DISTRICT GOVERNOR'S MESSAGE

"CELEBRATE SERVICE"

Fellow Lions of 22B:

Fall is upon us, isn't it!!! It is a wonderful time of the year for busy, busy Lions. As I continue my travels across and up and down this awesome district, I see Lions at work in their communities. I also love to hear the stories about the lives that are being touched as a result of this work. I hear actual testimonies from people that just want to come to a Lions meeting to say "thank you" for helping me or helping my family. I am so blessed to be "your" District Governor this year because I remain in awe of the work all of you are doing on a daily basis in your communities. Our founder, Melvin Jones once said, "You can't get very far until you start doing something for somebody else." I know that Melvin Jones would be very happy and very proud of the Lions of District 22B. You are truly serving those in need in your towns and cities, and you should feel very good about that. I encourage you to "Celebrate Your Service" and continue sharing your stories with anyone that will listen. Reach out and encourage others to join you in service.

I want to congratulate District 22B Lions for a great month of September, membership wise. We finished plus 9 for September with 15 new members joining various clubs around our District. It looks like October could be just as good for the District. This means that all of you are reaching out to your families, to your friends, and to your neighbors and asking them to join a great service organization in Lions International. Many clubs will be holding Halloween events at your local schools and at local community venues. I hope that all of you have very successful events. These events are so much fun, but I know how much it takes to prepare for these events. Please make sure that you have your Lions Club Banners displayed at these events so that community members know that their local Lions are either sponsoring or participating in these events to ensure that the events are successful. I encourage you as I say at every visitation, "never leave a service event, community event, or a fundraising event without identifying a few potential Lions." Talk to them if the timing is right and if it isn't, follow up with them at a later time and let them know that you feel that they would make a great Lion, and they could have the same opportunity to impact the lives of others as you do. Many times, it just takes an invitation. Please don't miss that chance!!!

I just want to briefly mention a new program and initiative just launched by LCIF (Lions Club International Foundation) called "Campaign 100." This new campaign is encouraging all local members to consider donating \$100 per year for three years to help fund the new needs of a changing world. As you know, Lions Clubs International has new focus service areas which includes, Diabetes, Hunger, and Childhood Cancer. The new campaign's goal of \$300 million dollars total will not only fund these new initiatives but will continue to address, Vision, Youth, Disaster Relief, Humanitarian Causes, and the Environment. I am asking that you please consider donating to this most worthwhile campaign. I am proud to say that I have already done so. You will be hearing more about this new campaign from our District LCIF Chair, Lion Frankie Bennett. Again, thank you in advance for your consideration of Campaign 100.

Until we meet again, Lions, continue the great work and "Be the Change, You Want to See In The World."

COMMITTEE REPORTS

LCIF

Last year we had only 70% of the clubs making donations to LCIF, the District would like to have 100% participation from all our clubs this year. LCIF is starting “Campaign 100”, see below, they are asking each Lions Club member that can please donate \$100.00 yearly for next 3 years. Your clubs will be receiving more information about this campaign in the next months from myself and your club LCIF coordinators. Remember all donations can go towards a Melvin Jones Fellow for someone in your club, community or yourself. Below is information for your review. If you should have any questions about LCIF please contact me.

LCIF District Coordinator Lion Frankie csbennett@comcast.net or 410-829-7493.

Campaign 100 *Increasing Service Impact, Expanding Global Causes*

Lions Clubs International Foundation is proud to announce **Campaign 100: LCIF Empowering Service**. We're celebrating a century of service while working to support Lions' efforts for the next 100 years and beyond. With financial support from Lions, other donors and partners, the foundation is committed to raising **US\$300 million** by June 30, 2021. It's an unprecedented goal but one LCIF is confident we'll reach together. What's the power of your gift to Lions Clubs International

Foundation? A safer and healthier world in which Lions have even greater opportunity to:

Increase service impact in the areas of vision, youth, disaster relief and humanitarian work.

Fight diabetes to reduce its prevalence and improve quality of life for those diagnosed.

Expand our global causes to include:

Hunger – Growing resources and infrastructure needed to address food shortages, we'll work toward a world in which no one goes hungry.

Childhood Cancer – We'll strengthen medical and social services designed to increase life expectancy of children with cancer and enhance quality of life for them and their families.

