DISTRICT GOVERNOR'S MESSAGE

EXPERIENCE THE JOY OF SERVICE

DG John Lawrence

The visitations are over halfway over, and the results have been inspiring. It is great to see each club and all the service done in their community. Consider what your club accomplishes, multiply by the 45 clubs on the Eastern Shore, and you begin to get an idea of the impact in just our district. Now multiply that by 1000 and you can imagine the service done by Lions throughout the world.

There are many opportunities coming up this month for hands-on service. With Thanksgiving on the 28th, many of our clubs will be preparing and delivering food baskets and meals to people in need, or hosting Thanksgiving dinners. With most of my family living on the west coast, one of my most memorable Thanksgivings recently was working with a group in Fruitland delivering meals to shut-ins. Many were so happy that someone had thought about them and had come to their homes. I remember one woman who said that this was the first visitor she had had in over a month. After about ½ hour of talking together, she was reluctant to see me go, but was so glad for the time together. Talk about Experiencing the Joy of Service! A bit of my time really made her day, and indeed in return made mine.

Also this month, don't forget our veterans on November 11. A bit of positive recognition can mean so much. And don't forget the sacrifices of the families of those vets. They also serve who stay home and wait. Diabetes Day is coming up on 14 November. One of the best things we can do is to circulate the diabetes questionnaire found later in this newsletter. Making people aware of diabetes is one of the biggest problems. Many people are diabetic or pre-diabetic but have no idea.

To all of you who attended the Lions Vision Research Foundation (LVRF) dinners at Hebron and Greensboro, thank you. We had over 120 Lions and guests in attendance and raised over \$15,000. I would call that a good start. For those clubs who have not yet contributed, please send in your contributions to LVRF at the address found in your orange District Roster Book. We were blessed with two inspirational patient testimonials from Rylee Miller, a delightful 7 year old student in Snow Hill who has juvenile macular degeneration, and from Lion Dwayne Adams who lost his sight due to gun violence. Again, I experienced the Joy of Service, in this case hearing from those we have helped by our contributions to LVRF.

As we enter this holiday period, let us give thanks for all we have, family, friends, and Lions. And let us continue our good works as we serve our communities and those in need. Remember, where there is a need, there is a Lion. Let us be that Lion.

Lions Peace Poster Contest

A Recent Peace Poster Winner

For over three decades, Lions clubs around the globe have been sponsoring a very special art contest in schools and youth groups. Creating peace posters gives children everywhere the chance to express their visions of peace and inspire the world through art and creativity.

History has shown that all too often peace is not guaranteed. While this is unfortunate, it also allows us the powerful opportunity to figure out how to achieve peace, individually and in our communities. And who better to map out the “Journey of Peace” than our youth? That is the theme of this year’s Lions Peace Poster contest.

While many times our Peace Poster contests are held in the public schools, this is not a requirement. The contest rules state that the contest may be held in any youth group not sponsored by a Lions club. Thus, it may be held with a scout group, a Boys and Girls Club, the YMCA, or a church youth group, for example.

Students ages 11, 12 or 13 as of November 15 are eligible to participate in the International Peace Poster Contest. October 1 is the deadline to purchase kits from the Club Supplies Sales Department at International Headquarters. November 15 is the deadline for a club to send one winning poster (per contest sponsored) to the district governor.

Kits may be ordered from on-line at Club Supplies at LionsClubs.org or by calling *CLUB SUPPLIES SALES AT (630) 571-5466 OR 1-800-710-7822*.

ROAR LIKE A LION

The Lions Clubs of District 22W in Carroll County created Roar Like a Lion, an Afternoon of Community Service, that was held in every library in the county one winter Sunday afternoon in January. There was a variety of 60 projects overall, including appreciation bags for first responders, food for homeless shelters, cards for veterans, seniors and children in hospitals, fleece scarves, and blankets for homeless, hospice, etc.

The day was created as a service day for youth and to publicize what Lions do for their community. This became a day of service not only for youth but also for adults creating a bond of service between the community and Lions. Clubs obtained new members, Lions awareness, and partnerships!

DG John Lawrence is asking each club to consider doing this project for their area. For more information, contact Lions Carol Schoonover, josh4bryce@yahoo.com, and stay tuned for more to come.

LIONS CLUBS INTERNATIONAL DISTRICT 22-B

REMINDER

The Bayside Conference will be holding its 26th annual all -Star Soccer games on **Tuesday November 26, 2019**. The location will be at the **Stephen Decatur High School Stadium**. These games match the All Stars seniors from the North and South Bayside Conference. The two games featuring the Girls at 5:00 pm and Boys at 7:00 pm, promises to be an exciting event for both the players and parents.

