## DISTRICT GOVERNOR'S MESSAGE

### "CELEBRATE SERVICE"

Fellow Lions of 22B:

Let's talk District 22B Social. As I sit here tonight writing my January Newsletter Article, it is a balmy 14 degrees outside, I am certainly hoping it will be a little bit warmer on March 2<sup>nd</sup> when we all get together to "Celebrate our Service" that we have extended to our communities this year. It will truly be a celebration!!! As you already know, this year's social will be held at the Fountain's Wedding and Conference Center in Salisbury MD. We have tried to keep the price as low as we possibly can but still offer everyone a nice evening. We have been able to arrange for rooms at the adjacent Country Inn and Suites for an excellent price if you would like to stay over. The details are included in this newsletter with a registration form if you do not have one already. They have been mailed to every club President and Secretary and I know that our District Communication Chair, PDG Dal will be emailing it out as well. So, you see, there is no excuse that you cannot attend this year's social. We will be holding a Silent Auction to benefit our District 22B Charitable Foundation again this year at the social. Items are already starting to come in and I encourage clubs if they would like to help us out, put together a basket of items that says something about your community. They go over very well at our auctions.

I want to say a huge thank you to all clubs that have supported our various foundations so far this year. As I said previously, we have already met our goal that I had set for Lions Vision Research Foundation from 22B. Our newest endowment, the Lions Low Vision Fellow at Johns Hopkins is doing pretty well. If your club has not made a donation to this endowment fund, please consider. Any amount will help. Staff at Wilmer Eye Institute and Hopkins is working hard to find grant funding to assist with this endowment. You probably remember me writing some time ago, that this endowment was going to have to be joint effort from many sources to get this endowment funded. Please remember LCIF, as we strive to get 100% participation from 22B. Cabinet Secretary Frankie, who serving as LCIF Chair for the district has just done a wonderful job getting information out, collecting data from individual clubs, and reporting that data back to International. Our own foundation, the 22B Charitable Foundation Board has been very busy this year so far, reviewing grants and handing out money. I believe they told me that there were already at \$8500 in grant distributions. Clubs are putting this money to good use in their communities. Another source of funding for clubs wanting to help with youth projects is the MD 22 Lions Youth Foundation. They, too, are accepting donations as well as distributing grants.

Please continue to work on membership in your clubs. We have taken a couple of steps backwards during the last two months but now is the home stretch and I need every Lion in our District on board. Now is the critical time to reach out and ask someone to join our great organization. If we all pull together, our goal of 1350 is very possible but it will take everyone working and asking. I so appreciate all your efforts in the area of Membership.

Please mark your calendars for the upcoming Leader Dog Dinners. A Save the Date announcement is appearing in this month's newsletter. The dinners will be held in Greensboro and Hebron this year. Let's have a great showing.

Until next month, "Be the Change, You Want to See in the World."

**DISTRICT 22B LIONS****“OPERATION 1350”****UPDATE**

In our mission to get to 1350 members by June 30, 2019, I have to say that things got rougher the last two months. Looking at the numbers today and calculating my latest tally of new members not posted yet but reported to me, we stand at 1291!!

**WE HAVE A LOT OF WORK TO DO IN THE FINAL 5 MONTHS BUT IT IS NOT IMPOSSIBLE IF EACH LION REACHES OUT AND ASKS JUST 1 PERSON TO JOIN THE LIONS CLUB. I NEED YOU NOW!!!**

## COMMITTEE REPORTS

### LCIF

Last year we had only 70% of the clubs making donations to LCIF, I am requesting all clubs make a donation to LCIF so we can have 100% participation this year. Also, this year LCIF is starting “Campaign 100”, they are asking each Lions Club member that can please donate \$100.00 yearly for next 3 years so they can reach their goal. Remember all donations can go towards a Melvin Jones Fellow for someone in your club, community or yourself. If any questions please contact me.

LCIF District Coordinator Lion Frankie [csbennett@comcast.net](mailto:csbennett@comcast.net) or 410-829-7493.