Environmental Issues – Together, Lions and LCIF will protect the environmental health of our global communities.

Empowering Service through Your Campaign 100 Gift

You *know* the impact your service makes on communities. Now, expand your contribution to bettering the world through a personal financial contribution to LCIF.

Donate today to change the world even more profoundly.

Every Lion in every club worldwide has the power to create a better future.

Join the Campaign 100: LCIF Empowering Service movement.

22-B Charitable Foundation Exists

Yes, 22-B does have a Charitable Foundation. It provides funds to clubs, a collection of clubs, or zones to help with community projects when extra funds are needed. The Foundation will provide up to 50% of the cost of a project which includes Lions active involvement. As an example, the Kent Island and Queenstown Lions Clubs recently received a grant for \$500 for a community youth project in Queen Anne's County.

There are two ways you can help with the Foundation. First, apply for a grant to help with your Lions project. Consider a Lions Legacy Project to help celebrate our 100 years as Lions. Funds are available. The application form for grants can be found in this newsletter.

The other way to help is by donating to the Foundation. A good way to do this is by recognizing a Lion or a community leader with a Darley Travers Fellowship. They come in four levels: Basic Pin at \$100, Sapphire Pin at \$250, Ruby Pin at \$500, and Diamond Pin at \$1000. The Diamond level also includes a distinctive plaque. The required donation for the pins is cumulative. For example, a recipient of a Basic Pin may upgrade to Sapphire for an additional \$150. To date, we have awarded 70 Basic Pins, 6 Sapphire Pins, 1 Ruby Pin, and 16 Diamond Pins. Any club will also receive special recognition when they become a 100% Darley Travers Fellow club. Thus far, Salisbury Metro Lions Club has received this distinction.

"District 22B Lions helping others to see and hear through humanitarian service"

What is the New Voices Initiative?

This program celebrates the contributions of women to Lions Clubs International (LCI) as we welcome the first female International President, Gudrun Yngvadottir, from Iceland. The initiative promotes gender parity by focusing on increasing the number of women in Lions Clubs, as well as closing the gap between men and women in leadership positions. The New Voices Initiative offers our clubs the chance to celebrate our contributions to our communities. LCI wishes to honor Lions and the work done to champion women's voices.

Lions in service are women in Lions clubs who participate regularly in service projects and the men who help make women more visible in service. Lions make up the largest service club organization on earth – and they are always looking for more caring people who want to make a difference with them. Lions are global leaders in community and humanitarian service. Lions bring unprecedented reach and compassion to their service.

CUB CLUB CORNER

ACTIVITIES AND EVENTS OF OUR LEO CLUBS

The Crisfield Academy/High School Leo Club

The Crisfield Academy/High School Leo Club spent a very busy weekend in late September serving others. Members assisted the Somerset County Arts Council during "Dock Days" at the marina, while others volunteered at the Lions sponsored Glenn Ward Softball Tournament. On Saturday evening, Leos lent a hand to the Greater Crisfield Action Coalition setting up and then serving during the fundraising event, "Dining Under the Stars". On Sunday 4 members attended the Leo Retreat in Frankford, DE.

Perryville Leo Club

The first annual Susquehanna River Running Festival, to benefit the Albert Cesky Scholarship Fund, took place on Saturday, Sept. 15th. Participants ran across the Hatem Bridge between Harford and Cecil County. Members of the Perryville Leo Club, along with several members of the Perryville Lions, arrived very early that morning to prepare for the day's event. The Leos then manned one of the

water stops along the route. Because of their participation, the Perryville Leos will receive a donation to the Perryville High School/Scholarship Fund. Wonderful job, Leos! Another example of our District 22B Leos serving their community!

CUB CLUB CORNER ACTIVITIES AND EVENTS OF OUR LEO CLUBS

Cecil County School of Technology Leo Club

The Cecil County Leo Club has a new co-advisor, Wendy Pasmore and some new service projects. Their first project is a "Pie in the Face Fundraiser." Leos will be selling chances during lunch for \$1.00. Purchasing a chance entitles a student to vote for a teacher or administrator they would like to see pied. A random student will then be chosen to throw the pie. All proceeds will benefit the Boys and Girls Club in Northeast. Leo members will also be helping the Cecilton Lions Club with Trunk or Treat on October 26th.

