ACTIVITIES AND EVENTS OF OUR LEO CLUBS

Crisfield High School Leo Club

The Crisfield Lioness Lions Club is proud to announce the winner of this year's Leo Service Award is Shakir Sterling. The CHS Senior demonstrated the high ideals of leadership and service as an exemplary Leo member. Lioness Lions Scholarship Chair Lisa Dize presented Shakir with a \$500.00 check during Awards Night.

North Caroline Leo Club

The North Caroline Leo Club recently received a \$1000.00 donation from Mountaire Farms in Millsboro, DE. The money will be used for their "Helping Hands" service project. It will enable them to provide food, clothing and school supplies for disadvantaged kids.

For the 2nd year in a row, the club delivered "Bags of Hope" to children at the Pediatric Oncology Unit at University of Maryland Medical Center. Some of the items in the bags were crayons, stuffed animals, t shirts, ear buds and DVD's. The bags were created to help brighten the lives of children at the hospital dealing with cancer. What a wonderful and compassionate project! Lion Donna DiGiacomo is their advisor.

Please share with your club and your Leo clubs.

Lions, Leos and Advisors, please mark your calendars for the 7th Annual LEO Bash at the Beach, to be held Sunday, Sept. 30th at Camp Barnes in Frankford, DE. Sponsored by District 22D, the bash promises to be wonderful afternoon of fun and team building. Leos will engage in slightly competitive activities and network with other clubs from Delaware and Maryland. They will also have a chance to share some of their club projects and fundraisers.

Each participant will receive a t-shirt and lunch. 8-10 Leo members may participate from each club. There is no cost to them to participate. The event organizers do ask for a donation from the sponsoring Lions Club to help defray the cost of food and materials. Parents and sponsors are also invited to attend. Registration begins at 12:30 and the event lasts about 3 1/2 hours. Last year, three clubs from our district attended and had a great time. Additional information and updates will be forthcoming. If you have any questions, please feel to contact me.

**“Lions Helping Others- “ WE SERVE”-“Where There is Need –
There is a Lion”**

Lions Clubs in Caroline County work in conjunction with local social services and health care agencies to help fill the need for medical equipment in the Mid-Shore area. The reuse and recycling of medical equipment that is in good serviceable condition is one of the many community service projects that local Lions Clubs provide. So if you have some gently used and serviceable medical equipment cluttering up your garage or attic space, then contact your local Lions Club. We love to get this equipment out of your way and into the hands of someone who could really use it.

Special Thanks to the Cecilton Lions Club

Cecilton Elementary School would like to thank our Business in Education Partner, Cecilton Lions Club, for all of their support this school year. The Cecilton Lions Club supports our students as growing readers by funding and volunteering for our Reading Is Fundamental book distribution. They continue to support our Student Led Conferences each marking period as they share in the excitement of goal-setting and goal attainment. We have received funds for flexible seating as a way to continue our school's Mindfulness efforts. We are grateful for the partnership we have with the Cecilton Lions Club and look forward to working with them for many years. Thank you for an amazing 2017-2018 school year.