### **Campaign 100** *Increasing Service Impact, Expanding Global Causes*

Lions Clubs International Foundation is proud to announce

**Campaign 100: LCIF Empowering Service.** We're celebrating a century of service while working to support Lions' efforts for the next 100 years and beyond. With financial support from Lions, other donors and partners, the foundation is committed to raising **US\$300 million** by June 30, 2021. It's an unprecedented goal but one LCIF is confident we'll reach together. What's the power of your gift to Lions Clubs International

Foundation? A safer and healthier world in which Lions have even greater opportunity to:

Increase service impact in the areas of vision, youth, disaster relief and humanitarian work.

Fight diabetes to reduce its prevalence and improve quality of life for those diagnosed.

Expand our global causes to include:

**Hunger** – Growing resources and infrastructure needed to address food shortages, we'll work toward a world in which no one goes hungry.

**Childhood Cancer** – We'll strengthen medical and social services designed to increase life expectancy of children with cancer and enhance quality of life for them and their families.

**Environmental Issues** – Together, Lions and LCIF will protect the environmental health of our global communities.

### **Empowering Service through Your Campaign 100 Gift**

You *know* the impact your service makes on communities. Now, expand your contribution to bettering the world through a personal financial contribution to LCIF.

**Donate today** to change the world even more profoundly.

Every Lion in every club worldwide has the power to create a better future.

**Join the Campaign 100: LCIF Empowering Service movement.**

## **22-B Charitable Foundation Exists**

Yes, 22-B does have a Charitable Foundation. It provides funds to clubs, a collection of clubs, or zones to help with community projects when extra funds are needed. The Foundation will provide up to 50% of the cost of a project which includes Lions active involvement. As an example, the Kent Island and Queenstown Lions Clubs recently received a grant for \$500 for a community youth project in Queen Anne's County.

There are two ways you can help with the Foundation. First, apply for a grant to help with your Lions project. Consider a Lions Legacy Project to help celebrate our 100 years as Lions. Funds are available. The application form for grants can be found in this newsletter.

The other way to help is by donating to the Foundation. A good way to do this is by recognizing a Lion or a community leader with a Darley Travers Fellowship. They come in four levels: Basic Pin at \$100, Sapphire Pin at \$250, Ruby Pin at \$500, and Diamond Pin at \$1000. The Diamond level also includes a distinctive plaque. The required donation for the pins is cumulative. For example, a recipient of a Basic Pin may upgrade to Sapphire for an additional \$150. To date, we have awarded 70 Basic Pins, 6 Sapphire Pins, 1 Ruby Pin, and 16 Diamond Pins. Any club will also receive special recognition when they become a 100% Darley Travers Fellow club. Thus far, Salisbury Metro Lions Club has received this distinction.

## **LIONS VISION RESEARCH FOUNDATION UPDATE JANUARY 2019**

It's not too early to think about late spring - the LVRF along with the Clarksville Club is planning a fundraiser Golf Tournament scheduled for June 7<sup>th</sup> at Fairway Hills in Columbia, MD. Details regarding times, prices, and directions will be forthcoming. So whether you are a fairway marvel or a bumbling duffer, get it on your calendar now and plan on supporting the LVRF on the green.

At the LVRF Roundup in November, a total just shy of \$60,000 was donated in support of LVRF through the collective efforts of the Multiple District 22 clubs.

Speaking of donations, online donation capability (PayPal) will be added to the LVRF website in the near future. Your donation is only a click away.