Lions of Districts Delaware, the District of Columbia, and Maryland;

MD 22 Lions Institute Courses

Collaboration to Promote Harmony – Learn how collaboration can promote harmony within the club. Collaboration allows sharing of ideas and decision making responsibility. Harmony reduces conflict and promotes a Lion's team focus for the club.

Servant Leadership – A servant leader is a person of character serving a higher purpose who puts people first. The servant leader is a skilled communicator, a compassionate collaborator with foresight and a systems thinker comfortable with complexity. The servant leader leads with moral authority that is granted by others. Learn the characteristics of Servant Leadership and how to implement them into your volunteerism.

Leadership from the Club Level to the Multiple District Level Roundtable – An interactive discussion on Lion leadership needs. Discussion of the leadership skills needed to manage a project at your club, the district, and at the multiple district.

Writing and Speaking for Effect – Communication includes being able to write and speak in a way that allows for understanding by all who read what you write or hear what you say. Effective communication is presenting information with confidence and clarity. In writing or speaking you must evaluate how the information you are conveying is received by your audience.

Identifying the Right Leaders for Each Position – Projects need leaders. This includes an individual Lion elected to a club office, the chair of a service project or fundraiser, a committee or subcommittee chair, and anyone who has an idea they want brought before the club. Identify the leadership skills of your Lions and how to nurture those skills.

Marketing & Communications Ideas – Public relations is every Lion's responsibility. Marketing & communications involves communicating information about your Lions club to the community, including the media; keeping your club aware of marketing efforts and results; and promoting your club's service and fundraising projects.

Closing the Back Door for Greater Retention of Existing Lions – The only way to increase membership is to recruit more members than we lose. Learn tools to retain members by identifying their satisfaction, why they leave, and what we can do to keep them as successful Lions.

Promoting Hands-On Service Projects – Is your club known for service or for fundraising? Our organization's motto is "We Serve". Learn projects where we serve and how our hands-on service can promote your club.

RIDGELY LIONS CLUB & RIDGELY ELEMENTARY SCHOOL “PTA” SEEK SUPPORT for “FUEL UP to PLAY 60” 2018-19

The Ridgely Lions Club in cooperation with the Ridgely Elementary PTA will be sponsoring fruit and vegetable donations from September 1, 2018 thru August 31, 2019 in support of the “Fuel Up to Play 60” program at Ridgely Elementary School. “Fuel Up to Play 60” is a program that encourages students to make healthy choices like eating more fruits and vegetables and getting active for at least 60 minutes every day. The Lions and the PTA are seeking donations and support from local businesses, organizations, and individuals to sponsor the boxes of fruit and vegetables. In return for your \$30 sponsorship we will invite donors to help us deliver the fruit/vegetables to the school and recognize them in the local media and online at www.ridgelylions.org and on [facebook.com/ridgelylions](https://www.facebook.com/ridgelylions). LIONS DONATE TO CAROLINE YOUTH FOOTBALL & CHEER TEAMS

On Saturday September the 29th the Ridgely and Greensboro Lions Clubs held a BBQ Chicken Sale to benefit the Caroline Youth Football teams and Cheerleading squads. The youth football and cheer teams call Ridgely home and use Bradley Field next to Medifast for their home games. So on October 8th the Lions presented to the Caroline Youth Football Commissioner Dave Blizzard and to the Caroline Cheer Commissioner Lisa Wielgosz a check for \$900 dollars. The donation will be used to support the general operating budget for the youth football and cheer activities. King Lion Rick Harris, President of the Greensboro Lions said, "Any opportunity to positively impact young people in our community is a project that Lions are proud to support." The Lions would like to thank the Ridgely Trading Post, 9 Central Diner and VFW Post 5118 for their support of the Chicken BBQ fundraiser for the Caroline Youth Football & Cheer teams.

Special thanks go to the Greensboro Lions John Laddbush, Buddy Bishop, George Weaver, Ben Bishop, Joe Wood, Joe McCarthy, Bobby Dean, Kenny Chenard and Ricky Harris for preparing their famously delicious BBQ chicken. A big thank you also goes to Dani Lee for organizing and pre-selling orders and to the Ridgely Lions Jeff Kimble, Ross Harper, Remi Haro, Jonathan Newell and Dave Davis for selling the chicken dinners.
