LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS INTERNATIONAL MISSION STATEMENT

TO EMPOWER VOLUNTEERS to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions Clubs.

DISTRICT 1-A GOVERNOR GOALS 2025-2026

UNITED IN LIONISM and COMMITTED TO GROWTH

With a Lions Family spirit, our District and Global Action Team (GAT) will continue the progress made through Mission 1.5 over the last few years. Our mission remains unchanged, but our expectations are refined to reflect the unique needs and opportunities within our district. As ONE team, we will work collaboratively on goals that are ambitious yet achievable —honoring the momentum built in past years while forging new paths forward.

MEMBERSHIP DEVELOPMENT

****Planting the Seeds for New Clubs:**** The GMT will focus on identifying underserved or “Open Areas” within the district where Lionism can take root. While chartering new clubs remains important (goal: 3 new clubs), the focus will be on nurturing quality over the speed of starting clubs —building solid foundations for clubs that can grow and thrive.

****Growth through Invitation**** Every club is encouraged to invite one new member—someone from their community or family with a heart for service - to join the journey in Lionism.

****CUB Club Program**** We will introduce and expand the CUB Club Program across our district. These clubs engage families with young children who are not yet eligible for LEOS but are eager to serve. District Goal: 2 new CUB clubs.

****Membership for Retention**** Each club will be asked to designate a Mentor to engage both new and existing members. These mentors will collaborate with a Guiding Lion (if one is assigned by the District Governor) and the sponsors to ensure members are equipped, supported, and inspired to remain active Lions.

****Club Rebuilding Support**** Working closely with Region and Zone Chairs, the GAT team will proactively identify clubs showing signs of need. With support from LCI’s Club Rebuilding Program, we’ll implement strategies to stabilize and revitalize struggling clubs.

LEADERSHIP DEVELOPMENT

****Collaborative Engagement.**** Quarterly as needed, meetings will be held with Region and Zone Chairs, Vice Governors, and the full GAT team to ensure everyone is aligned on district goals and challenges

****Consistent Team Communication**** Monthly meetings for the GAT team—including Vice Governors—will be conducted to track progress and strengthen internal communication.

****Portal Access & Training**** The GLT and District Administrator will ensure all executive leaders at the club and district levels have active Lions Portal logins and are trained to support their clubs. Our target: 100% portal access across the district.

SERVICE EXECUTION

****Comprehensive Reporting**** The GST, with support from Vice-Governors, Region, and Zone Chairs, will ensure that 100% of Lions, LEO and CUB Clubs report their service. CUB Clubs will report through their Lions Club Liaison to ensure visibility and recognition.

****Governor’s Service Projects:**** The GST will lead efforts to promote and coordinate district-wide service projects initiated by the Governor. Club Service Chairs will receive timely communication and support to plan, execute, and report on these impactful initiatives.