### **DID YOU KNOW?**

- In 1991, the Lions Vision Research Foundation along with the Wilmer Eye Institute of Johns Hopkins established the Lions Vision Center at Wilmer to improve the quality of life for those hindered by low vision.
- Low vision cannot be improved by glasses, surgery or medication. People with low vision may have visual acuity of 20/50 or worse; blind spots; or loss of peripheral vision, all of which interferes with their everyday activities.
- Unfortunately, services available to low vision patients are few and far between so to make these services more assessable, LVRF and the Wilmer Eye Institute have established the Low Vision Rehabilitation Network referred to as LOVRNET. The goal is to make rehabilitation services more available to those who need help learning to live with low vision.
- Through LOVRNET, members of Lions clubs are trained to properly assist visually impaired individuals and to coordinate care by matching patients with service providers in their area.
- The LVRF not only supports Wilmer in rehabilitation efforts, but also in the areas of low vision research and education.

## Kudos!

Making it Personal.....Do you serve when needed?

We all know what good we do as Lions for our communities, but sometimes the act of "serving" can simply be helping a single person when they needed. **Please send me** your Kudos so we can put them in the new section! I am hoping I have so many that I can only put "out takes" on a page or two!

### ACTIVITIES AND EVENTS OF OUR LEO CLUBS

#### James M Bennett Leo Club

It has been a few months since checking in with the James M Bennett Leo Club and their advisor Lion Angie Langan to find out how they have been serving their community. Like all of our wonderful Leo clubs in the district, the Leos have been very active. This month, they volunteered at the Martin Luther King event at the Wicomico Youth and Civic Center, assisting with breakfast.

Last month the Leos, in partnership with their sponsor the Salisbury Lions Club, prepped for Santa's Angels by building 300 boxes, packing 150+ boxes of dried food goods, and 150+ boxes of fruit and gifts. During their free periods they wrapped the presents to be included in the boxes. The Leos also held their 3<sup>rd</sup> Annual Gingerbread House Contest to raise money for Leader Dog.

In November the members volunteered at the Wicomico Public Library sorting and boxing books in preparation for the library's book sale.

October found the Leos building a ramp for an elderly resident and selling kettle corn to raise funds for Leader Dog. Very impressive Leos, you are all an asset to your community!

#### Ocean City-Berlin Leo Club

The Ocean City-Berlin Leo Club, under the leadership of advisor Nikki Zervakos, continues to be a vital part of their community. Before the holidays, the members provided a bit of holiday cheer by visiting the Berlin Nursing Home to deliver handmade crafts and cards.

The Leos have also been holding bake sales to raise money for a local family who lost their home in a fire.

Currently, the club members are coordinating plans to assist Buckingham Elementary School with their After-School Program, one that focuses on health and coping strategies for stress/anxiety.

Well done, your members demonstrate how invaluable Leos can be to their community!

### Greetings!

I would like to share some exciting news with you. The Leos & Lions of Arizona are hosting the 3rd USA/Canada Leo Leadership Forum on July 24th to 28th, 2019 at the Hilton Mesa/Phoenix. **Registration is now OPEN!** This 2019 Leo Leadership Forum will bring Leos together from across North America and the Caribbean. During the course of the week, we have seminars in various areas of leadership and community-organizing as part of our core curriculum toward the HIGH SCHOOL DEGREE earned during this Forum experience. We also have elective seminars prepared by Leos. It's our goal to also empower our Leos to educate each other in areas of interest to them related to leadership. At the conclusion of every seminar, the facilitator offers a quiz on the subject. The passing of this seminar quiz will give the Leo the credits needed to graduate our program. All seminars are reviewed by our Dean of the High School Program and its committee members.

At every Leo Leadership Forum, we invite an international officer as our guest speaker. This gives our Leos the opportunity to ask questions, learn more about our association and the legacy that Melvin Jones left for the world. Leos also get the opportunity to network and bond with other Lions, Leos, and LCI Staff Members. We provide a full day of fun touring the host city and a day of community service planned by the Leo Host Committee. We have an Opening Ceremony/Dinner together with a Closing Night Dinner Gala that includes the presentation of diplomas and concludes with an entertaining night of dancing. Our Leos return home more knowledgeable about our Association, the Leo Club Program, ways to continue building up their own clubs while bringing bright new ideas for service projects and fundraisers. This Leo Forum will help Leos become great club leaders ready to serve their community and continue growing as individuals while feeling proud to be a Leo. We welcome Leo Club Advisors, Lions, and parents to attend the Forum. We want this to be a learning experience for all.

