WHO ARE THE ST. JOHN LIONS?

We have proudly served the St. John community for over 50 years! Our members are very different in many ways, but we share a core belief - our community is what we make it. That's because we help where help is needed, and show how to serve.

St. John Lions Club has a new celebrity - one of our **newest members**, Gail Zurek, was featured in the November issue of LION Magazine written and distributed by Lions Clubs International. You can [read the magazine article online](#) (see page 8)!

Helping some of the less fortunate in our community:

- Helped Candy Day raise funds for new projects
- Purchased hearing aids for a local high school girl
- Purchased "Beep Ball" and charger for visually impaired youth baseball players
- Planning a Candlelight Bowl to raise funds for several local projects

If you (or your friends or family members) would like to become involved in an upcoming project, or join our Lions Club, you can contact us in one of these three ways:

1. Call us at (219) 365-1091
2. Email one of our [Club Officers](#) and request more information
3. Attend one of our monthly membership meetings to learn more about our group

Lions are an international network of 1.3 million men and women in 205 countries and geographic areas who work together to answer the needs that challenge communities around the world.

Governor's Official Visit

District Governor Theresa Matthews and 1st Vice District Governor Gary Steele visited the Gastonia Evening Lions Club in August.

The History of the Gastonia Evening Lions Club

In 1923 a group of young business and professional men of Gastonia held a meeting in the directors' room of the old Citizens National Bank Building on Main Avenue. The meeting was called at the urging of Lion Fred T. Davis, a special representative of Lions International who was interested in organizing a Lions club in Gastonia. The organizational meeting was held on Valentine's Day, February 14, 1923. A Charter was presented to the club on March 27, 1923. The Gastonia Lions Club was the 11th club formed in North Carolina and its first president was Lion Steve Dolley, a leading Gastonia businessman and commander of the local national guard unit. When the club first organized it held its meetings at noon. Meetings were held at several different places
