Fellow Lions of 22B:

Welcome Back, Lions of 22B!! By now, your meetings have begun and clubs are gearing up for another great year. I have visited 8 clubs so far this year and all I can say is "Wow." International President Yngvadottir challenged us this year to Serve Beyond Our Horizons and from what I have witnessed so far in 22B, Lions you are meeting this challenge head on. Clubs are taking on phenomenal projects that will change lives in their respective communities. Clubs are seeking assistance from our various foundations to fund these outstanding service projects and I could not be more pleased. In my visits, I talk about how our acts of kindness cause a ripple effect and these ripples of service are far reaching. When our service touches our citizens, doesn't it lead to those we touch wanting to give back and help others in our communities, thus creating ripples of service. I certainly believe it does!!!

Not only are we doing great things in the area of Service, but I am so happy to report that from my conversations with a few clubs, our membership is growing also. In September we could top 20 new members joining us throughout our District. Just think how many more people we can touch by adding those 20 new members. Lions of 22B we are off to such a great start and we must keep this growth momentum going. "Project 1350" is the main membership goal we have this year in 22B. We are presently sitting at 1299 for total membership in District 22B. 1350 members is the goal to reach. It can happen if we all work together. I visited a club already that has a small membership number and they wanted to share that they will be adding a new member this month or next month. The young lady wanted to join their club. In a small club, one new member can make a huge impact. That one new member may be the one who can reach many others in that respective community. We never know who that can be in our communities, but I have witnessed this happen in clubs and the "ripple effect" works with membership as well. Who could be that "ripple" in your community.

I would like to mention a few events that will be upcoming before we know it. The Lions Vision Research Foundation "Aim for Sight" fundraiser will be held on October 13, 2018 at Schrader's in Henderson MD. Please support this fundraiser as it is a major portion of our contribution to the operating budget for LVRF. Clubs can purchase ads in the program book, send a team of shooters to participate, or sell raffle tickets for the Wagon of Wonders. All proceeds go directly to LVRF.

Our annual LVRF dinners are also on the horizon. Saturday, October 27, 2018 at the Hebron Vol Fire Co. and Saturday, November 10, 2018 at the Granary Restaurant in Georgetown MD are dates and places of these great events. Clubs traditionally present their annual donations to the LVRF trustees at these dinners. Please plan on attending. We need you there to make these dinners a success. We will have a wonderful speaker from the Wilmer Eye Institute and a testimonial as well. It will be a very special couple of nights.

Have a great month, 22B Lions and keep up the great work!!! "Be the Change, You Want to See in the World."

DG Wayne Cole

## Key to Meeting Success

Whether the meeting is formal or informal, here are some ideas to keep your club on track

- Have an agenda and stick to it! Share it with participants prior to the meeting
- Start and end on time
- Meetings should be positive and allow everyone to participate
- Transparency is always important. Minutes and Treasurer's Reports should be distributed and understood.
- Meeting facilitator (club president or chairperson) encourages discussion, but also keeps group on task so time is effectively used.

## COMMITTEE REPORTS

### LCIF Report August 2018

The District has set a goal of \$32,000.00 to be donated to LCIF for 2018-2019 Lions year and I would like to have 100% participation from all our clubs this year. ## **22-B Charitable Foundation Exists**

Yes, 22-B does have a Charitable Foundation. It provides funds to clubs, a collection of clubs, or zones to help with community projects when extra funds are needed. The Foundation will provide up to 50% of the cost of a project which includes Lions active involvement. As an example, the Kent Island and Queenstown Lions Clubs recently received a grant for \$500 for a community youth project in Queen Anne's County.

There are two ways you can help with the Foundation. First, apply for a grant to help with your Lions project. Consider a Lions Legacy Project to help celebrate our 100 years as Lions. Funds are available. The application form for grants can be found in this newsletter.

The other way to help is by donating to the Foundation. A good way to do this is by recognizing a Lion or a community leader with a Darley Travers Fellowship. They come in four levels: Basic Pin at \$100, Sapphire Pin at \$250, Ruby Pin at \$500, and Diamond Pin at \$1000. The Diamond level also includes a distinctive plaque. The required donation for the pins is cumulative. For example, a recipient of a Basic Pin may upgrade to Sapphire for an additional \$150. To date, we have awarded 70 Basic Pins, 6 Sapphire Pins, 1 Ruby Pin, and 16 Diamond Pins. Any club will also receive special recognition when they become a 100% Darley Travers Fellow club. Thus far, Salisbury Metro Lions Club has received this distinction.

## What is the New Voices Initiative?

This program celebrates the contributions of women to Lions Clubs International (LCI) as we welcome the first female International President, Gudrun Yngvadottir, from Iceland. The initiative promotes gender parity by focusing on increasing the number of women in Lions Clubs, as well as closing the gap between men and women in leadership positions. The New Voices Initiative offers our clubs the chance to celebrate our contributions to our communities. LCI wishes to honor Lions and the work done to champion women's voices.

Lions in service are women in Lions clubs who participate regularly in service projects and the men who help make women more visible in service. Lions make up the largest service club organization on earth – and they are always looking for more caring people who want to make a difference with them. Lions are global leaders in community and humanitarian service. Lions bring unprecedented reach and compassion to their service.

## Kudos!

Making it Personal.....Do you serve when needed?

We all know what good we do as Lions for our communities, but sometimes the act of “serving” can simply be helping a single person when they needed. **Please send me** your Kudos so we can put them in the new section! I am hoping I have so many that I can only put “out takes” on a page or two!

So if you have some gently used and serviceable medical equipment cluttering up your garage or attic space, then contact your local Lions Club. ### **RIDGELY LIONS CLUB & RIDGELY ELEMENTARY SCHOOL “PTA” SEEK SUPPORT for “FUEL UP to PLAY 60” 2018-19**

The Ridgely Lions Club in cooperation with the Ridgely Elementary PTA will be sponsoring fruit and vegetable donations from September 1, 2018 thru August 31, 2019 in support of the “Fuel Up to Play 60” program at Ridgely Elementary School. “Fuel Up to Play 60” is a program that encourages students to make healthy choices like eating more fruits and vegetables and getting active for at least 60 minutes every day. The Lions and the PTA are seeking donations and support from local businesses, organizations, and individuals to sponsor the boxes of fruit and vegetables. In return for your \$30 sponsorship we will invite donors to help us deliver the fruit/vegetables to the school and recognize them in the local media and online at [www.ridgelylions.org](http://www.ridgelylions.org) and on [facebook.com/ridgelylions](https://www.facebook.com/ridgelylions). If you’d like to help improve the lives of students at Ridgely Elementary School through the Fuel Up to Play 60” fruit/vegetable donation program, then contact Lion Dave Davis at [ddavis@goeaston.net](mailto:ddavis@goeaston.net) or 443-786-2547. ### **Denton Lions Club**

The Denton Lions club participated in the Caroline Summerfest, August 17th and 18th. Joining us to sell cotton candy and to assist in our club's sales were the North Caroline High School Leo club. We met a lot of people and sold a ton of chicken, fries, and clam strips. In all, we raised approximately \$2000 that will be used to reinvest in the community.