Please share this email with your Leos or Lions interested in learning more about the Leo Club Program. If your Leo Club is school-based, our team is happy to speak to Principals or Faculty Advisors to better explain our Leo Forum or answer any question. Our contact information is listed below. Take a look at our video with highlights of our 2nd Leo Leadership Forum. We look forward to welcoming all Leos and Lions to the Grand Canyon State.

Sincerely,

**N. ALAN LUNDGREN**

Past International Director &  
Host Chair, 3rd USA/Canada Leo Leadership Forum

**MD 22 Lions Institute Courses**

**Collaboration to Promote Harmony** – Learn how collaboration can promote harmony within the club. Collaboration allows sharing of ideas and decision making responsibility. Harmony reduces conflict and promotes a Lion's team focus for the club.

**Servant Leadership** – A servant leader is a person of character serving a higher purpose who puts people first. The servant leader is a skilled communicator, a compassionate collaborator with foresight and a systems thinker comfortable with complexity. The servant leader leads with moral authority that is granted by others. Learn the characteristics of Servant Leadership and how to implement them into your volunteerism.

**Leadership from the Club Level to the Multiple District Level Roundtable** – An interactive discussion on Lion leadership needs. Discussion of the leadership skills needed to manage a project at your club, the district, and at the multiple district.

**Writing and Speaking for Effect** – Communication includes being able to write and speak in a way that allows for understanding by all who read what you write or hear what you say. Effective communication is presenting information with confidence and clarity. In writing or speaking you must evaluate how the information you are conveying is received by your audience.

**Identifying the Right Leaders for Each Position** – Projects need leaders. This includes an individual Lion elected to a club office, the chair of a service project or fundraiser, a committee or subcommittee chair, and anyone who has an idea they want brought before the club. Identify the leadership skills of your Lions and how to nurture those skills.

**Marketing & Communications Ideas** – Public relations is every Lion's responsibility. Marketing & communications involves communicating information about your Lions club to the community, including the media; keeping your club aware of marketing efforts and results; and promoting your club's service and fundraising projects.

**Closing the Back Door for Greater Retention of Existing Lions** – The only way to increase membership is to recruit more members than we lose. Learn tools to retain members by identifying their satisfaction, why they leave, and what we can do to keep them as successful Lions.

**Promoting Hands-On Service Projects** – Is your club known for service or for fundraising? Our organization's motto is "We Serve". Learn projects where we serve and how our hands-on service can promote your club.

Lions Clubs in Caroline County work in conjunction with local social services and health care agencies to help fill the need for medical equipment in the Mid-Shore area. The reuse and recycling of medical equipment that is in good serviceable condition is one of the many community service projects that local Lions Clubs provide. So if you have some gently used and serviceable medical equipment cluttering up your garage or attic space, then contact your local Lions Club. We love to get this equipment out of your way and into the hands of someone who could really use it.

### Cecilton Lions Club

The Cecilton Lions Club donated half the cost for these two authors, Matthew Swanson and Robbi Behr, from Chestertown. These folks have written several children's books. The Club invited them to come and share two of their books, *Everywhere Wonder* for 1st thru 3rd grades and *The Real McCoys* 4th and 5th grades. They spoke to the children in two assemblies. The Children loved them. They visited every classroom and presented each child with a signed copy. The teachers said it was the most successful event they have had in a long time. The books will be used throughout the school year for Cecilton Elementary for various reasons.

## CLUB ACTIVITIES AND EVENTS COMPLETED

### Cecilton Lions Club

Members of the Cecilton Lions Club assisted staff at Cecilton Elementary's Winter Wonderland. As you can see their second annual was a huge success, especially for Santa. Everyone wanted to see him. Members painted hands and faces, read books, they made gingerbread houses in the cafeteria.