The sponsorship of this event is one of our major Lions Youth Outreach Programs for District 22B. Your attendance would be most appreciated of this event. Proceeds from the gate receipts will be used to award 4 scholarships, 2 boys and 2 girls, to be presented between the two games. Once again, as in the past years we are asking that your club make a donation to the District 22B Charitable Foundation in support of this event; please consider this as a special request if you did not include it in your budget. The club contributions will help pay for the cost of the uniforms worn during the games. Each player will be allowed to keep the uniform they played in as a gift from the lions. DG John would like this to be 100% participation from the clubs in this most worthy youth project.

Please make your club check payable to the **District 22B Charitable Foundation** and mail it to Lion Frankie Bennett 6738 Eldorado Road Federalsburg, MD 21632

On behalf of District Governor John and myself, thank you for your support of this important District 22B project.

Sincerely,
Lion Frankie Bennett

"Proudly serving the Leos of Constitutional Area 1 & 2"

PABLO M. ROMANO
President & Founder

September 4, 2019

Dear Lions of Constitutional Area 1 & 2:

As we start our second century of service, we are investing in the future of Lions Clubs—our Leos. Our Leo Club Program started here in the United States almost sixty years ago and today continues to flourish with more than 7,000+ clubs worldwide, 175,000 Leos in 145 countries. Just last year, Leo Clubs completed 24,038 projects. These clubs have served many people, and they are not stopping anytime soon.

We have united to encourage and inspire our Leos to be the great change we need for Lions' continued success. Our vision is to empower and further educate our Leos in areas of leadership and community engagement/development. With that said, Leo advocates gathered to form the USA/Canada Leo Leadership Forum. This Forum is the first of its kind in our Constitutional Area. A Forum organized for Leos by Leos.

From all over the United States, Canada, and Multiple District 60 "Islands of the Caribbean" and other affiliated territories, our Leos share a common set of values. They serve with enthusiasm, constantly striving to make positive, sustainable change to our communities. They inspire their peers and share their talents with those in need. They make an impact on our Lions and reinvigorate our lifetime commitment to serve in this organization. These values give our Leos the power to make a profound impact, and with "LIONS" on their side there can be no limit.

Our Leo Leadership Forum will provide Leos with various workshops in leadership, public speaking, community development, etc. These workshops will be developed by experts in the subject and co-facilitated by Leo leaders. At the completion of the Leo Leadership Forum, our Leos will receive their High School Degree. Moreover, we will offer fun activities so Leos can inspire and learn from each other and later bring home their newfound knowledge and share it with their clubs. This forum aims to make a demonstrated commitment to our Leos, who we believe are the future of Lions.

We hope you may consider donating any amount to our Foundation. Your generous donation will help our Foundation forward our mission of better supporting our Leos through our annual Leo Leadership Forum. As a sign of our appreciation, all donors will be recognized with a club patch or forum pin.

Edward "Breen" Miller

Edward Breen Miller "Breen", 63, a twenty-five year resident of Caroline County, MD, died on Saturday, October 5, 2019, at Nanticoke Memorial Hospital in Seaford, DE. Born on September 24, 1956, in Annapolis, MD to the late "Winkie" and Colonel "Reds" Miller, Breen started life with a love of agriculture, farming on his family's Fox Hall Farm in Anne Arundel County, growing tobacco and produce. He soon became a long haul truck driver for 20 years and could tell you whether to turn left or right in New Mexico or where to catch the best SOS in Utah. After a few years running an excavation business, his wheels stopped rolling as he settled into a job with Maryland Environmental Services at the Ridgely Landfill, where he served as maintenance supervisor and mentor to his co-workers, whom he cared about immensely. Breen loved his community and was an active member of the Ridgely Lions Club where he was King Lion in 2011- 2012. He would often be seen scooping ice cream at the annual Strawberry Festival and playing in the annual golf tournament. Settling into home life, Breen loved cooking and tinkering around his yard and garden with his trusty dogs by his side. He also loved cats and everyone knew that if he saw a stray, it would soon have a loving home full of treats. He enjoyed deer hunting with his kids every year though there was great suspicion that he fell asleep in his stand. In more recent years, he delighted in spending time with and reading to his grandchildren, looking forward to a new granddaughter, Laney, in January 2020. Breen is survived by his daughter, Leslie Breen (Logan) Milby of Cordova, MD, and son, Miles Edward Miller of Oakland, CA; his siblings, Norman "Rusty" Miller of La Salle, WA and Cam Miller (Joe) Kozik of Churchton, MD; his grandchildren, Landon Breen and Lucy Wyatt Milby, niece Heather Buhaj and children of Churchton, MD and several lifelong friends; He was preceded in death by his nephew, Spencer Kozik.
