reach and compassion to their service.

We all know what good we do as Lions for our communities, but sometimes the act of “serving” can simply be helping a single person when they needed. **Please send me** your Kudos so we can put them in the new section! I am hoping I have so many that I can only put “out takes” on a page or two!

## CUB CLUB CORNER

### ACTIVITIES AND EVENTS OF OUR LEO CLUBS

#### Berlin Leo Club

The Ocean City- Berlin Leo Club, sponsored by the Ocean City Lions Club, is currently partnering with Military Connections, a nonprofit volunteer run organization, to collect supplies for our troops. They are also planning their annual pancake fundraiser taking place this month. The proceeds will be donated to the Leader Dog Foundation. Throughout the year the Leos also sponsor food and clothing drives and assist the OC Lions Club with fundraisers. Their advisor is 10<sup>th</sup> grade English teacher Nikki Zervakos.

#### Colonel Richardson Leo Club

The Colonel Richardson Leo Club, under the direction of advisor Bobbi Bee, is continuing their proud legacy of service to the community. The Leos honored local vets by creating Veteran's Day cards. In their efforts to support the Caroline County Food Pantry, they will also be painting bowls as part of a fundraiser. Soon the Leos will begin their annual Pennies for Patients Program. The initiative supports the Leukemia and Lymphoma Society, a nonprofit organization hoping to find cures for the dreaded diseases. Thank you for your service, Leos!

#### Easton High School Leo Club

The Easton High School Leo Club, under the leadership of English teacher Jennifer Pantusa, is one of the longest serving Leo Clubs in the District. 22B. They recently marked their 9 year anniversary. The Leos are not resting on their laurels, however. During the multi day Waterfowl Festival in early November, they worked alongside their sponsoring club, the Easton Lions, to sell crab cakes, oysters, calm strips and other delicacies. Currently the Leos are working on another of their annual projects, "Adopt a Family" through the Mid Shore Council on Family Violence. They will be providing Christmas gifts to a special family. Well done, Leos!

**MD 22 Lions Institute Courses**

**Collaboration to Promote Harmony** – Learn how collaboration can promote harmony within the club. Collaboration allows sharing of ideas and decision making responsibility. Harmony reduces conflict and promotes a Lion's team focus for the club.

**Servant Leadership** – A servant leader is a person of character serving a higher purpose who puts people first. The servant leader is a skilled communicator, a compassionate collaborator with foresight and a systems thinker comfortable with complexity. The servant leader leads with moral authority that is granted by others. Learn the characteristics of Servant Leadership and how to implement them into your volunteerism.

**Leadership from the Club Level to the Multiple District Level Roundtable** – An interactive discussion on Lion leadership needs. Discussion of the leadership skills needed to manage a project at your club, the district, and at the multiple district.

**Writing and Speaking for Effect** – Communication includes being able to write and speak in a way that allows for understanding by all who read what you write or hear what you say. Effective communication is presenting information with confidence and clarity. In writing or speaking you must evaluate how the information you are conveying is received by your audience.

**Identifying the Right Leaders for Each Position** – Projects need leaders. This includes an individual Lion elected to a club office, the chair of a service project or fundraiser, a committee or subcommittee chair, and anyone who has an idea they want brought before the club. Identify the leadership skills of your Lions and how to nurture those skills.

**Marketing & Communications Ideas** – Public relations is every Lion's responsibility. Marketing & communications involves communicating information about your Lions club to the community, including the media; keeping your club aware of marketing efforts and results; and promoting your club's service and fundraising projects.

**Closing the Back Door for Greater Retention of Existing Lions** – The only way to increase membership is to recruit more members than we lose. Learn tools to retain members by identifying their satisfaction, why they leave, and what we can do to keep them as successful Lions.

**Promoting Hands-On Service Projects** – Is your club known for service or for fundraising? Our organization's motto is "We Serve". Learn projects where we serve and how our hands-on service can promote your club.
